#1 NEW YORK TIMES BESTSELLER! The women of the Bible lived timeless stories—by examining them, we can understand what it means to be a woman of faith. People unfamiliar with Scripture often assume that women play a small, secondary role in the Bible. But in fact, they were central figures in numerous Biblical tales. It was Queen Esther's bravery at a vital point in history which saved her entire people. The Bible contains warriors like Jael, judges like Deborah, and prophets like Miriam. The first person to witness Jesus' resurrection was Mary Magdalene, who promptly became the first Christian evangelist,

eager to share the news which would change the world forever. In *The Women of the Bible Speak*, Fox News Channel's Shannon Bream opens up the lives of sixteen of these Biblical women, arranging them into pairs and contrasting their journeys. In pairing their stories, Shannon helps us reflect not only on the meaning of each individual's life, but on how they relate to each other and to us. From the shepherdesses of ancient Israel who helped raise the future leaders of the people of God, to the courageous early Christians, the narrative of the Bible offers us many vivid and fascinating female characters. In their lives we can see common struggles to resist bitterness, despair, and pride, and to instead find their true selves in faith, hope, and love. In studying these heroes of the faith, we can find wisdom and warnings for how to better navigate our own faith journeys. *The Women of the Bible Speak* outlines the lessons we can take from the valor of Esther, the hope of Hannah, the audacity of Rahab, and the faith of Mary. In broadening each woman's individual story, Shannon offers us a deeper understanding of each, and wisdom and insights that can transform our own lives today.

What is the purpose of studying history? How do we reflect on contemporary life from a historical perspective, and can such reflection help us better understand ourselves, the world around us, and the God we worship and serve? Written by an accomplished historian, award-winning author, public evangelical spokesman, and respected teacher, this introductory textbook shows why Christians should study history, how faith is brought to bear on our understanding of the past, and how studying the past can help us more effectively love God and others. John Fea

shows that deep historical thinking can relieve us of our narcissism; cultivate humility, hospitality, and love; and transform our lives more fully into the image of Jesus Christ. The first edition of this book has been used widely in Christian colleges across the country. The second edition provides an updated introduction to the study of history and the historian's vocation. The book has also been revised throughout and incorporates Fea's reflections on this topic from throughout the past 10 years.

Staying faithful when the pressure was most intense. That's what these two did.

The Jewish people had reason to be depressed. Their nation had been conquered. Their hometown was in ruins. They were living in captivity. Yet from the ashes, God raised up two key figures to preserve the Jewish race. Daniel was among the first of the captives carried away by the Babylonians. Although he lived in a culture opposed to God, he was always faithful to the Lord – even in the face of death – and ultimately was able to influence kings and rulers. Esther was in

exile during the time of the Persian Empire. Like Daniel, the Lord also placed her in a position to influence those in power. God also called her to step out in faith and risk her life to foil a plot against her people. As a result of her bold actions, the entire Jewish race was saved from annihilation. As you read, study, journal, and discuss the books of Daniel and Esther, watch for these key themes that Max will unpack throughout the book: God leads in our lives even in difficult circumstances. Sometimes faithfulness is rewarded by miracles. God will be faithful to his people in the future as he has in the past. The Life Lessons with Max Lucado series brings the Bible to life in twelve lessons filled with intriguing questions, inspirational stories, and poignant reflections to take you deeper into God's Word. Each lesson includes: An opening reflection on the Bible book you're studying. Background information to deepen your understanding of the cultural and historical setting. An excerpt of the text (from the NIV and the NKJV). Exploration questions with plenty of room to write your own thoughts and notes. Inspirational thoughts from Max as well as a closing

takeaway for further reflection. The Life Lessons series is ideal for use in both a small-group setting or for individual study.
