The exam for this course is a little different from other tests you may have taken in connection with your pilot training. Although it is a multiple-choice exam, the questions are structured as "mini-scenarios" that ...

Biennial Flight Review Explained: 5 Things You Should Expect

All pilots, whether they fly for pleasure, business, or as a career, must complete a flight review every 2 years (sometimes called a Biennial Flight Review or BFR). Guide to the Flight Review delivers valuable information in a question and answer format, providing an excellent study and preparation tool for students, pilots, and instructors alike.

Guide to Biennial Flight Review - MyPilotStore.com

(a) Except as provided in paragraphs (b) and (f) of this section, a flight review consists of a minimum of 1 hour of flight training and 1 hour of ground training. The review must include:

- (1) A review of the current general operating and flight rules of part 91 of this chapter; and
- (2) A review of those maneuvers and procedures that, at the discretion of the person giving the review, are ...

Coronavirus (COVID-19) Information from the FAA

The FAA no longer uses the term “Biennial Flight Review.” This term implied that pilots only needed currency training once every 24 calendar-months. The FAA encourages currency training as often as appropriate to a pilot’s individual needs. Consequently, the FAA now uses the term “Flight Review.” 1.7.2: GA Pilots.

Answer: Most of the statement is incorrect. Several pilots and flight instructors refer to the flight review as the bi-annual flight review. The term bi-annual means twice a year. Biennial means every two years, which is closer to the correct meaning. The FAA used to call the Flight Review a Biennial Flight Review, or BFR.
