A hardboiled valentine to the Golden State, **That Left Turn at Albuquerque** marks the return of noir master Scott Phillips. Douglas Rigby, attorney-at-law, is bankrupt. He's just sunk his last \$200,000—a clandestine "loan" from his last remaining client, former bigshot TV exec Glenn Haskill—into a cocaine deal gone wrong. The lesson? Never trust anyone else with the dirty work. Desperate to get back on top, Rigby formulates an art forgery scheme involving one of Glenn's priceless paintings, a victimless crime. But for Rigby to pull this one off, he'll need to negotiate a whole cast of players with their own agendas, including his wife, his girlfriend, an embittered art forger, Glenn's resentful nurse, and the man's money-hungry nephew. One misstep, and it all falls apart—will he be able to save his skin? Written with hard-knock sensibility and wicked humor, Scott Phillips's newest novel will cement him as one of the great crime writers of the 21st century.

Fin Finnegan, a San Diego police detective and wannabe actor heading straight for a midlife meltdown, is assigned a routine truck theft that turns into a toxic chemical spill, setting off a bizarre

chain reaction of death and murder on both sides of the Mexican border. Fin is forced to team up with Nell Salter, a sexy female investigator, as well as an equally fetching US Navy investigator who wants to learn all that Fin can teach her—and that's saying a lot. The New York Times Book Review called it "a frolic, a joy, a hoot, a riot of a book." And Entertainment Weekly said, "superbly crafted and paced, deliciously funny, but fundamentally, as always, deadly serious."

Finnegan's Week Hachette Books

Attempting to escape his abusive father and generations of cyclical poverty, young Jonah Hargrove joins the mysterious River—a teenage girl carrying thousands of dollars in stolen meth—and embarks on a southern gothic odyssey through the East Texas river bottoms. They are pursued by local drug kingpin John Curtis and his murderous enforcer, Dakota Cade, with whom River was romantically involved. But Cade and Curtis have their own enemies, as their relationship with the cartel controlling their meth supply begins to sour. Keeping tabs on everyone is the Thin Man, a silent assassin who values consequence over mercy. Each person is keeping secrets from the others—deadly secrets that will be exposed in savage fashion as their final paths collide and all are forced to come to terms with their choices, their circumstances, and their own definition of God. With a colorful cast of supporting characters and an unflinching violence juxtaposed against lyrical prose, *River, Sing Out* dives deep into a sinister and sanguinary world, where oppressive poverty is pitted against the need to believe in something greater than the self.

THUNDER VALLEY No Starch Press
Sons of Anarchy meets *The Departed* in this fast-paced, high-wire act memoir from former ATF agent Ken Croke, the first federal agent in history to go undercover and successfully infiltrate the infamous—and infamously violent—Pagan Motorcycle Club, a white supremacist biker gang. Longtime ATF agent Ken Croke had earned the right to coast to the end of a storied career, having routinely gone undercover to apprehend white supremacists, gun

runners, and gang members. But after a chance encounter with an associate of the Pagan Motorcycle Gang created an opening, he transformed himself into "Slam," a monstrous, axe-handle wielding enforcer whose duty was to protect the leadership "mother club" at all costs. He befriended the club's most violent and criminally insane members and lived among them for two years, covertly building a case that would eventually take down the top members of the gang in a massive federal prosecution, even as he risked his marriage, his sanity, and his life. With today's law enforcement largely moving toward the comparative safety of cyber operations, it became one of the last of its kind, a masterclass in old school tactics that marked Croke as a dying breed of undercover agent and became legendary in law enforcement. Now for the first time, Croke tells the story of his terrifying undercover life in the Pagans—the unspeakable violence, extremism, drugs, and disgusting rituals. Written with bestselling crime writer Dave Wedge and utilizing the exclusive cooperation of those who lived the case with him, as well as thousands of pages of court files and hours of surveillance tapes and photos, Croke delivers a frightening, nail-biting account of the secretive and brutal biker underworld.

Anatomy of an Epidemic Kensington Books

The second edition of this best-selling Python book (over 500,000 copies sold!) uses Python 3 to teach even the technically uninclined how to write programs that do in minutes what would take hours to do by hand. There is no prior programming

experience required and the book is loved by liberal arts majors and geeks alike. If you've ever spent hours renaming files or updating hundreds of spreadsheet cells, you know how tedious tasks like these can be. But what if you could have your computer do them for you? In this fully revised second edition of the best-selling classic *Automate the Boring Stuff with Python*, you'll learn how to use Python to write programs that do in minutes what would take you hours to do by hand--no prior programming experience required. You'll learn the basics of Python and explore Python's rich library of modules for performing specific tasks, like scraping data off websites, reading PDF and Word documents, and automating clicking and typing tasks. The second edition of this international fan favorite includes a brand-new chapter on input validation, as well as tutorials on automating Gmail and Google Sheets, plus tips on automatically updating CSV files. You'll learn how to create programs that effortlessly perform useful feats of automation to:

- Search for text in a file or across multiple files
- Create, update, move, and rename files and folders
- Search the Web and download online content
- Update and format data in Excel spreadsheets of any size
- Split, merge, watermark, and encrypt PDFs
- Send email responses and text notifications
- Fill out online forms

Step-by-step instructions walk you through each program, and updated practice projects at the end of each chapter challenge you to improve those programs and use your newfound skills to automate similar tasks. Don't spend your time doing work a well-trained monkey could do. Even if you've never written

a line of code, you can make your computer do the grunt work. Learn how in *Automate the Boring Stuff with Python*, 2nd Edition.

My Kid is Doing Drugs and Got Arrested: Now What? is my story of hope and success. The book gives information about the widespread societal problem of teen substance abuse. It explains how teens become hopelessly addicted to drugs and the horrible feeling of craving that drives the teen to use drugs. It alerts parents to the subtle signs of substance abuse and explains the connection with co-existing mental illness. More importantly, I tell my personal story of my son, Matts rock bottom drive into the depths of addiction and his coexisting bipolar disorder, and how as a family we dealt with it. You will learn about Matts arrest, rehab, and recovery told from my perspective as a mother and health care provider. I offer insight into the feelings of fear, hopelessness, and failure as a parent. You will learn how this problem affected my family and how we weathered the storm. I use stories that illustrate important issues for parents to recognize in their teens. Suggestions for treatment are offered
