In 1933, the eighteen year old Patrick Leigh Fermor set out in a pair of hobnailed boots to chance and charm his way across Europe, like a tramp, a pilgrim or a wandering scholar. The books he later wrote about this walk, *A Time of Gifts*, *Between the Woods and the Water*, and the posthumous *The Broken Road* are a half-remembered, half-reimagined journey through cultures now extinct, landscapes irrevocably altered by the traumas of the twentieth century. Aged eighteen, Nick Hunt read *A Time of Gifts* and dreamed of following in Fermor's footsteps. In 2011 he began his own great trudge - on foot all the way to Istanbul. He walked across Europe through eight countries, following two major rivers and crossing three mountain ranges. Using Fermor's books as his only travel guide, he trekked some 2,500 miles through Holland, Germany, Austria, Slovakia, Hungary, Romania, Bulgaria and Turkey. His aim? To have an old-fashioned adventure. To slow down and linger in a world where we pass by so much, so fast. To discover for himself what remained of hospitality, kindness to strangers, freedom, wildness, adventure, the mysterious, the unknown, the deeper currents of myth and story that still flow beneath Europe's surface.

In the spirit of *The Known World* and *The Underground Railroad*, "a miraculous debut" (*Washington Post*) and "a towering achievement of imagination" (*CBS This Morning*) about the unlikely bond between two freedmen who are brothers and the Georgia farmer whose alliance will alter their lives, and his, forever. In the waning days of the Civil War, brothers Prentiss and Landry—freed by the Emancipation Proclamation—seek refuge on the homestead of George Walker and his wife, Isabelle. The Walkers, wracked by the loss of their only son to the war, hire the brothers to work their farm, hoping through an unexpected friendship to stanch their grief. Prentiss and Landry, meanwhile, plan to save money for the journey north and a chance to reunite with their mother, who was sold away when they were boys. Parallel to their story runs a forbidden romance between two Confederate soldiers. The young men, recently returned from the war to the town of Old Ox, hold their trysts in the woods. But when their secret is discovered, the resulting chaos, including a murder, unleashes convulsive repercussions on the entire community. In the aftermath of so much turmoil, it is Isabelle who emerges as an unlikely leader, proffering a healing vision for the land and for the newly free citizens of Old Ox. With candor

and sympathy, debut novelist Nathan Harris creates an unforgettable cast of characters, depicting Georgia in the violent crucible of Reconstruction. Equal parts beauty and terror, as gripping as it is moving, *The Sweetness of Water* is an epic whose grandeur locates humanity and love amid the most harrowing circumstances. Celebrate the thirtieth anniversary of the Newbery Honor – winning survival novel *Hatchet* with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. *Hatchet* has also been nominated as one of America's best-loved novels by PBS's *The Great American Read*. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

 When the California drought escalates to catastrophic proportions, one teen is forced to make life and death decisions for her family in this harrowing story of survival from New York Times bestselling author Neal Shusterman and Jarrod Shusterman. The drought—or the Tap-Out, as everyone calls it—has been going on for a while now. Everyone ’ s lives have become an endless list of don ’ ts: don ’ t water the lawn, don ’ t fill up your pool, don ’ t take long showers. Until the taps run dry. Suddenly, Alyssa ’ s quiet suburban street spirals into a warzone of desperation; neighbors and families turned against each other on the hunt for water. And when her parents don ’ t return and her life—and the life of her brother—is threatened, Alyssa has to make impossible choices if she ’ s going to survive.

A New York Times Book Review Notable Book of 2017 A Wall Street

Journal Best Book of 2017 From the great historian of the American Revolution, New York Times-bestselling and Pulitzer-winning Gordon Wood, comes a majestic dual biography of two of America's most enduringly fascinating figures, whose partnership helped birth a nation, and whose subsequent falling out did much to fix its course. Thomas Jefferson and John Adams could scarcely have come from more different worlds, or been more different in temperament. Jefferson, the optimist with enough faith in the innate goodness of his fellow man to be democracy's champion, was an aristocratic Southern slaveowner, while Adams, the overachiever from New England's rising middling classes, painfully aware he was no aristocrat, was a skeptic about popular rule and a defender of a more elitist view of government. They worked closely in the crucible of revolution, crafting the Declaration of Independence and leading, with Franklin, the diplomatic effort that brought France into the fight. But ultimately, their profound differences would lead to a fundamental crisis, in their friendship and in the nation writ large, as they became the figureheads of two entirely new forces, the first American political parties. It was a bitter breach, lasting through the presidential administrations of both men, and beyond. But late in life, something remarkable happened: these two men were nudged into reconciliation. What started as a grudging trickle of correspondence became a great flood, and a friendship was rekindled, over the course of hundreds of letters. In their final years they were the last surviving founding fathers and cherished their role in this mighty young republic as it approached the half century mark in 1826. At last, on the afternoon of July 4th, 50 years to the day after the signing of the Declaration, Adams let out a sigh and said, At least Jefferson still lives. He died soon thereafter. In fact, a few hours earlier on that same day, far to the south in his home in Monticello, Jefferson died as well. Arguably no relationship in this country's history carries as much freight as that of John Adams of Massachusetts and Thomas Jefferson of Virginia. Gordon Wood has more than done justice to these entwined lives and their meaning; he has written a magnificent new addition to America's collective story.

 Young Hiram Walker was born into bondage. When his mother was sold away, Hiram was robbed of all memory of her—but was gifted with a mysterious power. Years later, when Hiram almost drowns in a river, that same power saves his life. This brush with death births an urgency in Hiram and a daring scheme: to escape from the only home he ’ s ever known. So begins an unexpected journey that takes Hiram from the corrupt grandeur of Virginia ’ s proud plantations to desperate guerrilla cells in the wilderness, from the coffin of the Deep South to dangerously idealistic movements in the North. Even as he ’ s enlisted in the underground war between slavers and the enslaved, Hiram ’ s resolve to rescue the family he left behind endures. This is the dramatic story of an atrocity inflicted on generations of women, men, and children—the violent and capricious separation of families—and the war they waged to simply make lives with the people they loved. Written by one of today ’ s most exciting thinkers and writers, *The Water Dancer* is a propulsive, transcendent work that restores the humanity of those from whom everything was stolen. Praise for *The Water Dancer* “ Ta-Nehisi Coates is the most important essayist in a generation and a writer who changed the national political conversation about race with his 2015 memoir, *Between the World and Me*. So naturally his debut novel comes with slightly unrealistic expectations—and then proceeds to exceed them. *The Water Dancer* . . . is a work of both staggering imagination and rich historical significance. . . . What ’ s most powerful is the way Coates enlists his notions of the fantastic, as well as his fluid prose, to probe a wound that never seems to heal. . . . Timeless and instantly canon-worthy. ” —Rolling Stone

Wait, young Douglas ’ s grandfather says as the bobber twitches on the surface of Little Lake. Be patient. And so begins an encounter with the promise and wonder of nature that will last a lifetime. *Deep Woods, Wild Waters* traces the winding path that carried Douglas Wood from one wonder to the next, through a landscape of rocks, woods, and waters, with stops along the way for questions and reflections that link human nature to the larger mysteries of the natural world. Like life itself, the author ’ s way is not linear. One landmark leads back to a favorite campsite, another prompts him to consider the “ gospel of rocks, ” another launches him into the wilderness beyond the stars—a contemplation of time and space and humanity ’ s place in all of it. The creator of thirty-four books, including the classic *Old Turtle*, and an expert woodsman and wilderness canoe guide, Wood brings all his storytelling and bushwhacking skills to bear as he takes us hurtling down wild rapids, crossing stormy lakes, or simply navigating the treacherous currents and twisty trails of everyday life. A warm, generous, and knowing guide, Wood maps a journey that, as he says, “ anyone can take, through a landscape anyone can know. ” Turning the pages, hiking the portages, running the rapids, or scanning the wild country from high promontory, he invites us to say, in a soul-satisfying moment of recognition, “ I know that place. ”

The Broken Road Simon and Schuster

Emeline's quiet village has three important rules: Don't look at the shadows. Don't cross the river. And don't enter the forest. An illustrated fantasy filled with beauty and power, *Between the Water and the Woods* sweeps you into a world where forests are hungry; knights fight with whips; the king is dying; and a peasant girl's magic will decide the future of the realm . . . When Emeline's little brother breaks all three of their village's rules, she is forced to use her family's forbidden magic to rescue him from the dark things he awakens, the Ithin. Now that the Ithin are afoot in the land, she must, by law, travel to the royal court and warn the king. But the only way she and her family can make the journey to the capital is with the protection of a sour magister and a handsome, whip-wielding Lash Knight. Will Emeline survive in a city where conspiracies swirl like smoke and her magic is all but outlawed? Seven full-page black-and-white illustrations accompany *Between the Water and the Woods*, a lush, fairy-tale-style fantasy perfect for readers of

Karen Cushman and Shannon Hale.

From the founders of nonprofits Water.org & WaterEquity Gary White and Matt Damon, the incredible true story of two unlikely allies on a mission to end the global water crisis for good On any given morning, you might wake up and shower with water, make your coffee with water, flush your toilet with water—and think nothing of it. But around the world, more than three-quarters of a billion people can't do any of that—because they have no clean water source near their homes. And 1.7 billion don't have access to a toilet. This crisis affects a third of the people on the planet. It keeps kids out of school and women out of work. It traps people in extreme poverty. It spreads disease. It's also solvable. That conviction is what brought together movie actor Matt Damon and water expert and engineer Gary White. They spent years getting the answer wrong, then halfway right, then almost right. Over time, they and their organization, Water.org, have found an approach that works. Working with partners across East Africa, Latin America, South Asia, and Southeast Asia, they've helped over 40 million people access water and/or sanitation. In *The Worth of Water*, Gary and Matt take us along on the journey—telling stories as they uncover insights, try out new ideas, and travel between the communities they serve and the halls of power where decisions get made. With humor and humility, they illuminate the challenges of launching a brand-new model with extremely high stakes: better health and greater prosperity for people all over the world. *The Worth of Water* invites us to become a part of this effort—to match hope with resources, to empower families and communities, and to end the global water crisis for good. All the authors' proceeds from the sale of this book will be donated to Water.org.

God only knows what possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, *A Walk in the Woods* will add a whole new audience to the legions of Bill Bryson fans.

This beloved account about an intrepid young Englishman on the first leg of his walk from London to Constantinople is simply one of the best works of travel literature ever written. At the age of eighteen, Patrick Leigh Fermor set off from the heart of London on an epic journey—to walk to Constantinople. *A Time of Gifts* is the rich account of his adventures as far as Hungary, after which *Between the Woods and the Water* continues the story to the Iron Gates that divide the Carpathian and Balkan mountains. Acclaimed for its sweep and intelligence, Leigh Fermor's book explores a remarkable moment in time. Hitler has just come to power but war is still ahead, as he walks through a Europe soon to be forever changed—through the Lowlands

to Mitteleuropa, to Teutonic and Slav heartlands, through the baroque remains of the Holy Roman Empire; up the Rhine, and down to the Danube. At once a memoir of coming-of-age, an account of a journey, and a dazzling exposition of the English language, *A Time of Gifts* is also a portrait of a continent already showing ominous signs of the holocaust to come.

“Hawkins is at the forefront of a group of female authors . . . who have reinvigorated the literary suspense novel by tapping a rich vein of psychological menace and social unease... there's a certain solace to a dark escape, in the promise of submerged truths coming to light.” —Vogue A single mother turns up dead at the bottom of the river that runs through town. Earlier in the summer, a vulnerable teenage girl met the same fate. They are not the first women lost to these dark waters, but their deaths disturb the river and its history, dredging up secrets long submerged. Left behind is a lonely fifteen-year-old girl. Parentless and friendless, she now finds herself in the care of her mother's sister, a fearful stranger who has been dragged back to the place she deliberately ran from—a place to which she vowed she'd never return. With the same propulsive writing and acute understanding of human instincts that captivated millions of readers around the world in her explosive debut thriller, *The Girl on the Train*, Paula Hawkins delivers an urgent, twisting, deeply satisfying read that hinges on the deceptiveness of emotion and memory, as well as the devastating ways that the past can reach a long arm into the present. Beware a calm surface—you never know what lies beneath.

“*Through Woods on Water*” is a novel, an historic fiction: the life of Étienne Brûlé “as it might have been.” Set in the first decades of the 17th century, it is a coming of age story, a clash of cultures, a saga of exploration and adventure that rebounds between the enclosed corridors and courtyards of Paris, across the open, storm-tossed Atlantic, to the wilderness waterways of the vast Canadian forest. Savignon and Étienne, Wendat and French, are in their mid teens when they meet on the shores of the broad St Lawrence River, brought there by the chalk-faced shaman Ostemoy and the determined navigator Champlain. Inspired by the Wendat heroes Iouskeha and Tawiscaron, who gave shape and texture to the world of the Wendat, the two form an unlikely lifetime bond symbolized by the half turtle Oki or talisman that each wears about his neck. Their connection intensifies through decades of wandering, discovery, torture and adventure, until it concludes with a final confrontation by the Sweetwater Sea. Only then are the halves of the Turtle Oki fused once more.
