Within the Bible, the book of Esther is interesting for many reasons. Perhaps at the top of the list is the fact that it never mentions God. His name is not brought up throughout the entirety of the book, and yet you still know God is there, working His plan through Esther. See how Esther's story can be a parallel to Christ's story, and how through her story you can see

God working in your life today. This eight-lesson Bible study will give readers clear direction on how Christ has chosen and equipped them for God's beautiful plan.
