Senyumlah goodword

The eminent scholar of Islam, Sheikh-ul-Islam Imam Ibn Taymiyyah, discusses the real & original faith of Islam according to the Qur'an & Sunnah. A book of fataawaa on Islamic faith, life and society. The book is highly appreciated by the scholars for its brevity as well as comprehensiveness; and for its contents produced in line with the Qur'an and Sunnah in an appealing and manifest manner.

Panji masyarakat Oneworld Publications

This book contains the updated papers of an international symposium The Qur'an as Text which was held at the University of Bonn in November 1993. This collection intends to break away from the 19th-century paradigm of influences, which seems largely exhausted but still dominates Qur'anic studies. Instead, this collection focuses on the literary, the intertextual and the receptional aspects of the Qur'anic text. A new approach to the holy book of Islam in the light of modern hermeneutics which is based on modern methods of literary history, text-linguistics, and aesthetics can open the door for a new and more adequate understanding of the Qur'an, its role for Islamic religion, and its unique place in the history of world religions today.

The book addresses the main media channels in society, their interdependence in light of emergent technologies, foundation theories, and traditional concepts. This book has been revised to offer increased coverage of culture and media and the political economies of media.

The Bugis International Institute of Islamic Thought (IIIT)

A ground-breaking study of the Hadrami community in Indonesia. The book considers the evolution of Indonesian Arab identity in the context of the rise of nationalism throughout Southeast Asia during the early twentieth century.

Mencari Husnul Khatimah University of Chicago Press

Indonesian Islam is often portrayed as being intrinsically moderate by virtue of the role that mystical Sufism played in shaping its traditions. According to Western observers--from Dutch colonial administrators and orientalist scholars to modern anthropologists such as the late Clifford Geertz--Indonesia's peaceful interpretation of Islam has been perpetually under threat from outside by more violent, intolerant Islamic traditions that were originally imposed by conquering Arab armies. The Makings of Indonesian Islam challenges this widely accepted narrative, offering a more balanced assessment of the intellectual and cultural history of the most populous Muslim nation on Earth. Michael Laffan traces how the popular image of Indonesian Islam was shaped by encounters between colonial Dutch scholars and reformist Islamic thinkers. He shows how Dutch religious preoccupations sometimes echoed Muslim concerns about the relationship between faith and the state, and how Dutch-Islamic discourse throughout the long centuries of European colonialism helped give rise to Indonesia's distinctive national and religious culture. The Makings of Indonesian Islam presents Islamic and colonial history as an integrated whole, revealing the ways our understanding of Indonesian Islam, both past and present, came to be.

Living Sufism Harper Collins

A unique 8" x 8" board book with a nine-piece puzzle and intriguing lift-a-flaps tell the latest story from Max Lucado's Hermie & Friends™ series. "Stay on the straight path, and it will take you right to my house." Easy directions, right? Well, not when Hermie is the one following them. A perfectly plump pear and a scenic view are only one of the detours that tempt Hermie on his journey. But his good friend Wormie continuously reminds him to stay on the straight path until the two caterpillars finally reach Schneider Snail's party. An entertaining format and 3-D illustrations make this valuable life lesson one that children won't soon forget.

Raising decent, caring, and responsible children is the most complex and challenging job in every parent's life--and an increasingly difficult one in today's society. Here is the most authoritative book available on this crucial subject, a valuable and sensitive guide for parents who want their children to grow up with lifelong positive values. Based on fascinating research, this groundbreaking work by psychologist and educator Dr. Thomas Lickona describes the predictable stages of moral development from birth to adulthood. And it offers you down-to-earth advice and guidance for each stage:

- Seven caring ways to discipline "terrible twos"
- Why your preschooler "lies" and how to

handle it

- What to do about a four-year-old's back talk
- How to handle your seven-year-old's endless negotiations about what's "fair"
- Why teens have trouble with peer pressure--and how to help them
- How to talk to your child about drugs, drinking, and sex
- How to help children of any age reason more clearly about what's right and wrong PLUS . . . A list of more than one hundred children's books that teach moral values, and much more.

"An excellent book on a vastly neglected aspect of raising children."--Dr. Fitzhugh Dodson, author *How to Parent, How to Father*

"We have been waiting for a book like this for a long time--a readable work that translates a moral development into parents' language and experience."--Dolores Curran, author of *Traits of a Healthy Family*

"Truly integrates a moral development theory into a consistent approach to childrearing. . . Word-of-mouth recommendations from parent to parent may lift it to the level of popularity once held by Dr. Spock's book on child care."--Moral Education Forum

Helen N. Boyle takes an anthropological approach to Quranic schooling in examining the role of Quranic preschools in community life.

Harper Collins

This volume offers a fascinating case study of the Sayyid community of Cikoang in South Sulawesi - in particular, an examination of the role of the descendants of Sayyid Jalaluddin al-'Aidid, a Hadhrami merchant-teacher of great authority and charisma who is said to have initially settled in Gowa in the 17th century. It is of particular interest because the migration of Sayyid Jalaluddin occurred well before the major Hadhrami diaspora to Southeast Asia in the mid-19th century. Of particular interest is the way Sayyid Jalaluddin and his descendants became integrated within the Makassar community. Sayyid Jalaluddin's legacy to the Cikoang community is the Tarekat Bahr ul-Nur, whose mystic teachings expound the creation of the world from the 'Nur Muhammad'. A consequence of this teaching is an enormous emphasis on the celebration of Maudu' (Maulid or the Birth of the Prophet) as expressed in the local assertion: 'My existence on this earth is for nothing but Maudu'.' Every year this prompts the Cikoang community to hold one of the most elaborate and colourful Maulid celebrations in Indonesia. This study was originally submitted as an MA thesis at ANU in 1998, but soon became recognised as an important contribution to Hadhrami studies. Its author, M. Adlin Sila, has since gone on to complete his PhD at ANU, *Being Muslim in Bima of Sumbawa, Indonesia: Practice, Politics and Cultural Diversity*. This study of Bima and its religious history establishes him as a major researcher on the diverse traditions of Islam in eastern Indonesia.

In this thoroughly revised and updated edition, leading religion and Middle East expert Charles Kimball shows how all religious traditions are susceptible to these basic corruptions and why only authentic faith can prevent such evil. The Five Warning Signs of Corruption in Religion

1. Absolute Truth Claims
2. Blind Obedience
3. Establishing the "Ideal" Time
4. The End Justifies Any Means
5. Declaring Holy War

Gagal dalam kematian jauh lebih teruk daripada gagal dalam peperiksaan. Anda boleh gagal dalam hidup, tapi jangan sampai gagal dalam kematian! Maksudnya, jangan sampai kita mati dan tercatat sebagai orang yang gagal di sisi Tuhan. Maka belajarlh daripada kematian. Banyak-banyaklah mengingati kematian. Buat persediaan yang matang untuk menghadapi kematian. Jangan lupakan kematian, kerana kematian tak pernah melupakan kita. Jangan lupa untuk mengambil pelajaran daripadanya, kerana kelupaan itu akan menjadi penyesalan yang besar pada hari kemudian. Jangan tak bersedia dalam menghadapinya, kerana kematian selalu mengintai dan bersedia untuk mencabut nyawa kita. Jangan tunggu lagi. Ambillah pelajaran sekarang juga. Buat persediaan secepatnya. Agar pada akhirnya kita mampu menjadi seorang pemenang yang sejati. Seorang pemenang yang mendapat iktiraf daripada Khalik, bukan sekadar iktiraf daripada makhluk.

The Straight Path John Wiley & Sons

Reinterprets divine injunctions from the Quran and traditional practices in Islam in light of the fundamental Islamic values of justice and equality on women's status. This work presents sociopolitical values and medieval social ethos as the origins of repressive practices, discussing controversial issues such as polygamy, and family planning.

Approaches to Islam in Religious Studies Bila Allah menduga kitaSenyumlah

Based on a symposium on the theme 'Islam and the History of Religions', this important work features thoughtful essays on the study of Islam. In essays organized around five themes in religious studies, the scholars in this volume call for an increase in the attention given to Islam as part of religious studies and for greater clarity in our understanding both of Islam and of religion in terms of Islam. Influential and powerful, when first published in 1985, this text helped bring about the transition of Islamic studies from Orientalism and area studies to religious studies.

Four Theories of the Press Harper Collins

The Man Who Inspired the World's Fastest-Growing Religion Muhammad presents a fascinating portrait of the founder of a religion that continues to change the course of world history. Muhammad's story is more relevant than ever because it offers crucial insight into the true origins of an increasingly radicalized Islam. Countering those who dismiss Islam as fanatical and violent, Armstrong offers a clear, accessible, and balanced portrait of the central figure of one of the world's great religions.

Our Struggle Walter de Gruyter

This vivid and detailed biography strips away centuries of distortion and myth and presents a balanced view of the man whose religion continues to dramatically affect the course of history.

[The Great Theft](#) John Wiley & Sons

A fascinating biography of one of the finest renaissance minds. Huygens was a polymath almost without equal, credited with discovering the rings of Saturn, the moon Titan, the invention of the pendulum clock and groundbreaking studies on optics and centrifugal forces, this study goes beyond these discoveries to find out more about the man and what made him strive to know more. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
