Fierce - Women's Bible Study Participant Workbook David C Cook
She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's

passing away.

Minor Prophets 1 Scripture Workbook This book contains twenty-two individual 'Scripture Studies.' Each study focuses on one general area of study. These studies enable individuals to do in-depth, topical studies of the Bible. They are also invaluable to the Bible study teacher preparing lessons for Sunday School or a home Bible study. They can be used for group studies as well. The range of topics covered in the different studies is broad, from what the Bible teaches about itself to what the Bible teaches about divorce and remarriage. Included in each study are hundreds of Scripture references so there will be no lack of material from which to begin your studies. So if you're an individual looking for an aid to improve for your own personal Bible studies or a Bible study teacher or home group leader looking for help in preparing lessons, this book will be of great benefit. The sources for the viewpoints promoted in these Scripture Studies are wide and varied. The ideas are taken from commentaries, study Bibles, theology books, books of various kinds, and most importantly, this writer's own personal study of the Scriptures. The sources for the opposing views presented are publications of groups that promote the ideas and personal conversations this writer has had with members of such groups and adherents to the views. Every effort has been made to ensure the accuracy of the Scripture references in these studies. But with the thousands of references presented, it is likely that a few 'typos' have crept in. If the reader comes across a reference that does not make 'sense' in the context presented, just go onto the next one. There are always plenty of verses listed for each point. It is my hope and prayer that God uses these Scripture Studies to help the reader to: '... grow in the grace and knowledge of our Lord and Savior Jesus Christ. To Him be the glory both now and forever. Amen' (2 Peter

3:18). Bible Study Guide for Beginners This workbook is designed to lead you on a journey through God's Word as events occurred in time. Your trip begins at God's creation of the world and ends with His revelation to John. Links to photos and maps are provided to help you navigate your trip with God as He creates the world and establishes His relationship with mankind. Experience the ups and downs of His relationship with the Israelite nation culminating in her division, fall and exile. See how God restores Israel and extends His covenant to all people through the birth, death and resurrection of His Son, Jesus. Learn how early Christians and Christ's apostles were persecuted, but still successfully spread the gospel message. Travel with Paul on his missionary journeys and study his letters to churches and individuals exhorting and encouraging them to keep the faith. Share in the messages of other letters written by James, Jude, Peter, the Hebrew writer and John. Finish your journey with God's revelation about Christ's return and discover what will happen when time comes to an end. From creation to Christ's second coming, this study will allow God to reveal His Word to your open heart and mind in a way like no other. *The Bible Study Teacher's Guide* Moody Pub Among Christian devotional works, My Utmost for His Highest stands head and shoulders above the rest, with more than 13 million copies sold. But most readers have no idea that Oswald Chambers's most famous work was not published until ten years after his death. The remarkable person behind its compilation and publication was his wife, Bidy. And her story of living her utmost for God's highest is one without parallel. Bestselling novelist Michelle Ule brings Bidy's story to life as she traces her upbringing in Victorian England to her experiences in a WWI YMCA camp in Egypt. Readers

will marvel at this young woman's strength as she returns to post-war Britain a destitute widow with a toddler in tow. Refusing personal payment, Bidy proceeds to publish not just My Utmost for His Highest, but also 29 other books with her husband's name on the covers. All the while she raises a child alone, provides hospitality to a never-ending stream of visitors and missionaries, and nearly loses everything in the London Blitz during WWII. The inspiring story of a devoted woman ahead of her times will quickly become a favorite of those who love true stories of overcoming incredible odds, making a life out of nothing, and serving God's kingdom.

Learn from the fierce women of God who changed the world. The word fierce is trendy. It is used to describe women who are extreme athletes, high-level executives, or supermodels. Women at the top of their game. But what about the rest of us? Can we be fierce? Absolutely! In fact, women like us have been changing the world for thousands of years--many who received little fanfare yet lived fiercely anyway. In this six-week study we will look at lesser-known female characters in the Bible and the ways they changed the world by living into God's calling, including: The midwives of Egypt (Shiphrah and Puah), who made hard decisions in the face of evil Deborah, who was an unlikely and powerful leader Naaman's slave girl, who bravely points others to God's healing power The Woman at the Well, who boldly repented and shared her faith Lois and Eunice, who parented with intentionality and effectiveness Dorcas, who showed kindness to those in need. As we explore their lives, we will discover how we too can live into our callings, honor the Lord, and even change the world through our courage, faithfulness, and obedience. Bible Study Features: A six-week study of lesser-known female characters in the Bible. Helps women consider how they can be fierce women of God. Workbook includes five devotional lessons for every week of study. Each DVD segment features an opening "fierce" vignette followed by engaging Bible teaching with practical life application. GROUP PARTICIPANT WORKBOOK - Imagine waking up every single day convinced that the twenty-four hours ahead of you are a precious gift to be used wisely. Now imagine that

you know exactly how to spend them to be a force for God's good. All too often we wander through life without appreciating the gift of every moment we've been given. The result? An unsatisfying life, missed opportunities to experience the joy of being in sync with God, and days marked with apathy instead of passion. Our time on earth is measured. We should want to make every moment count--not only because we aren't guaranteed the next one, but also because this is exactly how our Savior spent His time here. How, then, do we walk out unwavering joy-filled faith every day, determined to let go of the things that keep us from experiencing abundant life and fulfilling the plans God has for us? The answers are found in following the footsteps of the One who lived fully, because He was determined that we might do the same. In this six-week study of Luke, we will follow the life and ministry of Jesus as we consider the choices He made on His way to the cross. We'll intimately connect with a Savior who remained laser-focused on His mission to love the world. In return, we'll receive a model for intentional living that we can replicate to ensure we are living each day to the fullest and making a difference for God's kingdom. And together we'll determine to embrace the abundant life we are promised in Jesus. It's time to stop wandering and start living!
