limited to what they can do in class
because of their age.
BERNINA Embroidery Software 7: getting
started / how to edit an existing design
Therefore, BERNINA cannot provide
support for the embroidery software V7
in conjunction with Windows 10, but
experience has shown that the
embroidery software V7 should work
under Windows 10. The function of the
automatic fabric settings (auto fabrics)
has been extended and can now be
manually activated or deactivated.
