The Armor of God Scripture Workbook

This book contains twenty-two individual 'Scripture Studies.' Each study focuses on one general area of study. These studies enable individuals to do in-depth, topical studies of the Bible. They are also invaluable to the Bible study teacher preparing lessons for Sunday School or a home Bible study. They can be used for group studies as well. The range of topics covered in the different studies is broad, from what the Bible teaches about itself to what the Bible teaches about divorce and remarriage. Included in each study are hundreds of Scripture references so there will be no lack of material from which to begin your studies. So if you're an individual looking for an aid to improve for your own personal Bible studies or a Bible study teacher or home group leader looking for help in preparing lessons, this book will be of great benefit. The sources for the viewpoints promoted in these Scripture Studies are wide and varied. The ideas are taken from commentaries, study Bibles, theology books,

books of various kinds, and most importantly, this writer's own personal study of the Scriptures. The sources for the opposing views presented are publications of groups that promote the ideas and personal conversations this writer has had with members of such groups and adherents to the views. Every effort has been made to ensure the accuracy of the Scripture references in these studies. But with the thousands of references presented, it is likely that a few 'typos' have crept in. If the reader comes across a reference that does not make 'sense' in the context presented, just go onto the next one. There are always plenty of verses listed for each point. It is my hope and prayer that God uses these Scripture Studies to help the reader to: '... grow in the

grace and knowledge of our Lord and Savior Jesus Christ. To Him be the glory both now and forever. Amen' (2 Peter 3:18). Bible Study Guide for Beginners

Learn from the fierce women of God who changed the world. The word fierce is trendy. It is used to describe women who are extreme athletes, high-level executives, or supermodels. Women at the top of their game. But what about the rest of us? Can we be fierce? Absolutely! Woman at the Well, who boldly repented and shared her faith Lois and Eunice, who parented with intentionality and effectiveness Dorcas, who showed kindness to those in need. BIBLICAL STUDIES - When a Bible Student or Seminarian begins to lay the basic foundations of the Old and New Testament, one of the first assignments is to provide a book-by-book summary of each biblical book. This is a basic exercise, but like every good foundation, it's one that can't be skipped. An understanding of the larger contexts and contents of each biblical book not only aids in understanding of individual

passages, but also reinforces our understanding of all of Scripture.

PERSONAL NOTES - This workbook is designed for you to work through each of the books of the Bible and produce your own personal book summaries. You have the chance to reflect on authorship, theological themes, as well as provide a basic outline of each book of the Bible. As you work through the Bible, you'll be able to trace similar theological themes and whole Bible connections.

SIMPLE WORKBOOK - What you'll find within this book is a simple template that will allow you to work through each of the book of the Bible in a way that deepens your understanding. Also, as you fill up this book you will grow in your understanding of each book of the Bible, and the larger message of the Bible as a whole.

Imagine waking up every single day convinced that the twenty-four hours ahead of you are a precious gift to be used wisely. Now imagine that you know exactly how to spend them to be a force for God ' s good. All too often we wander through life without appreciating the gift of every moment we ' ve been given. The result? An unsatisfying life, missed opportunities to experience the joy of being in sync with God, and days marked with

apathy instead of passion. Our time on earth is measured. We should want to make every moment count—not only because we aren ' t guaranteed the next one, but also because this is exactly how our Savior spent His time here. How, then, do we walk out unwavering joy-filled faith every day, determined to let go of the things that keep us from experiencing abundant life and fulfilling the plans God has for us? The answers are found in following the footsteps of the One who lived fully, because He was determined that we might do the same. In this six-week study of Luke, we will follow the life and ministry of Jesus as we consider the choices He made on His way to the cross. We ' ll intimately connect with a

Savior who remained laser-focused on His mission to love the world. In return, we ' ll receive a model for intentional living that we can replicate to ensure we are living each day to the fullest and making a difference for God ' s kingdom. And together we ' ll determine to embrace the abundant life we are promised in Jesus. It ' s time to stop wandering and start living!
