Recovery Workbook for Love Addicts and Love Avoidants Oxford University Press

ONE PASSIONATE NIGHT... Once they'd shared an unforgettable encounter, but Ciara Caldwell had disappeared into the night, leaving Bryce Ashland

with no clue to her identity. He still remembered his mystery woman's face, but now Bryce was a bachelor dad who didn't have time for any female—except his baby girl. ONE FAMILY-TO-BE? Then Ciara unexpectedly landed on his doorstep as his daughter's new nanny, and the fortress around the brooding widower's hardened heart broke wide open. Ciara was the stand-in mother Bryce had dreamed of for baby Carolina—but Ciara's skill as caregiver wasn't all he wanted from her. He ached to share her bed again...and again. But could he risk his heart—with everything to lose, but so much to gain?

A table for one Central Angle
How toxic are the products we consume on a daily basis? Whether it ' s triclosan in toothpaste, formaldehyde in baby shampoo, endocrine disruptors in water bottles, or pesticides on strawberries, chemicals in food and personal care products are of increasing concern to consumers. This book chronicles how ordinary people try to avoid exposure to toxics in grocery store aisles using the practice of “ precautionary consumption. ” Through an innovative analysis of environmental regulation,

the advocacy work of environmental health groups, the expansion of the health-food chain Whole Foods Market, and interviews with consumers, Norah MacKendrick ponders why the problem of toxics in the U.S. retail landscape has been left to individual shoppers—and to mothers in particular. She reveals how precautionary consumption, or “green shopping,” is a costly and time-intensive practice, one that is connected to cultural ideas of femininity and good motherhood but is also most available to upper- and middle-class households. *Better Safe Than Sorry* powerfully argues that precautionary consumption places a heavy and unfair burden of labor on women and does little to advance environmental justice or mitigate risk. *Island Reunion with the Single Dad* Tate Publishing

Former Navy SEAL Michael Rinaldi has one rule: no second chances... So when Nicole Zito, his beautiful ex, hires his security firm to keep her safe after witnessing a murder, Michael convinces himself he 'll be fine. Single mom Nicole may have been the love of his life, but he 's confident he can protect her, along with his own broken heart. Then Nicole receives a disturbing email, threatening both her and her young son. And Michael 's protective instincts kick into overdrive. But protecting Nicole means spending time with her, and ignoring his heart is turning out to be a lot tougher than he thought... Nicole still has feelings for Michael, but she knows he 's the best man for the job. Still, she never expected how perfect it would feel to be with him again. Tucked away in a quiet cabin with Michael and her son... It almost feels like they 're a real family. It 's everything she ever wanted, but she 's afraid their fragile

bond will soon come to an end. She 's falling hard for this sexy SEAL. Can she convince him their love is worth a second chance?

A single dad, who's in over his head, and an event planner running from her past, are drawn together on charming Bluestar Island by a determined seven-year-old and her escape-artist goat. Event planner, Charlotte "Aster" Smith, has fled the only life she has ever known. The situation has left her questioning her own judgment as she cautiously tries to create a new life for herself on Bluestar Island. Taking the job of event coordinator for the small town is a step in the right direction. The only problem is it's currently a part-time position, but the mayor suggests with additional funding the position could transform into a full-time job. In the meantime, she needs a second job in order to stay financially afloat. Farmer and single father, Sam Bell, is struggling to keep his aging farm from going bankrupt while raising his young daughter. And now that his daughter's babysitter is heading off to college, he needs help. So when he finds Aster is in need of work, he thinks his problems are

solved. But things aren't always what they seem. And he can't help wondering what Aster is keeping from him. In the lingering rays of a Bluestar Island sunset, Sam and Aster find themselves dancing upon the sand. As they help each other heal, the possibility of a future together becomes tangible. But will the ghosts from their pasts extinguish this budding romance? Includes a delicious recipe for Aster's Amazing Apple Cobbler!

'It's time for women to start telling the world - and each other - why it's better to be single than sorry. Yes, it's great to have a boyfriend or a husband, and I'm not suggesting women give up the idea of happily ever after, but I don't believe in settling... The truth is, we know what we're looking for and we must never sell ourselves short.' Life can be fabulous on your own - the antidote to dating books! BETTER SINGLE THAN SORRY has a simple, refreshing and powerful message. It's far better to be single than to end up with someone who doesn't make you happy just because you want to be in a couple, feel pressured by society / your friends / your

mother, or you want to get married or have kids. She's all for compromising and being realistic, but she encourages women not to settle for the sake of it. Chapters include:

- * Being Single is Not a Curse
- * It Takes Guts to be On your Own
- * Don't Play Hard to Get - Be Hard to Get
- * 50 Reasons Why it's Great to be Single
- * But All My Friends are Married...
- * Stop Believing You Can't do Better
- * Throw Away the Picture of your Ideal Man
- * Don't Talk yourself into Liking a Guy
- * Basic Instinct - Trust Yours
- * What you Want Versus what you Need

Why Am I Single? Trafford Publishing

Love choices but hate choosing? Welcome to the club. The Choice Effect is for young women who have all the opportunities in the world and no idea how to decide among them. It's one thing to have lots of options when it comes to fulfilling careers or traveling the world—but what does it mean for our love lives? How can you know whether you're with the right person—or if the time is right—when you haven't vetted the other possibilities? With hard-won insight, plus interviews with a whole host of other women who are living it, the twentysomething friends and

authors of *The Choice Effect* explain why their generation is sidestepping traditional timelines. They look at the question of choice in the twenty-first century as they give voice to their generation's dilemma: How do you choose when you've been taught you can have it all?

"Single motherhood is a book you must read if you want to fully understand the world of a single mother. It's direct and very truthful. You will learn what the author and other single mothers have to overcome in life. Spencer takes readers from choices of single mothers to the system, which strives to break them. She depicts baby daddies who belittle and brain wash them and everything from dating to responsibility to self-doubt"--Jacket.

Better Single Than Sorry Univ of California Press

WHY AM I SINGLE is written for unmarried people, and for those who are in marriage, but emotionally single. This book helps you to find the source of your problem, ignite something in you, that will push you in to a solution. It also highlights reasons for singleness in many continents, namely Europe, America, Africa ETC. Do you know someone who is guilty of these issues discussed, if yes, give them, this book, they will be

convicted to change. The Author discussed issues that many people dare not discuss, and this fear has brought about this epidemic of singleness.

Avoiding the Fear Trap Bantam Press

A New York Times Bestseller The first definitive, unauthorized, behind-the-scenes cultural history of the Bachelor franchise, America's favorite guilty pleasure. For sixteen years and thirty-six seasons, the Bachelor franchise has been a mainstay in American TV viewers' lives. Since it premiered in 2002, the show's popularity and relevance have only grown—more than eight million viewers tuned in to see the conclusion of the most recent season of *The Bachelor*. Los Angeles Times journalist Amy Kaufman is a proud member of Bachelor Nation and has a long history with the franchise—ABC even banned her from attending show events after her coverage of the program got a little too real for its liking. She has interviewed dozens of producers, contestants, and celebrity fans to give readers never-before-told details of the show's inner workings: what it's like to be trapped in the mansion "bubble"; dark, juicy tales of producer manipulation; and revelations about the alcohol-fueled debauchery that occurs long before the Fantasy Suite. Kaufman also explores what our fascination means, culturally: what the show says about the way we view so-called ideal suitors; our subconscious yearning for fairy-tale romance; and how this enduring television show has shaped society's feelings about

love, marriage, and feminism by appealing to a marriage plot that's as old as the best of Jane Austen.

Single Sashimi Harlequin

Why had she rented her upstairs apartment to another doctor?

Single mom Jill Beck knew the type, especially one as handsome as Adam Stone. The M.D. would stick it out in Blackwater Lake, Montana...until the first snowstorm. And then he'd leave everyone behind. But this time she wasn't getting involved. Yes, he thought Jill was one fine-looking landlady, but Adam knew romancing the town sweetheart wouldn't win him any points. Still, they could be friends and he could be the male influence her young son needed—no romantic strings involved. Well, perhaps he needed to check his temperature and be certain he hadn't misdiagnosed true love as just a simple case of friendship!

Poultry Success Simon and Schuster

Single Women in Popular Culture demonstrates how single women continue to be figures of profound cultural anxiety. Examining a wide range of popular media forms, this is a timely, insightful and politically engaged book, exploring the ways in which postfeminism limits the representation of single women in popular culture.

Better Single Than Sorry Harper Collins

Single Motherhood Zondervan

In 2008, the iconic doomsday clock of the Bulletin of the Atomic Scientists was set at five minutes to midnight—two minutes closer to Armageddon than in 1962, when John F. Kennedy and Nikita Khrushchev went eyeball to eyeball over missiles in Cuba! We still live in an echo chamber of fear, after eight years in which the Bush administration and its harshest critics reinforced each other's worst fears about the Bomb. And yet, there have been no mushroom clouds or acts of nuclear terrorism since the Soviet Union dissolved, let alone since 9/11. Our worst fears still could be realized at any time, but Michael Krepon argues that the United States has never possessed more tools and capacity to reduce nuclear dangers than it does today - from containment and deterrence to diplomacy, military strength, and arms control. The bloated nuclear arsenals of the Cold War years have been greatly reduced, nuclear weapon testing has almost ended, and all but eight countries have pledged not to acquire the Bomb. Major powers have less use for the Bomb than at any time in the past. Thus, despite wars, crises, and Murphy's Law, the dark shadows cast by nuclear weapons can continue to recede. Krepon believes that positive trends can continue, even in the face of the twin threats of nuclear terrorism

and proliferation that have been exacerbated by the Bush administration's pursuit of a war of choice in Iraq based on false assumptions. Krepon advocates a "back to basics" approach to reducing nuclear dangers, reversing the Bush administration's denigration of diplomacy, deterrence, containment, and arms control. As he sees it, "The United States has stumbled before, but America has also made it through hard times and rebounded. With wisdom, persistence, and luck, another dark passage can be successfully navigated."

A Diamond for the Single Mom
University of Michigan Press

When the reader opens the book, the first impression may be: Oh, my God, that's a lot of reading here! But as soon as he/she enters the universe of the main character, Valerie, he/she forgets about the number of pages and becomes solidary with her. The vast majority of people have simple, monotonous lives, they are born, go to school, then to work, get married, have children, die. Without too many incidents. It's not Valerie's case. This woman's life story is amazing, making you ask yourself, WHY? Why do some people have a life full of unpleasant surprises, of misfortune we could say, all the way? Is it only given to chosen people to live hard lives? Their life is similar to the characters' in the fairy tales that go through many difficult moments, extreme moments sometimes, to finally get their well-deserved reward, and the conclusion good overcomes evil is justified. Really? In the book, the KARMA idea is repeatedly mentioned: what goes around, comes around. And yet there is a mystery... Why are we born in our families? Does the unborn child choose his parents and the way of life according to the mission his soul has in the world? The more we choose a harder way, the brighter our soul will be at a time when the final countdown is taking place? Really? Let's hope so! It sounds optimistic. This book seems to be especially addressed to women, but that's not right! Anyone can learn something from Valerie's story. As a conclusion, I could say that the message of the book is: a winner is a dreamer who never gives up no matter how bitter brew gets in life's cup!

A sequel to Anatomy of a Boyfriend finds 18-year-old pre-med student Dominique reeling from the experiences of a first love and breakup only to embark on a perception-changing new

relationship that compels her to let go of the past and explore her sexuality.

Better Safe Than Sorry Lazy

Dazy Press

Let's be honest. No woman really wants to be alone for the rest of her life. But does being alone mean you're doomed to be miserable forever?

Definitely not! And does being single have to equal lonely? No way! You can have the best time of your life when you're single, but you wouldn't know that from our relationship obsessed society, where celebrity magazines devote the majority of their content to who's dating whom and the wedding industry is a \$100-billion business. Yet more than a third of marriages end in divorce, and countless other couples languish in unions that shouldn't have happened in the first place. Don't become a statistic—love yourself and never settle! Jen Schefft knows that better than almost anyone. In 2003, she got engaged in front of millions of people on television's *The Bachelor*, only to see it end nine months later when the relationship just wasn't right anymore. A year later, she turned down an engagement on *The Bachelorette*, and the backlash was relentless. She was labeled a "spinster" by a celebrity magazine, and a noted national talk-show host remarked that she would be "a bachelorette for the rest of her life." This

is a terrible message to send to the millions of sensational single women out there, and in *Better Single Than Sorry* Schefft makes it her mission to let women know that it's better to be single than to be in a relationship that doesn't make you happy. With testimonials from women of all ages—single, married, in committed relationships, with children (even single moms) and without—this book tells you how to let go of your fear of being alone and how to love yourself and never settle for a relationship that is anything less than you deserve. Written in a conversational style, as if talking with your best friend, Schefft helps you navigate the pressures of a culture that places an unhealthy importance on being in a relationship and shows you how to find happiness in work, home, and the simple pleasures of everyday life. Above all, she shows you how it's far, far better to be single than sorry. Being single is a time to have fun, learn new things, grow, and blossom—not a time to feel desperate or depressed, so cherish it! *The Life of I* Manchester University Press

Fear. This one small word is responsible for destroying relationships, choking off success, and preventing any number of positive changes. Unfortunately, until the root cause of the fear is addressed, it will continue to control

decision-making processes and taint the way we see the world. Dr. Casalnnie Henry confronts this issue head-on in *Avoiding the Fear Trap*, a book that will teach you how to find relief from the fear that follows you throughout your day. Using brief but comprehensive descriptions of basic psychological concepts, *Avoiding the Fear Trap* covers all levels of relationships including individual, familial, and much bigger groups such as your place of employment (corporate) and national. Politicians and corporations alike have used fear to manipulate and control the public as a way to affect their decisions and behavior, but you can be free from that. Don't let fear immobilize you! Combining his Christian faith and years of experience, Dr. Henry has developed a healing technique called Spiritual Euphoric Therapy. It is a therapeutic process that teaches individuals and organizations how to overcome fear and delivers hope for the fearful using powerful Christian counseling principles. This new therapy will help you understand yourself better as well as why others behave the way they do. Learn the secret to *Avoiding the Fear Trap* and live a more productive life.
