The Stonehaven series of graphic novels is an adventure/drama set in a modern day fantasy realm. Elves, dwarves, and ogres live side by side with humans in one of the largest cities in the world. The series features an ensemble cast and a unique meld of genres in a stand alone story format. The introduction to this series features a State Ranger who comes to Stonehaven in search of his runaway daughter. He hires a dubious half-elf private detective to aid in his quest. The pair quickly uncover that the girl has fallen into the clutches of a murderous werewolf hunted by both the law and the local Asian Crime syndicate. Fate and circumstance make for strange bedfellows as these apparent random events crash together in this stunning tale of good, evil, and the grey areas in-between.

The American Review of Reviews

Rene DuBoise has interrupted her Vodou training and returned home to New York City to bury her mother, a victim in a bizarre police shooting. She quickly discovers that her mother's death was orchestrated by a deranged, drug dealing, Paleros sorcerer. However, discovering who is responsible proves far easier than revealing his ultimate plan. A plot that is laid over the city like a spider's web entangling enemies and allies alike, including Isabelle Desanto, whose brother was killed for his interference. And Paul Whythe, cultural anthropologist at NYU, and consultant for the NYPD's Cult Related Task Force. As the city races headlong towards a violent and bloody civil riot, Rene and her comrades begin to understand the true scope of the spells that have been set in motion. A spell so vast it threatens the lives and souls of everyone in the city. Now, they must race the clock to thwart this sinister scheme before the city explodes.

The Nerf Blaster Modification Guide has all you need to know to create a cooler-looking Nerf Blaster with increased range, projectile speed, and firing capacity. Luke Goodman—better known on YouTube as “ Out of Darts ” —guides readers through the basics of Nerf's two main propulsion systems and provides simple mods that kids and their parents can make to their foam blasters. Nerf Blasters, first introduced in the 1980s, are experiencing a Renaissance! Nerf Blasters are back to being one of the hottest toys on the market and have spawned a YouTube phenomenon of DIYers showing off the modifications and tweaks they've made to their blasters. With the modifications detailed in this guide, your Nerf Blaster will not only perform better, but look cooler, too. The guide includes sci-fi, history-, and steampunk-inspired paint jobs. Every project comes with easy-to-follow instructions, which are completely illustrated with step-by-step studio photography; so you'll never get confused. So what are you waiting for? Transform your off-the-rack Nerf Blaster into something awesome!
