Often quoted by Chuck Swindoll, Charles Stanley, Billy Graham and other great preachers, A. W. Tozer's words are being heard and read by millions today words like: "Origin is a creature word... All things have an origin. But when you come back to God, you come back to the One who has not origin. He is the Cause of all things, the uncaused Cause. God is Transcendent." "You'll never find Him on your own... He is far away in one sense, but in another He is as near as your heartbeat, for the cross has bridged the gulf." "If there is anything God could learn, it would mean that God didn't know it before. If he didn't know it before, then He didn't know everything, He wouldn't be perfect, and if He isn't perfect then He isn't God." The chapters of this book were originally preached as sermons at Avenue Road Church in Toronto, ON. Whether spoken or written, Tozer's words were designed to "promote personal heart religion" among

God's people.

The Haggai Project, a new look at reorienting the Christian back to Christ. A moment of reflection will help determine if this writing is for you. If you say yes to any of the following questions, congratulations, this book is for you. 1) Working hard to stop sinning and failing at it? 2) Working hard to do the will of God and getting nowhere? 3) Losing your desire to have that intimacy with Christ? 4) Sin no longer bothers you? 5) No longer a distinction between you and a non-believer? 6) Not knowing what He is even wanting you to do? Be honest with yourself and if any of these is a yes, you have come to the right place. For many Christians, their relationship with Jesus Christ has become mundane or religiously focused. This is unfortunate since Jesus Christ is neither mundane or religious, in His own words "I am" and that is exactly what we need to understand. The Haggai Project is written as a chapter by chapter book going over obstacles and challenges that face the Christian today. One of my great concerns with regard to this present outpouring is the increasing tendency to build upon "sand" rather than upon the rock of God's Word. How readily we grasp at loose grains of truth rather than the whole rock! As a teacher, I am concerned that we are producing a generation of believers hooked on experiences rather than exposition. We get more excited over some feelings than we do over God's Word. People flock to see some demonstration of God's power, but they run from any desire to know the person of God Himself. We now give more emphasis to praise than we do to prayer, and possessions have replaced passion and purity. Success is no longer measured by character, but by charisma. Gifting has replaced godliness. Put on a gospel concert, and you can fill most auditoriums. Call people to pray, and you can fit them into the smallest room of the church.

Can a struggling career woman and a procrastinating artist save a beloved nonprofit? Aspiring novelist Caroline Penn expected a promotion, not a picture book assignment. But when her employer, the nonprofit Helping Hope, runs into financial trouble, this book might be the solution.

Andy Jackson, a "starving" artist, pays the bills by taking on graphic design gigs, but his perfectionism gets in the way. If only he could focus on a project for once, perhaps he could achieve his dream to make art for children for a living. When the two are thrust together to create a book, Caroline can't seem to write for children, and Andy can't meet a deadline to save his life. As time ticks down to release day, the two must face their pasts and insecurities. If they can avoid strangling one another for long enough, they may just bring to the table what the other is missing. If not, the fate of their careers--and a beloved nonprofit--hangs in the balance.

"Dr. A. W. Tozer, without question, had an 'anointing' for this generation. As an articulate preacher and perspicuous writer, he assumed the role of a reverent forecaster. His so accurate description of unseemly religious and moral conditions and where they were leading the church are black facts that make one wonder about the 'religion' of the evangelical church of our day." -- Dr. L. L. King, from the foreword *The Price of Neglect*, a collection of editorials written while Dr. Tozer was the editor of *Alliance Life*, contains one of Tozer's most consistent messages: Do not neglect the spiritual life, for you cannot afford to. Tozer warns against rising secularism, which is characterized by a muting or outright compromise of biblical truths, carnal worship, and lifestyles practically identical with that of the world. With a prophetic voice in articulate writing, he pens chapters like: *The Price of Neglect* *Lyric Theology* *Personal Holiness Is a First Prayer Changes People--And Things* *The Value of a Good Home* *On Omitting the Third Stanza* Heed Tozer's warning in *The Price of Neglect*, and give your spiritual life the attention it demands.

*Haggai, Zechariah, Malachi* Thomas Nelson

The last three books of the Old Testament, Haggai, Zechariah and Malachi, have not always received the attention they deserve from the church. This is in some ways surprising, since the Gospel writers quote Zechariah 9-14 more often than any other biblical source in explaining Christ's sufferings and death. The application sections show how the person and work of Christ are anticipated in these prophets. One reason for the tendency to neglect these three books lies in the fact that they address a community who were living in a day of small things, with little glory and no great triumphs to show off to a watching world. In a day like ours, which puts such a premium on charismatic leaders whose ministries exude glory and success, they may be viewed as something of an embarrassment. But if, like the apostle Paul, we are content to be broken vessels without glory in ourselves so that the glory of Christ crucified may be all the more plainly displayed, then we shall find much blessing in these books. In them, we shall read of the comfort and challenge that come from the presence of the living God in our midst, even when his glory is not on public display. In them, we shall also read of the anticipation of the day when the glory of God would come to earth in the person of Christ and bring about the long-promised salvation of his people.

Observe...Interpet...Apply People with Bibles don't always know how to use them. They're good at absorbing and repeating material from sermons, commentaries, and blogs, but they miss the fullness and joy that comes from studying the Bible for themselves. The power to change the world is available, but it goes untapped. Though study aids are helpful, imagine if your primary ministry curriculum was Scripture itself. You could study the Bible, teach people how to study it themselves, and expect those folks to lead their own Bible studies with their neighbors, coworkers, and friends. Each year, you'd see an increasing number of men and women wield the sword of the Spirit, piercing hearts and drawing the lost to Jesus. Ordinary people can learn to study the Bible. These people may not have been to seminary. They don't have much free time. But they love Jesus and want to be more like him. They want to know him. Knowable Word offers a foundation on why and how to study the Bible. Using a running study of the first chapter of Genesis, it illustrates how to observe,

interpret, and apply the Scripture-and gives the vision behind each step. It also shows how to read each Bible passage in light of salvation history. But besides being just a how-to on Bible study, it fuels the desire to learn and grow through studying the Scriptures. This book will appeal to three kinds of people: 1. Beginners who love God and his Word 2.Mature Christians who want to improve their Bible study skills 3.Leaders who long not only to teach but also to equip Knowable Word offers what each group needs: a sensible Bible study method. By learning to observe, interpret, and apply, ordinary people will grow extraordinarily close to Jesus Christ as they learn to study his knowable Word.
