A dangerous world of sex, lust and violence... All Noelle Cunningham has ever wanted is a life beyond – beyond the walls of Eden, where only the righteous are allowed to remain, and beyond her stiflingly restrictive existence as a councilman's daughter. But only ruins lie outside the City, remnants of a society destroyed by solar storms decades earlier. The sectors surrounding Eden house the corrupt, the criminal – men like Jasper McCray, bootlegger and cage fighter. Jas clawed his way up from nothing to stand at the right hand of Sector Four's ruthless leader, and he'll defend the O' Kane gang

with his life. But no fight ever prepared him for the exiled City girl who falls at his feet. Her innocence is undeniable, but so is their intense sexual attraction, and soon they're crossing every boundary Noelle barely knew she had. But if she wants to belong to Jas, first she'll have to open herself to a world where passion is power, and freedom is found in submission.

Certain they're fated to find each other again, Laurie spends a year scanning every bus stop and cafe in London for him. But she doesn't find him, not when it matters anyway. A Novel Macmillan
New York Times bestselling author Jennifer Crusie teams up with USA Today bestselling author Bob Mayer to write a sizzling, high-octane romantic adventure about a straight-talking woman and a straight-shooting man... Lucy Armstrong is a director of television commercials who's just been recruited to finish a four-day action movie shoot. But she arrives on the set to discover that the directing staff has quit, the make-up artist is suicidal, the stars are egomaniacs, the stunt director is her ex-husband, and the lead actor has just acquired as an

advisor a Green Beret who has the aggravating habit of always being right. Green Beret Captain JT Wilder had thought that hiring on as a military consultant for a movie star was a good deal: easy money and easier starlets. Instead he has to babysit a bumbling comedian, dodge low-flying helicopters, and resist his attraction to a director who bears a distracting resemblance to Wonder Woman. Then the CIA calls and he realizes that somebody is taking "shooting a movie" much too literally. Full of suspense and humor, non-stop action and fast-paced dialogue, *Don't Look Down* is the perfect blend of male and female, adventure and romance, Mayer and Crusie.
