*Questions God Asks Us* Baker Books

Icebreakers are common in many small groups. At the beginning of your discussion, the leader may ask an icebreaker question like, "How was your week? Does anybody have anything to share with the group?" Or, perhaps the leader has a

specific icebreaker question like: "Who was your favorite childhood friend?" or "What is the best trip you have ever taken?" Typically, the icebreaker question sets the tone for the group's discussion time. The remainder of the group time is typically devoted to Bible study and prayer. A true icebreaker question is an open-ended question that is used at the beginning of the group's discussion time. Good icebreaker questions are open-ended, meaning

they don't have a right or wrong answer. In addition, the person answering the question will be the expert when it comes to the topic of the icebreaker question. In other words-anyone can answer the icebreaker question with confidence. This book consists of Bible lessons with 20 or so ready-to-use questions that get groups talking. These questions make small group Bible study a joy. If you can read 20 questions, you can lead a Bible Study. Answers are

provided in the form of quotes from respected authors. These lessons will save you time as well as provide deep insights from some of the great writers and thinkers from today and generations past. I also include quotes from the same commentaries that your pastor uses in sermon preparation.

Ultimately, the goal is to create conversations that change lives

Bible Study Questions on Job

Canongate U.S.

Instead of always looking for

answers in the Bible, Trevor Hudson suggests that we start thinking more carefully about the questions that God asks. God desires a conversational relationship with us, and He shows this desire by asking questions. God also gives greater dignity to us by allowing us to wrestle with the questions rather than if we are simply given answers. Questions God Asks Us presents ten questions – five from the Old and five from the New Testament – which God had asked and

---

is still asking us as well. They include: Where Are You? Where Is Your Brother? What Are You Doing Here? Who Do You Say I Am? Do You Want to Get Well? Why Are You Crying? There is a much greater power to transform us in a question than there is in a straightforward answer – each chapter includes a section with practical suggestions to answer God’s question and discover this for yourself. It also includes discussion questions for study groups. Questions

God Asks Us is bound in a handy gift format with beautiful full-colour images printed on gloss art paper.

David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.
