You are no accident. Your presence on this earth is not a mistake. Neither is it insignificant. On the contrary, you are wanted here—and needed! You are

a creation of God with a unique purpose. Many people "do" things to try to gain acceptance by others, so that they can "be" someone. They become slaves to public opinion and never really know who they were meant to be. When we know that we are God's beloved children, chosen from the foundation of the world, and discover who He designed us to be, we will think and act from that perspective. Everything else will develop from our identity and existence in Him. That identity goes beyond even our personal purpose to God's eternal plans for the world and our exciting role in them. God created all human beings to have dominion over the earth. And He has assigned each of us a portion of "territory" where we can exercise the measure of our dominion on earth. This dominion is based on the faith, anointing, and gifts He has given us. Our words and actions are most effective when we are in the territory God has assigned to us and are seeking first His kingdom. This "territorial" power is not merely symbolic. It is a reality in which we must live. The territory in which we are to be fruitful is not random or general but specific. In *Created for Purpose*, you will discover God's plan for your life as a loved and valuable member of His creation, what it means to be called by God, and how to know and live in your purpose throughout your life. You are not an accident. You are present on this earth for a significant reason. Find out who you were meant to be!

"Is it working? Your belief system, that is. Is it really working? God's intention all along has been for the believer's life to work. From divine perspective toward terrestrial turf, God meant for his children to succeed. . . Are our Christian lives successful? Are they achieving and experiencing what Scripture said they would? In a recent sermon my son-in-law preached, Curt told us the only way we were going to impact the world and the next

generation is to prove that our faith in Christ is real and that it works. For countless Christians I ' m convinced it ' s real. My concern is whether or not we have the fruit to suggest it works. " —Beth Moore; Believing God

Beth Moore is widely known and respected as an engaging and effective speaker, Bible teacher, and best-selling author. Feathers from My Nest reveals a more contemplative and personal side of Beth, very much in the spirit of her Things Pondered. Feathers from My Nest is a collection of vignettes, as Beth reflects on items belonging to her daughters who have left the nest for college. As she ponders each item, rich in memories, Beth draws from its spiritual significance. This book not only tugs gently on the sentimental heartstrings of parents, it also reminds us all of the gift of grace children offer our lives every day.

It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God ' s people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan ' s seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan ' s attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, " We, Christ ' s church, are in desperate need of developing His heart and mind in issues like these. " She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. When Godly People Do Ungodly Things will be a guide to authentic repentance and restoration.

Change your attitude, change your life. We ' re very good at explaining why we ' re unhappy: bad job, bad relationships, bad luck. But there ' s probably a better reason: bad attitudes. In Lord, Change My Attitude, James MacDonald shows us just how much our attitudes affect our lives. One of his bestsellers, this book is classic James: It ' s clear, it ' s inspiring, and it packs a punch. Drawing from the experience of the Israelites who grumbled through the wilderness, MacDonald shows how bad attitudes rob us of joy. Coveting, complaining, and being critical are not what our hearts were made for. They were made for thankfulness, contentment, and love. Is your heart straining under the weight of a bad attitude? Don ' t read this book if you ' re looking for a quick fix. Don ' t read this book if you ' re unwilling to change. Read it if you ' re ready for a serious, inside-out attitude adjustment.
