Extravagant Hope Lifeway Christian Resources

Life is painful. Everyone's story comes with unique challenges, difficulties, bumps, and bruises that leave you lost and drowning in their wake. It could be a financial disaster, a health issue, a broken relationship, or the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life's hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God's Word doesn't promise us a life free from pain and trouble. It promises us something else—Someone else. Someone who will walk with us through all of life's trials and troubles. There is hope for the hurting: His name is Jesus.

The *Knowing the Bible* series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week study lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Daniel has all the makings of a great story: memorable characters, cliff-hanging moments, and incredible visions. Yet we miss the point if we pay more attention to Daniel's story than we pay to Daniel's God. In this helpful study, readers will see how this fascinating biblical book ultimately points to the sovereign Lord of history, who rules over all earthly kingdoms and whose plans cannot be thwarted.

Have you ever heard someone say they are afraid of the book of Revelation? Or perhaps without knowing, simply described the book in a negative or challenging way? Nothing could be more incorrect as the entire book is a descriptive and poignant expression of what John was blessed to see that each of us longs to know—a place, an end, an eternity that is promised and is the very definition of hope, extravagant hope. As a part of the Beautiful Word Bible Study Series, Bible teacher and author Margaret Feinberg digs into the book of Revelation and the letters to the churches found there. She takes complex and sometimes illusive content and leads on a journey where we come to realize everything we have hoped for is there, on the pages, waiting for us. Margaret connects beautiful words to this final book of the Bible inspiring women to forever be reminded of the one thing we all long for—extravagant hope. A Study on 2 Corinthians Lifeway Church Resources

The exciting field of biblical archaeology has revolutionized our understanding of the Bible -- and no one has done more to popularise this vast store of knowledge than Israel Finkelstein and Neil Silberman, who revealed what we now know about when and why the Bible was first written in *The Bible Unearthed*. Now, with David and Solomon, they do nothing less than help us to understand the sacred kings and founding fathers of western civilization. David and his son Solomon are famous in the Bible for their warrior prowess, legendary loves, wisdom, poetry, conquests, and ambitious building programmes. Yet thanks to archaeology's astonishing finds, we now know that most of these stories are myths. Finkelstein and Silberman show us that the historical David was a bandit leader in a tiny back-water called Jerusalem, and how -- through wars, conquests and epic tragedies like the exile of the Jews in the centuries before Christ and the later Roman conquest -- David and his successor were reshaped into mighty kings and even messiahs, symbols of hope to Jews and Christians alike in times of strife and despair and models for the great kings of Europe. A landmark work of research and lucid scholarship by two brilliant luminaries, David and Solomon recasts the very genesis of western history in a whole new light.

It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God's people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, "We, Christ's church, are in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. *When Godly People Do Ungodly Things* will be a guide to authentic repentance and restoration.
