## Twelve Steps of Adult Children Big Workbook

An accessible basic text written in today ' s language for anyone guided by the Twelve Steps in their recovery from addiction to alcohol and other drugs. For decades people from all over the world have found freedom from addiction--be it to alcohol, other drugs, gambling, or overeating--using the Twelve-Step recovery program first set forth in the seminal book Alcoholics Anonymous. Although the core principles and practices of this invaluable guide hold strong today, addiction science and societal norms have changed dramatically

since it was first published in 1939. Recovery Now combines the most current research with the timeless wisdom of Alcoholics Anonymous, Narcotics Anonymous, and other established Twelve-Step program guides to offer an accessible basic text written in today ' s language for anyone recovering from addiction to alcohol and other drugs. Marvin D. Seppala, MD, offers a “ doctor ' s opinion ” in the foreword to Recovery Now, outlining the medical advances in addiction treatment, and updating the Big Book ' s concept of addiction as an allergy to reveal how it is actually a brain disease. Regardless of gender, sexual

---

orientation, culture, age, or religious beliefs, this book can serve either as your guide for recovery, or as a companion and portal to the textbook of your chosen Twelve-Step Program.

The Big Workbook for Submissives  
provides a large number of essays,  
journaling exercises, research  
assignments, and play assignments to help  
explore your submissive side. This book  
is great both for the person new to

submission and for the person who has  
been practicing for some time and wants  
to deepen their submission. It is written  
for all genders and sexual orientations and  
accommodates both monogamous couple  
and poly relationships. The workbook is  
based on the class "Deepening Your  
Submission" taught by the author around  
the United States. This book takes you on  
a journey exploring your idealized version  
of submission to your practice and helps  
identify what you desire and need in your  
submission. This workbook may be used  
alone or with a partner.

Big Book of Math Practice Problems  
Fractions and Decimals Highlights Press  
The definitive reference book with real-world solutions you won't find anywhere else The Big Book of Dashboards presents a comprehensive reference for those tasked with building or overseeing the development of business dashboards. Comprising dozens of examples that address different industries and departments (healthcare, transportation, finance, human resources, marketing, customer service, sports, etc.) and different platforms (print, desktop, tablet, smartphone, and conference room display) The Big Book of Dashboards is the only book that matches great dashboards with real-world business scenarios. By organizing the book based on these scenarios and offering practical

and effective visualization examples, The Big Book of Dashboards will be the trusted resource that you open when you need to build an effective business dashboard. In addition to the scenarios there's an entire section of the book that is devoted to addressing many practical and psychological factors you will encounter in your work. It's great to have theory and evidenced-based research at your disposal, but what will you do when somebody asks you to make your dashboard 'cooler' by adding packed bubbles and donut charts? The expert authors have a combined 30-plus years of hands-on experience helping people in hundreds of organizations build effective visualizations. They have fought many 'best practices' battles and having endured bring an uncommon empathy to help you, the reader of this book, survive and thrive

---

in the data visualization world. A well-designed dashboard can point out risks, opportunities, and more; but common challenges and misconceptions can make your dashboard useless at best, and misleading at worst. The Big Book of Dashboards gives you the tools, guidance, and models you need to produce great dashboards that inform, enlighten, and engage.

**Cartwheel Books**

Geared specifically to women, this book brings a feminine perspective to the Twelve Step program, searching out the healing messages beneath the male-oriented words. Recovery is not a man's world, and yet to a woman it can sometimes seem that way. Geared specifically to that woman, this book brings a feminine perspective to the Twelve Step program, searching out the healing messages beneath the male-oriented words. Based on an open exploration and a flexible interpretation of the Twelve Steps, this new perspective takes into

---

account the psychological development of women as it relates to addiction and recovery, as well as the social and cultural factors that affect women in particular. Acknowledging that recovery raises special issues for women--from questions about sexuality, relationships, and everyday life to anxieties about speaking up at mixed-gender meetings--A Woman's Way through the Twelve Steps focuses directly on the feminine experience of addiction and healing. The author explores the Twelve Steps one by one, reiterating each in its traditional language, then explaining and illustrating it in a way that highlights a woman's experience--empowering the reader to take ownership of her own

recovery process as well as her growth as a woman.
