"*Sisters in Arms* is heartwarming but fierce, a novel brimming with camaraderie and fire, starring women you'd love to make your friends. Prickly, musical Grace and bubbly, privileged Eliza may not make the most natural allies, but it's fight or die when they're thrown together in the Army's first class of female officers—and the first Black women allowed to serve

their country in World War II. . . . Kaia Alderson's debut is a triumph!"— Kate Quinn, New York Times bestselling author of *The Rose Code* Kaia Alderson's debut historical fiction novel reveals the untold, true story of the Six Triple Eight, the only all-Black battalion of the Women's Army Corps, who made the dangerous voyage to Europe to ensure American servicemen received word from their loved ones during World War II. Grace Steele and Eliza Jones may be from completely different backgrounds, but when it comes to the army, specifically the Women's Army Auxiliary Corps (WAAC), they are both starting from the same level. Not only will they be among the first class of female officers the army has even seen, they are also the first Black women allowed to serve. As these courageous women help to form the 6888th Central Postal Directory Battalion, they are dealing with more than just army bureaucracy—everyone is determined to see this experiment fail. For two northern women, learning to navigate their way through the segregated army may be tougher than boot camp. Grace and Eliza know that there is no room for error; they must be more perfect than everyone else. When they finally make it overseas, to England and then France, Grace and Eliza will at last be able to do their parts for the country they love, whatever the risk to themselves. Based on the true story of the 6888th Postal Battalion (the Six Triple Eight), *Sisters in Arms* explores the untold story of what life was like for the only all-Black, female U.S. battalion to be deployed overseas during World War II.

"Come and have breakfast." After three years together, it wasn't the first invitation Jesus gave to Peter, but in so many ways, it was the most life-changing. The night of The Last Supper brought memories of denial, regret, and brokenness burned in Peter's memory. But the pastel morning sky rising over the crashing waves, brought new mercies and an invitation to redemption. This would become *The First Breakfast*. Throughout their journey, Scripture shows us that the relationship between Jesus and Peter is also a picture of the Father's relationship with us. It's a portrait of the way that time in the presence of Jesus is the most transforming force the world has ever known. We see the way Jesus continues to pursue Peter, even in his brokenness. And our eyes are opened to the way that Jesus is transforming and restoring us too. So, if you ever feel weary, defeated, or broken, come and see the true heart of the Father again. Follow the journey of Jesus and Peter through calling, brokenness, and restoration. Join Eric and Kristin Hill on the winding journey through Scripture to *The First*

Breakfast, with stunning original photography by Hannah Elizabeth Taylor from beautiful locations across the Holy Land.

Transformation and restoration are waiting on the other side of the invitation from Jesus to "come and have breakfast."

And there's nothing like an old secret to bring the McAvoy women back together and stronger than ever.
