Partisan Sex Little, Brown
In *Bill and Hillary: The Politics of the Personal*, the distinguished historian William H. Chafe boldly argues that the trajectory of the Clintons' political lives can be understood only through the prism of their personal relationship. Each experienced a difficult childhood. Bill had an abusive stepfather, and his mother was in denial about the family's pathology. He believed that his success as a public servant would redeem the family. Hillary grew up with an autocratic father and a self-sacrificing mother whose most important lesson for her daughter was the necessity of

family togetherness. As an adolescent, Hillary's encounter with her youth minister helped set her moral compass on issues of race and social justice. From the day they first met at Yale Law School, Bill and Hillary were inseparable, even though their relationship was inherently volatile. The personal dynamic between them would go on to determine their political fates. Hillary was instrumental in Bill's triumphs as Arkansas's governor and saved his presidential candidacy in 1992 by standing with him during the Gennifer Flowers sex scandal. He responded by delegating to her powers that no other First Lady had ever exercised. Always tempestuous, their relationship had as many lows as it did highs, from near divorce to stunning electoral and political successes. Chafe's many insights—into subjects such as health care, Kenneth Starr, welfare reform, and the extent to which the

Lewinsky scandal finally freed Hillary to become a politician in her own right and return to the consensus reformer she had been in college and law school—add texture and depth to our understanding of the Clintons' experience together. The latest book from one of our preeminent historians, *Bill and Hillary* is the definitive account of the Clintons' relationship and its far-reaching impact on American political life. *State of a Union* Simon and Schuster
The truth about the most important woman in America In *Her Way*, two Pulitzer Prize-winning New York Times investigative journalists deliver: Previously undisclosed details about the Clinton's multi-decade plan for power including 8 years in the White House for Bill and 8 years for Hillary. Never-before-revealed information about Hillary's involvement in her

husband's campaigns - including cover-ups and the truth about Bill's draft record. New details regarding Hillary's rivalry with Al Gore - and why it is likely to heat up. Provocative new information about Hillary's vote to authorize the Iraq War, and the steps she has taken to distance herself from that vote. Revelations about Bill Clinton's role in Hillary's campaign and his surprising opinion of Barack Obama. New details of Hillary's failure to adhere to Senate ethics rules, and what this says about her political empire. She is one of the most influential and recognizable figures in our country, and perhaps the single most divisive individual in our political landscape. She has been the subject of both hagiography and vitriolic smear jobs. But although dozens of books have been written about her, none of them have come close to uncovering the real Hillary -- personal, political, in all her complications. Now, as she makes her historic run for the presidency, Pulitzer Prize-winning New York Times reporters Jeff Gerth and Don Van Natta Jr. bring us the first comprehensive and balanced portrait of the most important woman in American politics. Drawing upon myriad new sources and previously undisclosed documents, *Her Way* shows us how, like many women of her generation, Hillary Rodham Clinton tempered a youthful idealism with the realities of corporate America and big-league politics. It takes readers from the dorm rooms at Wellesley to the courthouses of Arkansas and Washington; to the White House and role as First Lady like none other; inside the back rooms of the Senate, where she expertly navigates the political and legislative shoals; to her \$4 million mansion in Washington, where she presides over an unparalleled fundraising machine; and to her war room, from which she orchestrates ferocious attacks against her critics. Throughout her career, she has been alternately helped and hindered by her marriage to Bill Clinton. *Her Way* unravels the mysteries of their political partnership -- one of the most powerful and enigmatic in American history. It also explains why Hillary is such a polarizing figure. And more than any other book, it reveals what her ultimate hopes and ambitions are -- for herself and for America.

[From the Center to the Edge](#)
Greenhaven Publishing LLC
Profiles the political life of Hilary Rodham Clinton and discusses her role in her husband's government career in Arkansas, her involvement in his presidency, her family life, and other related topics.
Clinton Cash
HarperCollins
Joe Klein, best-selling author of *Primary Colors* and one of our most brilliant political analysts, now tackles the subject he knows best: Bill Clinton. Astute, even-handed, and keenly intelligent, *The Natural* is the only book to read if you want to understand exactly what happened -- to the military, to the economy, to the American people, to the country -- during Bill Clinton's presidency, and how the decisions made during his tenure affect all of us today. Much has been written about Clinton, but *The Natural* is the first work to cut through the gossip, scandals, media hype, and emotional turbulence that Clinton always engendered, to step back and rationally analyze the eight years of his tenure, a period during which America rose to unprecedented levels of prosperity. Joe Klein puts that record into perspective, showing us what worked and what didn't, exactly what was accomplished and why, and who was responsible for the successes and the failures. We see how the Clinton White House functioned on the inside, how it dealt with the maneuvers of Congress and the Gingrich revolution, and who held power and made the decisions during the endless crises that beset the administration. Klein's access to the White House over the years as a journalist gave him a prime spot from which to view every crucial event -- both political and personal -- and he sets them forth in an insightful, readable, and completely engrossing manner. *The Natural* is stern in its criticism and convincing with its praise. It will cause endless debate amongst friends and foes of the Clinton administration. It is a book that anyone interested in contemporary politics, in American

history, or in the functioning of our democracy, should read.

High Hopes Yale University Press

#1 New York Times Bestseller
President Bill Clinton's *My Life* is the strikingly candid portrait of the 42nd U.S. president, a global leader who decided early in life to devote his intellectual and political gifts, and his extraordinary capacity for hard work, to serving the public. It shows us the progress of a remarkable American, who, through his own enormous energies and efforts, made the unlikely journey from Hope, Arkansas, to the White House—a journey fueled by an impassioned interest in the political process which manifested itself at every stage of his life: in college, working as an intern for Senator William Fulbright; at Oxford, becoming part of the Vietnam War protest movement; at Yale Law School, campaigning on the grassroots level for Democratic candidates; back in Arkansas, running for Congress, attorney general, and governor. We see his career shaped by his resolute determination to improve the life of his fellow citizens, an unfaltering commitment to civil rights, and an exceptional understanding of the practicalities of political life. We come to understand the emotional pressures of his youth—born after his father's death; caught in the dysfunctional relationship between his feisty, nurturing mother and his abusive stepfather, whom he never ceased to love and whose name he took; drawn to the brilliant, compelling

Hillary Rodham, whom he was determined to marry; passionately devoted, from her infancy, to their daughter, Chelsea, and to the entire experience of fatherhood; slowly and painfully beginning to comprehend how his early denial of pain led him at times into damaging patterns of behavior. President Clinton's book is also the fullest, most concretely detailed, most nuanced account of a presidency ever written—encompassing not only the high points and crises but the way the presidency actually works: the day-to-day bombardment of problems, personalities, conflicts, setbacks, achievements. It is a testament to the positive impact on America and on the world of his work and his ideals. It is the gripping account of a president under concerted and unrelenting assault orchestrated by his enemies on the Far Right, and how he survived and prevailed. It is a treasury of moments caught alive, among them: • The ten-year-old boy watching the national political conventions on his family's new (and first) television set. • The young candidate looking for votes in the Arkansas hills and the local seer who tells him, "Anybody who would campaign at a beer joint in Joiner at midnight on Saturday night deserves to carry one box. . . . You'll win here. But it'll be the only damn place you win in this county." (He was right on both counts.) • The roller-coaster ride of the 1992 campaign. • The extraordinarily frank exchanges with Newt Gingrich and Bob Dole. • The delicate manipulation needed to convince Rabin and Arafat to shake hands

for the camera while keeping Arafat from kissing Rabin. • The cost, both public and private, of the scandal that threatened the presidency. Here is the life of a great national and international figure, revealed with all his talents and contradictions, told openly, directly, in his own completely recognizable voice. A unique book by a unique American.

The Survivor Seven Stories Press

Hillary Rodham Clinton was born to parents determined to overcome obstacles to achieve success. She married Bill Clinton, a man from humble roots who rose to serve two terms as President of the United States. She ran for office against, and then worked for, President Barack Obama. But she is not defined by those relationships but rather by her intellect, ambition, and peerless work ethic. Clinton has served as first lady, senator, and secretary of state. She has faced scandal and faced down political foes. She has raised a family and raised the spirits and prospects of people around the world. Here is her incredible story.

Hillary Clinton Penguin
NEW YORK TIMES

BESTSELLER • From the author of *American Wife* and *Eligible* . . . He proposed. She said no. And it changed her life forever. "A deviously clever what if."—O: *The Oprah Magazine*
"Immersive,

escapist.”—Good Morning America “Ingenious.”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • NPR • The Washington Post • Marie Claire • Cosmopolitan (UK) • Town & Country • New York Post In 1971, Hillary Rodham is a young woman full of promise: Life magazine has covered her Wellesley commencement speech, she’s attending Yale Law School, and she’s on the forefront of student activism and the women’s rights movement. And then she meets Bill Clinton. A handsome, charismatic southerner and fellow law student, Bill is already planning his political career. In each other, the two find a profound intellectual, emotional, and physical connection that neither has previously experienced. In the real world, Hillary followed Bill back to Arkansas, and he proposed several times; although she said no more than once, as we all know, she eventually accepted and became Hillary Clinton. But in Curtis Sittenfeld’s powerfully imagined tour-de-force of fiction, Hillary takes a different road. Feeling doubt about the prospective

marriage, she endures their devastating breakup and leaves Arkansas. Over the next four decades, she blazes her own trail—one that unfolds in public as well as in private, that involves crossing paths again (and again) with Bill Clinton, that raises questions about the tradeoffs all of us must make in building a life. Brilliantly weaving a riveting fictional tale into actual historical events, Curtis Sittenfeld delivers an uncannily astute and witty story for our times. In exploring the loneliness, moral ambivalence, and iron determination that characterize the quest for political power, as well as both the exhilaration and painful compromises demanded of female ambition in a world still run mostly by men, Rodham is a singular and unforgettable novel.

The Truth About Hillary
Vintage

A decade-and-a-half after President William Jefferson Clinton first took the oath of office, biographer Nigel Hamilton tells the riveting story of what was possibly the greatest self-reinvention of a president in office in modern times. The Clinton presidency began disastrously -- kicking off with the worst transition in living memory and

deteriorating through a series of fiascos, from gays in the military to Hillary Clinton's failed health care reform. How Bill Clinton faced up to his failures and refashioned himself in the White House thereafter is an epic, hitherto unwritten story -- a story that climaxes with the trouncing of Bob Dole in the landslide presidential election in 1996. Clinton began his second term as the undisputed and tremendously popular leader of the Western world. In vivid prose, Hamilton charts Clinton's dramatic reversal of fortune and his ultimate triumph over himself -- and his foes. Bill Clinton: Mastering the Presidency is a riveting narrative of American politics, an incisive character portrait, and powerful reminder of what a great president can accomplish.

Target WND Books

Offers a portrait of the personal and political partnership of Bill and Hilary Clinton, revealing the innermost details of the Clinton administration, their policy implications, and their impact on Hillary's presidential campaign.

Political Power: Bill Clinton
Peter Lang

The fabled success of the scholarship boy would be marred by the decisions he came to make regarding Vietnam and military service-choices that haunt him to this day. We watch with a mixture of alarm, fascination, and awe as Bill

Clinton does so much that is right-and so much that is wrong. He sets his cap for the star student at Yale, young Hillary Rodham, seducing her with his dreams of a better America and an aw-shucks grin. Wherever he goes, he charms and disarms-young and old, men and women...and more women. He becomes a law professor straight out of college; he contests a congressional election in his twenties-and almost wins it. He becomes attorney general of his state and within two years is set to become the youngest-ever governor of Arkansas, at only thirty-two. Yet, always, there is a curse, a drive toward personal self-destruction-and with that the destruction of all those who are helping him on his legendary path. His affair with Gennifer Flowers strains his marriage and later nearly.

A Woman in Charge University Press of Kansas

Presents a look inside the marriage of Bill and Hillary Clinton, discussing the qualities that drew them to one another, the effects of his infidelities on their relationship with each other and on their daughter Chelsea, and the reasons they stay together.

Bill Clinton Bluewater Productions

Revised and Expanded with two new chapters on Hillary Clinton's career as a U.S. Senator,

Secretary of State, and presidential "wild west" fringe of the candidate.

Bill & Hillary's 12-step Recovery Guide Vintage

The definitive takedown by the #1 New York Times bestselling author of *Secret Empires*. In 2000, Bill and Hillary Clinton owed millions of dollars in legal debt. Since then, they've earned over \$130 million. Where did the money come from? Most people assume that the Clintons amassed their wealth through lucrative book deals and high-six figure fees for speaking gigs. Now, Peter Schweizer shows who is really behind those enormous payments. In his New York Times bestselling books *Extortion* and *Throw Them All Out*, Schweizer detailed patterns of official corruption in Washington that led to congressional resignations and new ethics laws. In *Clinton Cash*, he follows the Clinton money trail, revealing the connection between their personal fortune, their "close personal friends," the Clinton Foundation, foreign nations, and some of the highest ranks of government. Schweizer reveals the Clinton's troubling dealings in Kazakhstan, Colombia, Haiti, and other places at the

global economy. In this blockbuster exposé, Schweizer merely presents the troubling facts he's uncovered. Meticulously researched and scrupulously sourced, filled with headline-making revelations, Clinton Cash raises serious questions of judgment, of possible indebtedness to an array of foreign interests, and ultimately, of fitness for high public office.

Giving Rowman & Littlefield

Sex, politics, and the law characterized the Clinton era, which began with the emergence of Bill Clinton as a presidential candidate with a train of sex scandals and ended with the attacks of September 11, 2001. The Monica Lewinsky affair was the climax of the phenomenon, and the resulting scandal had far-reaching effects. Politics became the language and the means for battles over sex. Sex and politics became metaphors for each other as American society struggled to come to terms with its sexual and political anxieties. *Partisan Sex: Bodies, Politics, and the Law in the Clinton Era* explores the high-cultural anxieties of the left and the masculinity

hang-ups of the right, the exploitation of romance imagery and hot sauce bottles, the obsessions with Hillary Clinton's breakfasts, and the rise of a society of voyeurs. -- Amazon.com.

Bill and Hillary Random House Trade Paperbacks
Hillary Clinton is running for the presidency with a message of hope and change. But, as Doug Henwood makes clear in this concise, devastating indictment, little trust can be placed in her campaign promises. Rigorously reviewing her record, Henwood shows how Clinton's positions on key issues have always blown with the breeze of expediency, though generally around an axis of moralism and hawkishness. Without a meaningful program other than a broad fealty to the status quo, Henwood suggests, "the case for Hillary boils down to this: she has experience, she's a woman, and it's her turn."

Clinton, Inc. The Rosen Publishing Group, Inc
The author, a childhood friend of Hillary Clinton's husband Billy, talks about Hillary Clinton's political career and why she thinks a second Clinton presidency would be a disaster.

Bill and Hillary Clinton
Routledge

An integral player in American politics for the last three decades,

Hillary Clinton has taken on a multitude of roles at the highest levels of government. She has been the First Lady of Arkansas and the First Lady of the United States, a Senator for the state of New York, and the third woman to be appointed Secretary of State. This captivating book provides a balanced biography of Hillary Clinton. Chapters include her childhood, meeting Bill Clinton, her move from the statehouse to White House, her struggle to carve her own space in politics, the 2008 presidential campaign, and her time as Secretary of State.

A Complicated Man Crown
The mesmerizing story of Hillary Clinton's political rebirth, based on eyewitness accounts from deep inside her inner circle and featuring a new introduction from the authors Hillary Clinton's surprising defeat in the 2008 Democratic primary brought her to the nadir of her political career, vanquished by a much younger opponent whose message of change and cutting-edge tech team ran circles around her stodgy campaign. And yet, six years later, she has reemerged as an even more powerful and influential figure, a formidable stateswoman and the presumed front-runner for the 2016 Democratic presidential nomination, marking one of the great political comebacks in history. The story of

Hillary's phoenixlike rise is at the heart of HRC, a riveting political biography that journeys into the heart of "Hillaryland" to discover a brilliant strategist at work. Masterfully unfolded by Politico's Jonathan Allen and The Hill's Amie Parnes from more than two hundred top-access interviews with Hillary's intimates, colleagues, supporters, and enemies, HRC portrays a seasoned operator who negotiates political and diplomatic worlds with equal savvy. Loathed by the Obama team in the wake of the primary, Hillary worked to become the president's greatest ally, their fates intertwined in the work of reestablishing America on the world stage. HRC puts readers in the room with Hillary during the most intense and pivotal moments of this era, as she mulls the president-elect's offer to join the administration, pulls the strings to build a coalition for his war against Libya, and scrambles to deal with the fallout from the terrible events in Benghazi—all while keeping one eye focused on 2016. HRC offers a rare look inside the merciless Clinton political machine, as Bill Clinton handled the messy business of avenging

Hillary's primary loss while she tried to remain above the partisan fray. Exploring her friendships and alliances with Robert Gates, David Petraeus, Leon Panetta, Joe Biden, and the president himself, Allen and Parnes show how Hillary fundamentally transformed the State Department through the force of her celebrity and her unparalleled knowledge of how power works in Washington. Filled with deep reporting and immersive storytelling, this remarkable portrait of the most important female politician in American history is an essential inside look at the woman who may be our next president.

Rodham Random House Trade Paperbacks
