Mia risked everything to walk away from a gilded cage in Sector Two, but grasping at freedom was only her first trial. With no protection in the sectors, every day is a struggle to stay alive. Her best hope now is a job working for the most dangerous gang in Sector Four--the O ' Kanes. When a motorcycle accident leaves

---

Derek Ford riding a desk at the O'Kane compound, the last thing he needs is a sexy new assistant upending his office and his life. Especially someone like Mia, who greets his growls and commands with smiles and a fierce independence. The friction between them generates an undeniable heat, and Mia's stubborn refusal to let life beat her down stirs Ford's darkest protective instincts. He has the power to take care of her, protect her not only from discomfort but from threats of her past...but first he'd have to claim her. And Mia will never be kept again.

Second edition of Gloria Anzaldua's major work, with a new critical introduction by Chicano Studies scholar and new reflections by Anzaldua.

Ivan Greenwood Publishing Group

The explosive 7th book in the bestselling BEYOND series. The sectors will never be the same... Adrian Maddox fled his royal life—and tragic past—in Sector One, choosing instead to join up with the O ' Kanes. For years, he ' s lived by one rule: love fast, love hard, and always be willing to walk away. He ' s managed to guard his heart, keep it whole and untouched—until now. They couldn ' t be more different—Dylan, the brilliant, burned-out doctor from Eden who drowns his pain with drugs and self-destruction. Scarlet, the sensuous, sexy rocker from Three, a woman unafraid to embrace the world. And Jade, the whore turned spy from Sector Two, who battled addiction and came out stronger than anyone he ' s ever met. Separately, they make Mad long to open his heart, to tumble head-first into a sea of possibilities and wild love. Together, they make him burn, inside and out, with lust and unbearable, unimaginable pleasure. Then one fateful moment shakes their world to its foundations—and leaves the sectors on the verge of all-out war

---

with Eden. It ' s the biggest fight the O ' Kanes have ever faced, and Mad and his lovers are at the dead center of it. They could end up with everything they never knew they wanted—or lose it all. Including their lives.

**Ashwin (Gideon's Riders, Book #1)** Prentice Hall

All across the United States, individuals, families, communities, and health care systems are struggling to cope with substance use, misuse, and substance use disorders. Substance misuse and substance use disorders have devastating effects, disrupt the future plans of too many young people, and all too often, end lives prematurely and tragically. Substance misuse is a major public health challenge and a priority for our nation to address. The effects of substance use are cumulative and costly for our society, placing burdens on workplaces, the health care system, families, states, and communities. The Report

discusses opportunities to bring substance use disorder treatment and mainstream health care systems into alignment so that they can address a person's overall health, rather than a substance misuse or a physical health condition alone or in isolation. It also provides suggestions and recommendations for action that everyone—individuals, families, community leaders, law enforcement, health care professionals, policymakers, and researchers—can take to prevent substance misuse and reduce its consequences.

**Labor Conflict in a Leisure Economy, 1960–1985** MIT Press

This report is part of WHO's response to the 49th World Health Assembly held in 1996 which adopted a resolution declaring violence a major and growing

---

public health problem across the world. It is aimed largely at researchers and practitioners including health care workers, social workers, educators and law enforcement officials.

The O'Kanes have a reputation for working hard and playing harder—except for Hawk. He joined the gang with one goal: to ensure his family's survival through the impending war with

Eden. It's been years since he had the luxury of wanting anything for himself. Now, he wants Jeni. From the first moment he saw her, he's been obsessed with making her his. Not for a night—forever. Jeni's been lusting after the former smuggler for months, but he keeps shutting her down. She's almost given up on getting him in her bed when he offers her the last thing she ever expected—a collar. Accepting it means belonging to him, body and soul. It's a reckless gamble, but Jeni can't

---

resist the chance  
to slip under  
Hawk's armor. The  
only thing more  
shocking than the  
dark, dangerous  
pleasure they  
discover is how  
right it feels. But  
falling in love is  
even more reckless  
when forever is far  
from guaranteed.  
Because they aren't  
just at war,  
they're out of  
time—and every  
breath could be  
their last.

Tatiana Stone has  
worked hard to  
establish herself  
as one of Sector  
Four's most skilled  
crafters. All she  
wants is peace--but

the sins of her  
father haunt her.  
He ruled the sector  
as a petty tyrant  
before the O'Kane  
takeover, and  
plenty of people  
harbor bitter  
memories of his  
cruelty. Especially  
now that Tatiana's  
beloved baby sister  
has fallen in with  
a man who wants to  
start a revolution.  
Zan failed his boss  
once, and it won't  
happen again. So  
when Dallas O'Kane  
asks him to defuse  
the rebellion  
brewing in the  
sector, he'll do  
whatever it takes  
to get the job  
done--including  
seduce Tatiana.  
It's the perfect

---

opportunity to get closer to the pretty crafter and complete his mission. But what he discovers is a fiery, passionate woman--and an affair that could destroy them both.

Conceptualizing Environmental Citizenship for 21st Century Education NLA Digital LLC

THE REPUBLIC Plato's Republic is widely acknowledged as one of the most influential works in the history of philosophy. Presented in the form of a dialogue between Socrates and three different interlocutors, it is an inquiry into the notion of a perfect community and the ideal individual within it. During the

conversation, other questions are raised: what is goodness; what is reality; what is knowledge; what is the purpose of education? With remarkable lucidity and deft use of allegory, Plato arrives at a depiction of a state bound by harmony and ruled by 'philosopher kings'.

THE REPUBLIC The Republic is a philosophical dialogue about the nature of justice and the order and character of the just city-state and the just individual. The dialogues, among Socrates and various Athenians and foreigners, discuss the meaning of justice and examine whether or not the just man is happier than the unjust man, by proposing a society ruled by philosopher-kings and the

---

guardians. THE REPUBLIC is an exhaustive

The Devil You Know Kit Rocha

Brain, body, and world are united in a complex dance of circular causation and extended computational activity. In *Being There*, Andy Clark weaves these several threads into a pleasing whole and goes on to address foundational questions concerning the new tools and techniques needed to make sense of the emerging sciences of the embodied mind. Clark brings together ideas and techniques from

robotics, neuroscience, infant psychology, and artificial intelligence. He addresses a broad range of adaptive behaviors, from cockroach locomotion to the role of linguistic artifacts in higher-level thought.

**Vegas at Odds** JHU Press

This handbook offers a comprehensive review on career guidance, with an emphasis on the applied aspects of guidance together with research methods and perspectives. It features contributions from more than 30 leading authorities in the field from

---

Asia, Africa, America, Australasia and Europe and draws upon a wide range of career guidance paradigms and theoretical perspectives. This handbook covers such subjects as educational and vocational guidance in a social context, theoretical foundations, educational and vocational guidance in practice, specific target groups, testing and assessment, and evaluation.

*Facing Addiction in America* Human Rights Watch

This Open Access

book is about the development of a common understanding of environmental citizenship. It conceptualizes and frames environmental citizenship taking an educational perspective.

Organized in four complementary parts, the book first explains the political, economic and societal dimensions of the concept. Next, it examines environmental citizenship as a psychological concept with a specific focus on knowledge, values, beliefs and attitudes. It then explores environmental citizenship within the context of

---

environmental education and education for sustainability. It elaborates responsible environmental behaviour, youth activism and education for sustainability through the lens of environmental citizenship. Finally, it discusses the concept within the context of different educational levels, such as primary and secondary education in formal and non-formal settings. Environmental citizenship is a key factor in sustainability, green and cycle economy, and low-carbon society, and an important aspect in

addressing global environmental problems. It has been an influential concept in many different arenas such as economy, policy, philosophy, and organizational marketing. In the field of education, the concept could be better exploited and established, however. Education and, especially, environmental discourses in science education have a great deal to contribute to the adoption and promotion of environmental citizenship.

in *The Devil You Know*, the next installment of USA Today and New York Times bestselling author Kit Rocha's post-apocalyptic Action/Romance, with hints of Orphan Black and the Avengers. Maya has had a price on her head from the day she escaped the TechCorps. Genetically engineered for genius and trained for revolution, there's only one thing she can't do—forget. Gray has finally broken free of the Protectorate, but he can't escape the time bomb in his head. His body is rejecting his modifications, and his months are numbered. When Maya's team uncovers an operation trading in genetically enhanced children, she'll do anything to stop them. Even risk falling back into the hands of the

TechCorps. And Gray has found a purpose for his final days: keeping Maya safe. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The book offers a comprehensive treatment of core concepts, grounded in both classic studies and current and emerging research. The text also includes coverage of the DSM-5 in examinations of psychological disorders. Psychology incorporates discussions that reflect the diversity within the discipline, as well as the diversity of cultures and

communities across the globe. Beyond Forever (O'Kane for Life, #2) UNESCO Publishing Before they were the King and Queen... Six years before the Beyond series started, an ambitious bootlegger named Dallas O'Kane caught a very pretty thief named Lex with her hand in his safe. The rest is very sexy history. In Beyond Forever, follow Dallas and Lex through the turning points in their relationship, from the night he caught her trying to rob him, through his

---

rise to successful bootlegger, to legend, to Sector Leader--with Lex always there, willing to give him the push he needs. Beyond Forever is a prequel novella that jumps through time to tell the story of the biggest moments in the formation of the O'Kanes and their King and Queen. It will be far more enjoyable if you've already read Beyond Control, and contains spoilers for the entire Beyond series. Women, Livestock Ownership and Markets MIT Press  
According to the Centers for Disease

Control and Prevention (CDC), 115 Americans die each day from an opioid overdose, which averages one death every 12.5 minutes. Between 1999 and 2016, the number of drug overdoses catapulted by 300 percent, with injection drug use increasing by 93 percent between 2004 and 2014 and opioid-related hospital admissions increasing by 58 percent over the past decade. And an inexorable sequela of the opioid epidemic is the spread of infectious diseases. To address these infectious disease consequences of the opioid crisis, a public workshop titled Integrating Infectious Disease Considerations with Response to the Opioid Epidemic was convened on March 12 and 13, 2018, by the

---

National Academies of
