They found themselves in a dense forest. The trees were tall and bulky; dense foliage everywhere; and the canopy was so thick, it was quite dark beneath the bright sun. It was the characteristic of Esterwood the Land of Forests. Everything was still. It was like calm before the storm. It portended evil. Suddenly the forest seemed to come alive. An eerie sound came and surrounded them. Wind blew violently; they could not stand on their feet. The tree branches wildly swayed in that wind. The trees and creepers were suddenly moving from their positions. The trees seemed to be closing in on the four friends with their branches. They indeed were. The four friends came to a standstill, and looked in all directions to ward off danger. The trees picked up speed. They closed in from all directions. Naren, and his friends Bulli Mantrik, and Answer the Lamb were all caught in the branches of the trees, and were unable to move. Penny the Parrot tried to fly away. The trees chased him, jumped, and caught him with their branches. Naren tried to move, but the trees and creepers so tightly clasped him, he could not move even an inch. So he could not lay hands on his sword. He felt suffocated by a twig holding him tightly by the neck. The trees seemed to kill them all,

suffocating to death. An even queerer thing happened. Then was heard an eerie voice from the heavens. "Come to me." ... Please scroll up and grab your copy now.
