Freedom Betrayed Macmillan

Thirteen-year-old Nina is imprisoned by the Population Police, who give her the option of helping them identify illegal "third-born" children, or facing death.

Have Mercy Penguin

The second book in a new fantasy trilogy from #1 New York Times bestselling author Kiersten White, exploring the nature of self, the inevitable cost of progress, and, of course, magic and romance and betrayal so epic Queen Guinevere remains the most famous queen who never lived. EVERYTHING IS AS IT SHOULD BE IN CAMELOT: King Arthur is expanding his kingdom's influence with Queen Guinevere at his side. Yet every night, dreams of darkness and unknowable power plague her. Guinevere might have accepted her role, but she still cannot find a place for herself in all of it. The closer she gets to the people around her--Brangien, pining for her lost love Isolde; Lancelot, fighting to prove her worth as Queen's knight; and Arthur, everything to everyone and thus never quite enough for Guinevere--the more she realizes how empty she is. She has no sense of who she truly was before she was Guinevere. The more she tries to claim herself as queen, the more she wonders if Mordred was right: she doesn't belong. She never will. When a rescue goes awry and results in the death of something precious, a devastated Guinevere returns to Camelot to find the greatest threat yet has arrived. Not in the form of the Dark Queen or an invading army, but in the form of the real Guinevere's younger sister. Is her deception at an end? And who is she really deceiving--Camelot, or herself?

Don't go there. It's not safe. You'll die. And other more >> rational advice for overlanding Mexico & Central America Penguin

Kiera Cass brings another sparkling romance to a stunning conclusion in this sequel to the instant #1 New York Times bestseller *The Betrothed*. Can you follow your heart when it's already broken? After fleeing Coroa and leaving the memory of her beloved Silas behind, Hollis is unsteadily adjusting to life in Isolte. The Eastoffe family's affection is a balm on her weary spirit, though Etan, a surly cousin with a deep distaste for Coroans, threatens to upset the uneasy peace she's found. While tensions at home ratchet up, disquiet in the kingdom of Isolte is reaching a fever pitch. The Eastoffes may have the power to unseat a tyrannical king--but only with Hollis's help. Can a girl who's lost it all put the fate of her adopted homeland over the secret longings of her heart?

Betrayal of Trust Simon and Schuster

In *The Death of the Grown-Up*, Diana West diagnosed the demise of Western civilization by looking at its chief symptom: our inability to become adults who render judgments of right and wrong. In *American Betrayal*, West digs deeper to discover the root of this malaise and uncovers a body of lies that Americans have been led to regard as the near-sacred history of World War II and its Cold War aftermath. Part real-life thriller, part national tragedy, *American Betrayal* lights up the massive, Moscow-directed penetration of America's most hallowed halls of power, revealing not just the familiar struggle between Communism and the Free World, but the hidden war between those wishing to conceal the truth and those trying to expose the increasingly official web of lies. *American Betrayal* is America's lost history, a chronicle that pits Franklin Delano Roosevelt, Harry Truman, Dwight David Eisenhower, and other American icons who shielded overlapping Communist conspiracies against the investigators, politicians, defectors, and others (including Senator Joseph McCarthy) who tried to tell the American people the truth. *American Betrayal* shatters the approved histories of an era that begins with FDR's first inauguration, when "happy days" are supposed to be here again, and ends when we "win" the Cold War. It is here, amid the rubble, where Diana West focuses on the World War II--Cold War deal with the devil in which America surrendered her principles in exchange for a series of Big Lies whose preservation soon became the basis of our leaders' own self-preservation. It was this moral surrender to deception and self-deception, West argues, that sent us down the long road to moral relativism, "political correctness," and other cultural ills that have left us unable to ask the hard questions: Does our silence on the crimes of Communism explain our silence on the totalitarianism of Islam? Is Uncle Sam once again betraying America? In *American Betrayal*, Diana West shakes the historical record to bring down a new understanding of our past, our

present, and how we have become a nation unable to know truth from lies.

Back to Venice Allen & Unwin

Escape from reality with this box set containing three favourite Law of the Lycans novels by Nicky Charles: *Bonded* follows the story of Reno, a tough Enforcer for Lycan Link who finds himself drawn to DC Officer Brandi Johansson but duty rules his life. Besides, Enforcers and DCs don't get along...unless fate forces them to. In *Betrayed: Days of the Rogue*, you'll meet Damien a rogue werewolf, a newly Awakened Fae named Eve and Rafe McRae, part empath and part wolf. Follow these characters through a suspense driven story of love, betrayal and revenge. Finally, in *Betrayed: Book Two - The Road to Redemption*, meet Sam. Raised to be an Alpha, duty rules her every move. When her territory is threatened, does she dare gamble on a rogue to help her save her pack? This box set also includes a bonus copy of *Forever In Time*

The Tristan Betrayal St. Martin's Press

HARD-HITTING PULP ACTION - AS THE BULLETS BLAZE IN A SCORCHED EARTH SHOWDOWN THEY'LL DISCOVER WHAT TRULY MATTERS MOST. In the cold, lonely world of hired guns, Malakai is a legendary trigger-puller. The victim of a twisted, abusive childhood that left him both physically and emotionally scarred, blood and bullets have become his religion. Once partnered with Gabriel Asher before he walked away, Malakai stayed with the Company, honing his lethal skills to become the quintessential lone wolf assassin. When he is contracted to stop the Syndicate—a powerful Japanese crime organization—from blackmailing the chairperson of the Senate Intelligence Committee, Malakai discovers someone is playing Judas and he needs to flush them out before he gets burned. As the chaos and carnage escalate, his life gets complicated by the arrival of a mysterious woman who may have even more scars on her soul than he does. But is she really who she says she is? With betrayal all around him, Malakai knows one wrong move could cost him his life. When the Syndicate hires a ruthless assassin named Jesus to hunt him down, Malakai knows the only way to survive is to fight fire with hellfire.

Wicked Betrayal Createspace Independent Publishing Platform

Reno's a tough Enforcer for Lycan Link who finds himself drawn to Brandi but duty rules his life. Brandi, just on the edge of starting her career as a Disaster Control officer, falls for Reno at first sight, but are they really meant to be? Is it love or lust and does it really even matter? Enforcers and DCs don't get along...unless fate forces them to.

The Keeping St. Martin's Press

Conway Barsetti doesn't want me to be a model anymore. He wants to keep me all to himself. I inspire him in ways no one else does. Now I'm living with him in his beautiful mansion, and I don't feel like a prisoner anymore. I'm free to do what I want, with some limitations. But he treats me so coldly, seeing me as an object rather than a person. His family comes by for lunch and he tells me to stay in my room so they won't see me. But I have a better idea. I'll make them believe I'm his girlfriend, that we live together and we're in love. Unless he treats me better, I'll tell his parents and sister what our arrangement really is. And humiliate him.

Betrayed Mike Frost

Herbert Hoover's "magnum opus"—at last published nearly fifty years after its completion—offers a revisionist reexamination of World War II and its cold war aftermath and a sweeping indictment of the "lost statesmanship" of Franklin Roosevelt. Hoover offers his frank evaluation of Roosevelt's foreign policies before Pearl Harbor and policies during the war, as well as an examination of the war's consequences, including the expansion of the Soviet empire at war's end and the eruption of the cold war against the Communists.

The Mating HarperCollins

Not since Pearl Harbor has an American president gone to Congress to request a declaration of war. Nevertheless, since then, one president after another, from Truman to Obama, has ordered American troops into wars all over the world. From Korea to Vietnam, Panama to Grenada, Lebanon to Bosnia, Afghanistan to Iraq—why have presidents sidestepped declarations of war? Marvin Kalb, former chief diplomatic correspondent for CBS and NBC News, explores this key question in his thirteenth book about the presidency and U.S. foreign policy. Instead of a declaration of war, presidents have justified their war-making powers by citing "commitments," private and public, made by former presidents. Many of these commitments have been honored, but some betrayed. Surprisingly, given the tight U.S.-Israeli relationship, Israeli leaders feel that at times they have been betrayed by American presidents. Is it time for a negotiated defense treaty between the United States and Israel as a way of substituting for a string of secret presidential commitments? From Israel to Vietnam, presidential commitments have proven to be tricky and dangerous. For example, one president after another committed the United States to the defense of South Vietnam, often without explanation. Over the years, these commitments mushroomed into national policy, leading to a war costing 58,000 American lives. Few in Congress or the media chose to question the war's provenance or legitimacy, until it was too late. No president saw the need for a declaration of war, considering one to be old-fashioned. The word of a president can morph into a national commitment. It can become the functional equivalent of a declaration of war. Therefore, whenever a president "commits" the United States to a policy or course of action with, or increasingly without, congressional approval, watch out—the White House may be setting the nation on a road toward war. *The Road to War* was a 2013 Foreword Reviews honorable mention in the subject of War & Military.

Among the Betrayed Penguin

THE INSTANT NEW YORK TIMES BESTSELLER FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF PEOPLE WE MEET ON VACATION! "Original, sparkling bright, and layered with feeling."--Sally Thorne, author of *The Hating Game* A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just upend everything they believe about happily ever afters. Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing

something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book and no one will fall in love. Really.

Woke Racism Harper Collins

In this "meticulously researched" account (New York Times Book Review), a Pulitzer Prize-winning author examines the dangers of a failing public health system unequipped to handle large-scale global risks like a coronavirus pandemic. The New York Times bestselling author of *The Coming Plague*, Laurie Garrett takes on perhaps the most crucial global issue of our time in this eye-opening book. She asks: is our collective health in a state of decline? If so, how dire is this crisis and has the public health system itself contributed to it? Using riveting detail and finely-honed storytelling, exploring outbreaks around the world, Garrett exposes the underbelly of the world's globalization to find out if it can still be assumed that government can and will protect the people's health, or if that trust has been irrevocably broken. "A frightening vision of the future and a deeply unsettling one . . . a sober, scary book that not only limns the dangers posed by emerging diseases but also raises serious questions about two centuries' worth of Enlightenment beliefs in science and technology and progress." -- Michiko Kakutani, *The New York Times*

A Woman Betrayed Hoover Press

Using new technology, recently discovered documents and sophisticated investigative techniques, an international team-led by an obsessed retired FBI agent-has finally solved the mystery that has haunted generations since World War II: Who betrayed Anne Frank and her family? And why? Over thirty million people have read *The Diary of a Young Girl*, the journal teen-aged Anne Frank kept while living in an attic with her family and four other people in Amsterdam during World War II, until the Nazis arrested them and sent them to a concentration camp. But despite the many works-journalism, books, plays and novels-devoted to Anne's story, none has ever conclusively explained how these eight people managed to live in hiding undetected for over two years-and who or what finally brought the Nazis to their door. With painstaking care, retired FBI agent Vincent Pankoke and a team of indefatigable investigators pored over tens of thousands of pages of documents-some never before seen-and interviewed scores of descendants of people familiar with the Franks. Utilizing methods developed by the FBI, the Cold Case Team painstakingly pieced together the months leading to the infamous arrest-and came to a shocking conclusion. *The Betrayal of Anne Frank: A Cold Case Investigation* is the riveting story of their mission. Rosemary Sullivan introduces us to the investigators, explains the behavior of both the captives and their captors and profiles a group of suspects. All the while, she vividly brings to life wartime Amsterdam: a place where no matter how wealthy, educated, or careful you were, you never knew whom you could trust.

Betrayal Harperteen

NEW YORK TIMES BESTSELLER New York Times bestselling author and acclaimed linguist John McWhorter argues that an illiberal neoracism, disguised as antiracism, is hurting Black communities and weakening the American social fabric. Americans of good will on both the left and the right are secretly asking themselves the same question: how has the conversation on race in America gone so crazy? We're told to read books and listen to music by people of color but that wearing certain clothes is "appropriation." We hear that being white automatically gives you privilege and that being Black makes you a victim. We want to speak up but fear we'll be seen as unwoke, or worse, labeled a racist. According to John McWhorter, the problem is that a well-meaning but pernicious form of antiracism has become, not a progressive ideology, but a religion—and one that's illogical, unreachable, and unintentionally neoracist. In *Woke Racism*, McWhorter reveals the workings of this new religion, from the original sin of "white privilege" and the weaponization of cancel culture to ban heretics, to the evangelical fervor of the "woke mob." He shows how this religion that claims to "dismantle racist structures" is actually harming his fellow Black Americans by infantilizing Black people, setting Black students up for failure, and passing policies that disproportionately damage Black communities. The new religion might be called "antiracism," but it features a racial essentialism that's barely distinguishable from racist arguments of the past. Fortunately for Black America, and for all of us, it's not too late to push back against woke racism. McWhorter shares scripts and encouragement with those trying to deprogram friends and family. And most importantly, he offers a roadmap to justice that actually will help, not hurt, Black America.

Bonded Independently Published

The riveting true story of the rise and fall of Murder, Inc. and the executioner-turned-informant whose mysterious death became a turning point in Mob history. In the fall of 1941, a momentous trial was underway that threatened to end the careers and lives of New York's most brutal mob kingpins. The lead witness, Abe Reles, had been a trusted executioner for Murder, Inc., the enforcement arm of a coast-to-coast mob network known as the Commission. But the man responsible for coolly silencing hundreds of informants was about to become the most talkative snitch of all. In exchange for police protection, Reles was prepared to rat out his murderous friends, from Albert Anastasia to Bugsy Siegel—but before he could testify, his shattered body was discovered on a rooftop outside his heavily-guarded hotel room. Was it a botched escape, or punishment for betraying the loyalty of the country's most powerful mobsters? *Michael Cannell's A Brotherhood Betrayed* traces the history of Murder, Inc. through Reles' rise from street punk to murder chieftain to stool pigeon, ending with his fateful death on a Coney Island rooftop. It resurrects a time when crime became organized crime: a world of money and power, depravity and corruption, street corner ambushes and elaborately choreographed hits by wise-cracking foot soldiers with names like Buggsy Goldstein and Tick Tock Tannenbaum. For a brief moment before World War II erupted, America fixated on the delicate balance of trust and betrayal on the Brooklyn streets. This is the story of the one man who tipped the balance.

For the Good of All Life Remotely

THE INSTANT New York Times, Wall Street Journal, USA Today, and IndieBound BESTSELLER An NPR Book of the Day Picking up where the New York Times bestselling *Front Row* at the Trump Show left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump's leaving the White House all the way to January 6—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestseller *Front Row* at the Trump Show. Now he tells the story of Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.

A&C Black

How do you love again when your heart is dead? How do you know when it's time to let go? Damien's kicked about the country these past three years. No pack. No purpose. No reason to keep on living. When an old friend, Kane Sinclair, asks for his help, he agrees and heads to Chicago. After all, what does he have to lose? Sam's grown up on the streets. Raised to be an Alpha, she's strong and independent. Her duty to her pack rules her every move. As much as it irks her, she finds herself looking for help when Sinclair threatens to take over her territory. With the pack's future at stake, does she dare gamble on a rogue? Can a rogue let go of his past and dare to face the future? Are strength and duty enough to pave the road to redemption? The sixth

installment in the *Law of the Lycans*

Wickedly Betrayed Minotaur Books

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and acquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.
