The Silent Patient Celadon Books

A brave and beautiful story that will make readers laugh, and break their hearts at the same time. Now with a special note from the author! Steven has a totally normal life (well, almost). He plays drums in the All-City Jazz Band (whose members call him the Peasant), has a crush on the hottest girl in school (who doesn't even know he's alive), and is constantly annoyed by his younger brother, Jeffrey (who is cuter than cute - which is also pretty annoying). But when Jeffrey gets sick, Steven's world is turned upside down, and he is forced to deal with his brother's illness, his parents' attempts to keep the family in one piece, his homework, the band, girls, and Dangerous Pie (yes, you'll have to read the book to find out what that is!).

From the New York Times bestselling author Darynda Jones comes the second novel in her laugh-out-loud Sunshine Vicram mystery series, *A Good Day for Chardonnay*. Running a small-town police force in the mountains of New Mexico should be a smooth, carefree kind of job. Sadly, full-time Sheriff—and even fuller-time coffee guzzler—Sunshine Vicram, didn't get that memo. All Sunshine really wants is one easy-going day. You know, the kind that starts with coffee and a donut (or three) and ends with take-out pizza and a glass of chardonnay (or seven). Turns out, that's about as easy as switching to decaf. (What kind of people do that? And who hurt them?) Before she can say iced mocha latte, Sunny's got a bar fight gone bad, a teenage daughter hunting a serial killer and, oh yes, the still unresolved mystery of her own abduction years prior. All evidence points to a local distiller, a dangerous bad boy named Levi Ravinder, but Sun knows he's not the villain of her story. Still, perhaps beneath it all, he possesses the keys to her disappearance. At the very least, beneath it all, he possesses a serious set of abs. She's seen it. Once. Accidentally. Between policing a town her hunky chief deputy calls four

cents short of a nickel, that pesky crush she has on Levi which seems to grow exponentially every day, and an irascible raccoon that just doesn't know when to quit, Sunny's life is about to rocket to a whole new level of crazy. Yep, definitely a good day for chardonnay. Praise for the Sunshine Vicram series "Laugh-out-loud funny, intensely suspenseful, page-turning fun."--New York Times Bestselling author Allison Brennan "A Bad Day For Sunshine is a great day for the rest of us."--New York Times bestselling author Lee Child *Best of Suspense Magazine 2021*

The #1 New York Times Bestseller * Named one of Variety's Best Music Books of 2021 * Included in Audible's Best of The Year list * A Business Insider Best Memoirs of 2021 * One of NME's Best Music Books of 2021 So, I've written a book. Having entertained the idea for years, and even offered a few questionable opportunities ("It's a piece of cake! Just do 4 hours of interviews, find someone else to write it, put your face on the cover, and voila!") I have decided to write these stories just as I have always done, in my own hand. The joy that I have felt from chronicling these tales is not unlike listening back to a song that I've recorded and can't wait to share with the world, or reading a primitive journal entry from a stained notebook, or even hearing my voice bounce between the Kiss posters on my wall as a child. This certainly doesn't mean that I'm quitting my day job, but it does give me a place to shed a little light on what it's like to be a kid from Springfield, Virginia, walking through life while living out the crazy dreams I had as young musician. From hitting the road with Scream at 18 years old, to my time in Nirvana and the Foo Fighters, jamming with Iggy Pop or playing at the Academy Awards or dancing with AC/DC and the Preservation Hall Jazz Band, drumming for Tom Petty or meeting Sir Paul McCartney at Royal Albert Hall, bedtime stories with Joan Jett or a chance meeting with Little Richard, to flying halfway around the world for one epic night with my daughters...the list goes on. I look forward to focusing the lens through which I see these memories a little sharper for you with much excitement.

The dramatic untold story of the Weavers, the hit-making folk-pop quartet

destroyed with the aid of the United States government--and who changed the world, anyway Following a series of top 10 hits that became instant American standards, the Weavers dissolved at the height of their fame. Wasn't That a Time: The Weavers, the Blacklist, and the Battle for the Soul of America details the remarkable rise of Pete Seeger's unlikely band of folk heroes, from basement hootenannies to the top of the charts, before a coordinated harassment campaign at the hands of Congress's House Un-American Activities Committee and the emergent right-wing media saw them unable to find work and dropped by their label while their songs still hovered on Billboard's lists. Turning the black-and-white 1950s into vivid color, Wasn't That a Time uses the Weavers to illuminate a dark and complex period of American history. Emerging while a highly divided populace was bombarded and further divided by fake news--and progressive organizations and individuals found themselves repressed under the pretenses of national security--the Weavers would rise, fall, and rise again. With origins in the radical folk collective the Almanac Singers and the ambitious People's Songs, both pioneering the use of music as a transformative political organizing tool, the singing activists in the Weavers set out to change the world with songs as their weapons. Using previously unseen journals and letters, unreleased recordings, once-secret government documents, and other archival research, veteran music journalist and WFMU DJ Jesse Jarnow uncovers the immense hopes, incredible pressures, and daily struggles of the four distinct and often unharmonious personalities at the heart of the Weavers. With a class and race-conscious global vision of music that now make them seem like time travelers from the 21st century, the Weavers would transform material from American blues singer Lead Belly ("Goodnight Irene"), the Bahamas ("Wreck of the John B"), and South Africa ("Wimoweh") into songs that remain ubiquitous from rock clubs to Broadway shows. Featuring quotes about the Weavers' influence from David Crosby, the Beach Boys' Al Jardine, and the Byrds' Roger McGuinn, Wasn't That a Time explores how the group's innocent-sounding harmonies might be heard as a threat worthy of decades of investigation by the FBI--and how the band's late '50s reformation engendered a new generation of musicians to take up the Weavers' non-violent weaponry: eclectic songs, joyous harmonies, and the power of music.
