Sewing Machines
The Bernina 1006 comes
up in my searches,
also, and at a lower
price in general. What
I haven't been able to
find is a list of
differences between
the 1006 and 1008.
Pictures of the 1006
look nearly identical
to the 1008, but
pictures don't tell
the whole story and I
have seen very few
reviews of the 1006.

Bernina also created sewing machines that needed software to run it and 2012 saw the introduction of the BERNINA DesignWorks Software Suite. Finally, 2014 came and with it, the BERNINA E 16 came on the market. What set

this model apart from all the rest was that it was the first multi-needle embroidery unit.
