On December 17, 1944, during the Battle of the Bulge, more than eighty unarmed United States soldiers were shot down after having surrendered to an SS unit near the small crossroads town of Malmédy, Belgium. Although more than thirty men lived to tell of the massacre, exactly what took place that day remains mired in controversy. Was it just a "battlefield incident" or rather a deliberate slaughter? Who gave the orders: infamous SS leader Jochen Peiper or someone else? Fatal Crossroads vividly reconstructs the critical events leading up to the atrocity—for the first time in all their revealing detail—as well as the aftermath. Danny S. NATIONAL BESTSELLER LONGLISTED FOR THE 2021 BOOKER PRIZE NAMED A BEST BOOK OF THE YEAR BY THE GLOBE AND MAIL, CBC BOOKS AND THE DAILY TELEGRAPH "I've been telling everyone I know about Mary Lawson . . . Each of her novels is just a marvel" –Anne Tyler New York Times bestselling author Mary Lawson, acclaimed for digging into the "wilderness of the human heart", is back after almost a decade with a fresh and timely novel that is different in subject but just as emotional and atmospheric as her beloved earlier work. *A Town Called Solace*, the brilliant and emotionally radiant new novel from Mary Lawson, her first in nearly a decade, opens on a family in crisis. Sixteen-year-old Rose is missing. Angry and rebellious, she had a row with her mother, stormed out of the

house and simply disappeared. Left behind is seven-year-old Clara, Rose's adoring little sister. Isolated by her parents' efforts to protect her from the truth, Clara is bewildered and distraught. Her sole comfort is Moses, the cat next door, whom she is looking after for his elderly owner, Mrs. Orchard, who went into hospital weeks ago and has still not returned. Enter Liam Kane, mid-thirties, newly divorced, newly unemployed, newly arrived in this small northern town, who moves into Mrs. Orchard's house—where, in Clara's view, he emphatically does not belong. Within a matter of hours he receives a visit from the police. It seems he is suspected of a crime. At the end of her life, Elizabeth Orchard is also thinking about a crime, one committed thirty years previously that had tragic consequences for two families, and in particular for one small child. She desperately wants to make amends before she dies. Told through three distinct, compelling points of view, the novel cuts back and forth among these unforgettable characters to uncover the layers of grief, remorse, and love that connect them. *A Town Called Solace* is a masterful, suspenseful,

---

darkly funny and deeply humane novel by one of our great storytellers.

With this book Kuntala Lahiri-Dutt and Gopa Samanta offer an intimate glimpse into the microcosmic world of "hybrid landscapes." Focusing on chars—the part-land, part-water, low-lying sandy masses that exist within the riverbeds in the floodplains of lower Bengal—the authors show how, both as real-life examples and as metaphors, chars straddle the conventional categories of land and water, and how people who live on them fluctuate between legitimacy and illegitimacy. The result, a study of human habitation in the nebulous space between land and water, charts a new way of thinking about land, people, and people's ways of life.
