**The Birthday Party of Dread** Penguin  
A storybook celebrating Thomas the Tank Engine's birthday--plus stickers, a party game, and a poster! Train-loving boys and girls ages 3 to 7 can celebrate Thomas the Tank Engine's best birthday ever with this Thomas & Friends storybook featuring stickers, a poster, and a party game! In the early 1940s, a loving father crafted a small blue wooden train engine for his son, Christopher. The stories that this father, the Reverend W Awdry, made up to accompany the wonderful toy were first published in 1945 and became the basis for the Railway Series, a collection of books about

Thomas the Tank Engine and his friends--and the rest is history. Thomas & Friends(TM) are now a big extended family of engines and others on the Island of Sodor. They appear not only in books but also in television shows and movies, and as a wide variety of beautifully made toys. The adventures of Thomas and his friends, which are always, ultimately, about friendship, have delighted generations of train-loving boys and girls for more than 70 years and will continue to do so for generations to come.
