The 2021 edition of the leading collection of contemporary American poetry is guest edited by the former US Poet Laureate Tracy K. Smith, providing renewed proof that this is “a ‘best’ anthology that really lives up to its title” (Chicago Tribune). Since 1988, The Best American Poetry series has been “one of the mainstays of the poetry publication world” (Academy of American Poets). Each volume presents a choice of the year’s most memorable poems, with comments from the poets themselves lending insight into their work. The guest editor of The Best American Poetry 2021 is Tracy K. Smith, the former United States Poet Laureate, whose own poems are, Toi Derricotte’s words, “beautiful and serene” in their surfaces with an underlying “sense of an unknown vastness.” In The Best American Poetry 2021, Smith has selected a distinguished array of works both vast and beautiful by such important voices as Henri Cole, Billy Collins, Louise Erdrich, Nobel laureate Louise Glück, Terrance Hayes, and Kevin Young.

A masterpiece of Arabic love poetry in a new and complete English translation The Translator of Desires, a collection of sixty-one love poems, is the lyric masterwork of Muhyiddin Ibn ‘Arabi (1165 – 1240 CE), one of the most influential writers of classical Arabic and Islamic civilization. In this authoritative volume, Michael Sells presents the first complete English translation of this work in more than a century, complete with an introduction, commentary, and a new facing-page critical text of the original Arabic. While grounded in an expert command of the Arabic, this verse translation renders the poems into a natural, contemporary English that captures the stunning beauty and power of Ibn ‘Arabi’s poems in such lines as “A veiled gazelle’s / an amazing sight, / her henna hinting, / eyelids signalling // A pasture between / breastbone and spine / Marvel, a garden / among the flames!” The introduction puts the poems in the context of the Arabic love poetry tradition, Ibn ‘Arabi’s life and times, his mystical thought, and his “romance” with Ni‘m, the young woman whom he presents as the inspiration for the volume—a relationship that has long fascinated readers. Other features, following the main text, include detailed notes and commentaries on each poem, translations of Ibn ‘Arabi’s important prefaces to the poems, a discussion of the sources used for the Arabic text, and a glossary. Bringing The Translator of

Desires to life for contemporary English readers as never before, this promises to be the definitive volume of these fascinating and compelling poems for years to come.

In this rich, eye-opening, and uplifting digital anthology, dozens of esteemed writers, poets, and artists from more than thirty countries send literary dispatches from life during the pandemic. Net proceeds benefit booksellers in need. As our world is transformed by the coronavirus pandemic, writers offer a powerful antidote to the fearful confines of isolation: a window onto lives and corners of the world beyond our own. In Mauritius, a journalist contends with denialism and mourns the last days of summer, lost to the lockdown. In Paris, a writer struggles to protect his young son from fear. In Chile, protesters who prevailed against tear gas and rubber bullets are now halted by a virus. In Queens, after thirteen-hour shifts in the ER, a doctor dons running shoes and makes the long jog home. And We Came Outside and Saw the Stars Again takes its title from the last line of Dante’s Inferno, when the poet and his guide emerge from hell to once again behold the beauty of the heavens. In that spirit, the stories, essays, poems, and artwork in this collection—from beloved authors including Jhumpa Lahiri, Mario Vargas Llosa, Eavan Boland, Daniel Alarcón, Jon Lee Anderson, Claire Messud, Ariel Dorfman, and many more—detail the harrowing experiences of life in the pandemic, while pointing toward a less isolated future. Together, they comprise a profound global portrait of the defining moment of our time, and send a clarion call for solidarity across borders. Our literary culture depends on bookstores—and those irreplaceable sources of conversation and community, of inspiration and solace, have been decimated by the lockdown. Net proceeds from And We Came Outside and Saw the Stars Again will go to the Book Industry Charitable Foundation, which helps the passionate booksellers we readers depend upon.

Alli Warren’s I Love It Though looks hard at the material and affective world we’ve inherited, including the ordinariness of the sublime and the sublimity and transcendence of what’s most ordinary. This book makes meaning of our contemporary moment, both sharp and vulnerable, concrete and musical. These poems are committed to living in the present, delirious with outrage and hope for something better.

Leaving the Atocha Station Yale University Press Adam Gordon is a brilliant, if highly unreliable, young American poet on a prestigious fellowship in Madrid, struggling to establish his sense of self and his relationship to art. What is actual when our experiences are mediated by language, technology, medication, and the arts? Is poetry an essential art

form, or merely a screen for the reader's projections? Instead of following the dictates of his fellowship, Adam's "research" becomes a meditation on the possibility of the genuine in the arts and beyond: are his relationships with the people he meets in Spain as fraudulent as he fears his poems are? A witness to the 2004 Madrid train bombings and their aftermath, does he participate in historic events or merely watch them pass him by? In prose that veers between the comic and tragic, the self-contemptuous and the inspired, *Leaving the Atocha Station* is a portrait of the artist as a young man in an age of Google searches, pharmaceuticals, and spectacle. Born in Topeka, Kansas, in 1979, Ben Lerner is the author of three books of poetry *The Lichtenberg Figures*, *Angle of Yaw*, and *Mean Free Path*. He has been a finalist for the National Book Award and the Northern California Book Award, a Fulbright Scholar in Spain, and the recipient of a 2010-2011 Howard Foundation Fellowship. In 2011 he became the first American to win the Preis der Stadt Münster für Internationale Poesie. *Leaving the Atocha Station* is his first novel. Painstaking JHU Press

A New York Times Notable Book for 2011 One of The Economist's 2011 Books of the Year People speak different languages, and always have. The Ancient Greeks took no notice of anything unless it was said in Greek; the Romans made everyone speak Latin; and in India, people learned their neighbors' languages—as did many ordinary Europeans in times past (Christopher Columbus knew Italian, Portuguese, and Castilian Spanish as well as the classical languages). But today, we all use translation to cope with the diversity of languages. Without translation there would be no world news, not much of a reading list in any subject at college, no repair manuals for cars or planes; we wouldn't even be able to put together flat-pack furniture. *Is That a Fish in Your Ear?* ranges across the whole of human experience, from foreign films to philosophy, to show why translation is at the heart of what we do and who we are. Among many other things, David Bellos asks: What's the difference between translating unprepared natural speech and translating *Madame Bovary*? How do you translate a joke? What's the difference between a native tongue and a learned one? Can you translate between any pair of languages, or only between some? What really goes on when world leaders

speak at the UN? Can machines ever replace human translators, and if not, why? But the biggest question Bellos asks is this: How do we ever really know that we've understood what anybody else says—in our own language or in another? Surprising, witty, and written with great joie de vivre, this book is all about how we comprehend other people and shows us how, ultimately, translation is another name for the human condition.

Love in the New Millennium Farrar, Straus and Giroux Winner of the National Book Award for Poetry. "This is one of the great books of poetry of this young century." —Dan Chiasson, *The New Yorker* To read David Ferry's

Bewilderment is to be reminded that poetry of the highest order can be made by the subtlest of means. The passionate nature and originality of Ferry's prosodic daring works astonishing transformations that take your breath away. In poem after poem, his diction modulates beautifully between plainspoken high eloquence and colloquial vigor, making his distinctive speech one of the most interesting and ravishing achievements of the past half century. Most poets write inside a very narrow range of experience and feeling, whether in free or metered verse. But Ferry's use of meter tends to enhance the colloquial nature of his writing, while giving him access to an immense variety of feeling. Sometimes that feeling is so powerful it's like witnessing a volcanologist taking measurements in the midst of an eruption. Ferry's translations, meanwhile, are amazingly acclimated English poems. Once his voice takes hold of them they are as bred in the bone as all his other work. And the translations in this book are vitally related to the original poems around them. "These poems highlight an age-old quest for truth that leads the speaker to consider his present and past, and to translate works by Horace, Virgil, Catullus and others . . . vivid and sometimes heartbreaking." —*The Washington Post*

"Astonishing—a haunted book where ghosts prove that the haunted are still alive and allow for the continuing company of literature." —*Slate* "A necessary book . . . shocking and heartbreaking." —*The Rumpus*

To honor FSG's 75th anniversary, here is a unique anthology celebrating the riches and variety of its poetry list—past, present, and future Poetry has been at the heart of Farrar, Straus and Giroux's identity ever since Robert Giroux joined the fledgling company in the mid-1950s, soon bringing T. S. Eliot, John Berryman, Robert Lowell, and Elizabeth Bishop onto the list. These extraordinary poets and their successors have been essential in helping define FSG as a publishing house with a unique place in American letters. The FSG Poetry Anthology includes work by almost all of the more than one hundred twenty-five poets whom FSG has published in its seventy-five-year history. Giroux's first generation was augmented by a group of international figures (and Nobel laureates), including Pablo Neruda, Nelly Sachs, Derek Walcott, Seamus Heaney, and Joseph Brodsky. Over time the list expanded to include poets as diverse as Yehuda Amichai, John Ashbery, Frank Bidart, Louise Glück, Thom Gunn, Ted Hughes, Yusef Komunyakaa, Mina Loy, Marianne Moore, Paul

Muldoon, Les Murray, Grace Paley, Carl Phillips, Gjertrud Schnackenberg, James Schuyler, C. K. Williams, Charles Wright, James Wright, and Adam Zagajewski. Today, Henri Cole, Francine J. Harris, Ishion Hutchinson, Maureen N. McLane, Ange Mlinko, Valzhyna Mort, Rowan Ricardo Phillips, and Frederick Seidel are among the poets who are continuing FSG's tradition as a discoverer and promoter of the most vital and distinguished contemporary voices. This anthology is a wide-ranging showcase of some of the best poems published in America over the past three generations. It is also a sounding of poetry's present and future.

This text is a reflection on the meaning of spiritual darkness - especially those difficult places in human experience where meaning seems to elude us, where we are emptied out and are compelled to dig deeper into who we truly are. Douglas E. Christie takes up this facet of experience, in ordinary human experience, but also in relation to the Christian contemplative and mystical traditions, where such experience is often understood to be both painful and transformative, allowing the mind and heart to open in love.

A new, bilingual collection of poetry by a pioneering, multi-talented Chinese writer and photographer in a landmark English translation. "My poems are flecks of salt clinging ambivalently to a horse's back," Wang Yin writes. This is the first comprehensive collection of this important Chinese poet's work to appear in English, translated by Andrea Lingenfelter. Readers can follow the full arc of his career, from the early, surrealist, and Deep Image-influenced work of the 1980s, when he made his debut as a post-Misty poet, through the turn toward the rawer, more immediate poetry of the nineties, and on to the existential and ineffable weavings of his more recent work. Wang's sensibility is both cosmopolitan and lyrical, and his poetry has a subtlety and beauty that contrasts with the often physically painful imagery with which he depicts psychological reality, a reality expressed as various states of mind struggling against the suppression of memory. Shanghai winters, a winter in Katowice, a summer day with ghosts, blue shadows, petals in the darkness, an "empty lane lit up by moonlight"—the poems of this extraordinary volume illuminate the inner life as a singular encounter between physical and spiritual realms.

From the winner of the 2015 Man Booker International Prize The latest novel from "the contemporary Hungarian master of the apocalypse" (Susan Sontag) Seiobo—a Japanese goddess—has a peach tree in her garden that blossoms once every three thousand years: its fruit brings immortality. In Seiobo There Below, we see her returning again and again to mortal realms, searching for a glimpse of perfection. Beauty, in Krasznahorkai's new novel, reflects, however fleetingly, the sacred—even if we are mostly unable to bear it. Seiobo shows us an ancient Buddha being restored; Perugino managing his

workshop; a Japanese Noh actor rehearsing; a fanatic of Baroque music lecturing a handful of old villagers; tourists intruding into the rituals of Japan's most sacred shrine; a heron hunting.... Over these scenes and more—structured by the Fibonacci sequence—Seiobo hovers, watching it all. Fast Animal Cambridge University Press

Winner of the 2017 PEN Award for Poetry in Translation From the acclaimed translator of Sir Gawain and the Green Knight, a spellbinding new translation of this classic allegory of grief and consolation. One of our most ingenious interpreters of Middle English, Oxford Professor of Poetry Simon Armitage is celebrated for his "compulsively readable" translations (New York Times Book Review). A perfect complement to his historic translation of Sir Gawain and the Green Knight, Pearl reanimates another beloved Medieval English masterpiece thought to be by the same anonymous author and housed in the same original fourteenth-century manuscript. Honoring the rhythms and alliterative music of the original, Armitage's virtuosic translation describes a man mourning the loss of his Pearl—something that has "slipped away." What follows is a tense, fascinating, and tender dialogue weaving through the throes of grief toward divine redemption. Intricate and endlessly connected, Armitage's lyrical translation is a circular and perfected whole, much like the pearl itself.

Pearl: A New Verse Translation New Directions Publishing

The Latin poet Horace is, along with his friend Virgil, the most celebrated of the poets of the reign of the Emperor Augustus, and, with Virgil, the most influential. These marvelously constructed poems with their unswerving clarity of vision and their extraordinary range of tone and emotion have deeply affected the poetry of Shakespeare, Ben Jonson, Herbert, Dryden, Marvell, Pope, Samuel Johnson, Wordsworth, Frost, Larkin, Auden, and many others, in English and in other languages. David Ferry, the acclaimed poet and translator of Gilgamesh, has made an inspired translation of the complete Odes of Horace, one that conveys the wit, ardor and sublimity of the original with a music of all its own. Available as an ebook for the first time, this edition includes only the English language translation of the Odes. As Rosanna Warren noted about Ferry's work in *The Threepenny Review*, "We finally have an English Horace whose rhythmical subtlety and variety do justice to the Latin poet's own inventiveness, in which emotion rises from the motion of the verse . . . To sense the achievement, one has to read the collection as a whole . . . and they can take one's breath away even as they continue breathing."

The Shi King, the Old "Poetry Classic" of the Chinese Farrar, Straus and Giroux

A major new translation of one of Italy's greatest modern poets Giuseppe Ungaretti (1888-1970) was a pioneer of the Modernist movement in Italian poetry and is widely regarded as one of the leading Italian poets of the twentieth century. His verse is renowned and loved for its powerful insight and emotion, and its exquisite music. Yet, unlike many of his peers, Ungaretti has never been adequately presented to English readers. This large bilingual selection, translated with great sensitivity and fidelity by Andrew Frisardi, captures Ungaretti in all of his phases: from his early poems, written in the trenches of northern Italy during World War I, to the finely crafted erotic and religious poetry of his second period, to the visceral, elegiac poetry of the years following the death of his son and the occupation of Rome during World War II, to the love poems of the

poet's old age. Frisardi's in-depth introduction details the world in which Ungaretti's work took shape and exerted its influence. In addition to the poet's own annotations, an autobiographical afterword, "Ungaretti on Ungaretti," further illuminates the poet's life and art. Here is a compelling, rewarding, and comprehensive version of the work of one of the greatest modern European poets.

The best and most eloquent introduction to Dante for our time.

Prue Shaw is one of the world's foremost authorities on Dante.

Written with the general reader in mind, *Reading Dante* brings

her knowledge to bear in an accessible yet expert introduction

to his great poem. This is far more than an exegesis of

Dante's three-part *Commedia*. Shaw communicates the

imaginative power, the linguistic skill and the emotional

intensity of Dante's poetry—the qualities that make the

Commedia perhaps the greatest literary work of all time and

not simply a medieval treatise on morality and religion. The

book provides a graphic account of the complicated geography

of Dante's version of the afterlife and a sure guide to thirteenth-

century Florence and the people and places that influenced

him. At the same time it offers a literary experience that lifts

the reader into the universal realms of poetry and mythology,

creating links not only to the classical world of Virgil and Ovid

but also to modern art and poetry, the world of T. S. Eliot,

Seamus Heaney and many others. Dante's questions are our

questions: What is it to be a human being? How should we

judge human behavior? What matters in life and in death?

Reading Dante helps the reader to understand Dante's answers

to these timeless questions and to see how surprisingly close

they sometimes are to modern answers. *Reading Dante* is an

astonishingly lyrical work that will appeal to both those who've

never read the *Commedia* and those who have. It underscores

Dante's belief that poetry can change human lives.
