The Peacemaker Lewis & Roth Pub

Among evangelical Christians, there are widely diverse views on the roles of deacons. What does Scripture actually teach about deacons and their role in the church? Views range from deacons being the board of directors, to the church building maintenance crew. In writing this completely new book Strauch states that his purpose is "to encourage my deacon friends and fellow church leaders to think more critically about what they are saying, what they are doing, and what the Scripture actually teaches about deacons." Whatever your view of deacons may be, this study will help you examine in detail the biblical facts on deacons, allowing those facts to guide your thinking. This book offers the opportunity to build broader agreement among our Bible-believing churches as to what deacons do. This is not simply a revision of Strauch's popular book, "The New Testament Deacon: Minister of Mercy." It is a completely new study with a fresh perspective.

Elders in the Life of the Church Crossway

Social historian and pastor Joe Hellerman addresses issues of power and authority in the church—in the New Testament and in the church today—in a fresh, culturally nuanced way. The local church, Hellerman maintains, should be led and taught by a community of leaders who relate to one another first as brothers and sisters in Christ, and who function only secondarily—and only within the parameters of that primary relational context—as vision-casting, decision-making leaders for the broader church family. Unique among contemporary treatments of servant leadership, Hellerman interprets the biblical materials against the background of ancient Roman cultural values, in order to demonstrate a social context for ministry that will provide healthy checks and balances on the use of pastoral power and authority in our congregations.

The Care of Souls Kregel Ministry

Of all the demons, monsters, fiends, and ogres to preoccupy the western imagination in literature, art, and film, no figure has been more feared—or misunderstood—than Satan. But how accurate are the popular images of Satan? How—and why—did this rather minor biblical character morph into the very embodiment of evil? T.J. Wray and Gregory Mobley guide readers on a journey to retrace Satan's biblical roots. Engaging and informative, *The Birth of Satan* is a must read for anyone who has ever wondered about the origins of the Devil.

Women in the Church Lewis & Roth Publishers

This book explores the concepts from Scripture for Servant leadership and compare these findings with contemporary models of servant leadership. It is an examination of Christian leadership for the contemporary world in its global and increasing secular context. Leadership studies typically view leadership externally from the results. This is a good beginning but leadership needs to also view the inside of leadership in the person of the leader. Scripture is uniquely qualified in this area since its first concern is the person who leads not just in leadership behaviors. The author uses examples from both the Old and New Testament to establish a new shepherd model of leadership that moves beyond the servant mode to the mode of caring direction. This model will provide scholars and researchers as well as leaders themselves with a way of leading that overcomes negative forms of leadership which lead to failure.

Biblical Eldership P & R Publishing

A guide for church leaders and teachers to assist with relational skills, diminish senseless conflict, build a healthier church, and promote evangelism.

Church Elders Zondervan

In this concise book, one of America's most influential pastors puts forth a model of church leadership that is both biblically sound and practically effective. Part of the Re:Lit A Book You'll Actually Read series.

Woke Church InterVarsity Press

Effective leadership is important. Nowhere is this more true than in the church. Jeramie Rinne offers readers a concise overview of the Bible's teaching on spiritual leadership, setting forth an easy-to-understand "job description" for elders that is focused on enabling pastors and church leaders to effectively shepherd their congregations. Giving practical guidance to new elders and helping church members better understand and

support their spiritual leaders, this conversational book emphasizes purposeful ministry rather than project management. It will also bolster leaders' confidence by encouraging them to embrace their pastoral calling with grace, wisdom, and a clarity of vision.

The 15 Descriptions of Love Lewis & Roth Pub

"Between the Christianity of this land, and the Christianity of Christ, I recognize the widest possible difference." –Frederick Douglass, 1845 The prophets of old were not easy to listen to because they did not flatter. They did not cajole. They spoke hard words that often chafed and unsettled their listeners. Like the Old Testament prophets, and more recent prophetic voices like Frederick Douglass, Dr. Eric Mason calls the evangelical church to a much-needed reckoning. In a time when many feel confused, complacent, or even angry, he challenges the church to: Be Aware – to understand that the issue of justice is not a black issue, it's a kingdom issue. To learn how the history of racism in America and in the church has tainted our witness to a watching world. Be Redemptive – to grieve and lament what we have lost and to regain our prophetic voice, calling the church to remember our gospel imperative to promote justice and mercy. Be Active – to move beyond polite, safe conversations about reconciliation and begin to set things aright for our soon-coming King, who will be looking for a WOKE CHURCH.

The Mentor's Guide to Biblical Eldership Lewis & Roth Pub

Discover the keys, strategies and principles for successful and effective pastoral work Invaluable tips for training laity to perform priestly functions Understanding that the presence and power of God is the key to doing great works for God Concise instructions on how to receive an anointing Helpful hints on how to make advancements in Ministry Insightful instructions for the personal development of a pastor One night while studying in a remote town of Ghana, God miraculously anointed Dag Heward-Mills as he waited upon the Lord. Dag Heward-Mills lives in Accra, Ghana with his wife Adelaide and their four children: David, Joshua, Daniella and Paula.

Biblical Eldership Study Guide Kregel Academic

This book defends, in easy-to-understand terms, the Biblical viewpoint of the gender issue with the Biblical evidence that Jesus Christ and the apostles taught that men and women are created equal, yet have been given different roles to fulfill in the family and in the church.

The New Testament Deacon Le vie della Cristianità

Arranged in a Q & A format, this volume tackles the major questions that pastors, church leaders, and students ask about congregational church government, a topic of much interest in the church today. It provides readers with a clear analysis of key biblical passages, succinct answers (4-8 pages each), and discussion questions. The unique format of the book allows the reader to pick and choose what issues are most pertinent to their interests and needs.

On Church Leadership Harper Collins

James M. Houston and Michael Parker believe now is the time for the church to offer ministry to its increasing numbers of seniors and to benefit from ministry they can offer. They issue an urgent call to reconceive the place and part of the elderly in the local congregation, showing that seniors aren't the problem—they are the solution.

The Plurality Principle Christian Focus

After his martyrdom at the hands of the Gestapo in 1945, Dietrich Bonhoeffer continued his witness in the hearts of Christians around the world. His Letters and Papers from Prison became a prized testimony to Christian faith and courage, read by thousands. Now in *Life Together* we have Pastor Bonhoeffer's experience of Christian community. This story of a unique fellowship in an underground seminary during the Nazi years reads like one of Paul's letters. It gives practical advice on how life together in Christ can be sustained in families and groups. The role of personal prayer, worship in

common, everyday work, and Christian service is treated in simple, almost biblical, words. *Life Together* is bread for all who are hungry for the real life of Christian fellowship.

Paul's Vision for the Deacons InterVarsity Press

"Some may object to my dogmatic assertions; but I do not apologize for them. Every preacher should believe strongly in his own method; and if I cannot persuade all of the rightness of mine, I can at least stimulate them to think and to consider other possibilities. I can say quite honestly that I would not cross the road to listen to myself preaching, and the preachers whom I have enjoyed most have been very different indeed in their method and style. But my business is not to describe them but to state what I believe to be right, however imperfectly I have put my own precepts into practice. I can only hope that the result will be of some help, and especially to young preachers called to this greatest of all tasks, and especially in these sad and evil times. With many others I pray that 'The Lord of the harvest may thrust forth' many mighty preachers to proclaim 'the unsearchable riches of Christ!'"

Life Together Lewis & Roth Pub

Newton and Schmucker convincingly demonstrate that a return to the New Testament pattern of elder plurality best serves the shepherding needs of the local church. The authors suggest a workable process for improving a local church's leadership structure and making the transition to elder plurality. Stories of church leaders provide a narrative of how faithful elder leadership has strengthened their ministries in a variety of settings. Every local church can benefit from this useful resource for building a healthy leadership structure.

Preaching and Preachers Zondervan

A six-lesson study supplement causes the reader to think more biblically about the deacons, with practical ideas for the work, and for encouragement. This is a matter truly dear to the heart of God.

Biblical Eldership, an Urgent Call to Restore Church Leadership Xulon Press

Robert Culver wrote Systematic Theology with the goal of creating a treasure trove for the student of the Bible. No previous knowledge of theology demanded, this volume is written in an essentially readable way and is the perfect core to the library of anyone who loves to learn. Subjects include: the doctrine of God, the doctrine of man as created, the doctrine of man as fallen, the doctrine of salvation, the doctrine of last things, and the doctrine of Christ.
