A man obsessed with Dracula pursues a legendary lost edition of the classic vampire book in this chilling story from the author of the Bryan and May Mysteries. Carter, one of the world's leading experts on Dracula, owns many editions of Bram Stoker's novel, maybe even as many as his well-heeled rival, Mikaela Klove. But one thing has always eluded him: the chance to examine the possibly apocryphal blue edition of Stoker's seminal vampire tale. If it actually exists, the elusive edition is rumored to contain a different ending and a never-before-published chapter tantalizingly set in Dracula's personal library. Determined to read it for himself, Carter travels to Transylvania, where the rumored treasure might be hidden. But once there, he'll need to work with his nemesis to solve the mysterious puzzle—or risk an endgame neither he nor Mikaela can afford to lose. Drawing on his renowned flair for the outré, Christopher Fowler—an author “in the first rank of contemporary mystery writers”—reimagines Stoker's lost chapter and intersperses it with an unforgettable journey through Transylvania. Reconciliation Day is a delightfully suspenseful novella perfect for fans of the Peculiar Crimes Unit novels (Publishers Weekly). The Bibliomysteries are a series of short tales about deadly books, by top mystery authors.

Here, day and night were interchangeable. The immaculately dressed Chowringhee, radiant in her youth, had just stepped on to the floor at the nightclub.' Set in 1950s Calcutta, *Chowringhee* is a sprawling saga of the intimate lives of managers, employees and guests at one of Calcutta's largest hotels, the *Shahjahan*. Shankar, the newest recruit, recounts the stories of several people whose lives come together in the suites, restaurants, bar and backrooms of the hotel. As both observer and participant in the events, he inadvertently peels off the layers of everyday existence to expose the seamy underbelly of unfulfilled desires, broken dreams, callous manipulation and unbidden tragedy. What unfolds is not just the story of individual lives but also the incredible chronicle of a metropolis. Written by best-selling Bengali author Sankar, *Chowringhee* was published as a novel in 1962. Predating Arthur Hailey's *Hotel* by three years, it became an instant hit, spawning translations in major Indian languages, a film and a play. Its larger-than-life characters—the enigmatic manager Marco Polo, the debonair receptionist Sata Bose, the tragic hostess Karabi Guha, among others—soon attained cult status. With its thinly veiled accounts of the private lives of real-life celebrities, and its sympathetic narrative seamlessly weaving the past and the present, it immediately established itself as a popular classic. Available for the first time in English, *Chowringhee* is as much a dirge as it is a homage to a city and its people.
