"A mighty portrait of poverty amid cruelty and optimism."—Kirkus (starred review) *Free Lunch* is the story of Rex Ogle's first semester in sixth grade. Rex and his baby brother often went hungry, wore secondhand clothes, and were short of school supplies, and Rex was on his school's free lunch program. Grounded in the immediacy of physical hunger and the humiliation of having to announce it every day in the school lunch line, Rex's is a compelling story of a more profound hunger—that of a child for his parents' love and care. Compulsively readable, beautifully crafted, and authentically told with the voice and point of view of a 6th-grade kid, *Free Lunch* is a remarkable debut by a gifted storyteller.

The story of an elusive red fox and the boy and dog who tracked him in the wilderness.

[Irish Red](#) Good Press

This is a book of Russian folklore retold for young people and the young at heart. The tales are a good sampling of Slavic marchen. The stories in this book are those that Russian peasants tell their children and each other. This is a book written far away in Russia, for English children who play in deep lanes with wild roses above them in the high hedges, or by the small singing becks that dance down the gray fells at home. Russian fairyland is quite different. Under the windows of the author's house, the wavelets of the Volkhov River are beating quietly in the dusk. A gold light burns on a timber raft floating down the river. Beyond the river in the blue midsummer twilight is the broad Russian steppe and the distant forests of Novgorod. Somewhere in that forest of great trees—a forest so big that the forests of England are little woods beside it—is the hut where old Peter sits at night and tells these stories to his grandchildren. In Russia hardly anybody is too old for fairy stories, and the author even overheard soldiers on their way to the WWI talking of very wise and very beautiful princesses as they drank their tea by the side of the road. He believed there must be more fairy stories told in Russia than anywhere else in the world. In this book are a few of those he liked best. The author spent time in Russia during World War I as a journalist for the radical British newspaper, the *Daily News*, meeting among others, Lenin and Trotsky and was also known in the London bohemian artistic scene. 33% of the net from the sale of this book will be donated to charities for educational purposes. Still, their bond is undeniable. Red is fast and strong, smart and noble, and incredibly loyal—when Danny twists his ankle and can't get home, Red stays by him all night, keeping a wildcat at bay.
