---

on the road.

*Big Blue Book of Bicycle Repair* Microcosm Publishing  
Hand-illustrated and accessible introduction to the world of bike repair. The first half of this book is a complete repair manual to get you started on choosing, fixing, and riding your bike. The second half reprints all four issues of Chainbreakerzine, whose originals were destroyed in Hurricane Katrina. From publisher description.

**Complete Bicycle Maintenance** Lulu Press, Inc

More than ever before, bicycle culture is everywhere: from Portland, Oregon, to Portland, Maine, city planners are making big changes to city infrastructure for the increasing numbers of people who are leaving their cars at home and upgrading to two wheels. Biking in the city is no longer just for bike messengers with a death wish. Quarry's *The Urban Biking Handbook* is a hardworking, illustrated guide to the cycling lifestyle. Not only does it teach tons of repair and maintenance techniques, it shows such popular skills as converting a multiple-gear bike into a fixed-gear bike (or fixie) and how to build a Frankenbike from parts scavenged from several bikes. All techniques and projects are framed by spotlights on urban bike culture worldwide: profiles of bike mechanics, bike builders, bike artists, and more.
