What happens when a woman
falls in love with her

March, 05 2024

Billionaire Undone Travis The Billionaires Obsession 5 Js Scott

stalker? I'm not the type of woman who actually inspires passion in any guy, much less one who makes it a habit to watch me because he's obsessed. I'm a curvy, plain Jane. I like my chips, chocolate, and junk food, and it definitely shows. I'm an educated geek who would rather have my nose in a computer instead of a fashion magazine. But none of those things seem to matter to Stalker. He sees something in me that I don't see in myself, and I don't know why. I'm terrified, yet I'm inexplicably intrigued. I'm cautious by nature, but something makes

me want to know who he is, and why he gives a sh*t about somebody like me. I know falling for a man I've never seen in the light of day is dangerous. Does he stalk me because he wants to own me, control me, and make me into the woman he thinks that I am? Does he want to hurt me, or is he just a lost soul like me? And why did it feel so good to touch him under the cover of darkness? Is he my nightmare or my dearest stalker? Getting to know him might be foolish, but for some reason, I just can't walk away... Author's note: This is a red-hot, sexy, curvy girl

serial romance with an obsessed, alpha male stalker. Read at your own risk.

Can she ever get over her broken heart? Jennie Evans has known true love, and it died with her husband. But she's found balance in her life: friends and a job she loves at Sutton Capital. And there might be a man that caught her eye, but she'll never give him her heart.
Chad Thompson sees what others don't: Jennie's hurting inside and hiding it from the world. Their chemistry may be off the charts, but he vows not to push. Even if true happiness might be within reach. When their meddling

friends throw Jennie and Chad together in a plot designed to push them out of their comfort zones, she ends up in more danger than anyone could have imagined. To keep her safe, Chad will have to risk his body and his heart, and no matter how things end, one of them is going to get hurt. The Billionaire Op is a standalone book in the Sutton Billionaires Series. A shorter version of it was previously published as part of the Sutton Capital Series.

Heart of the

Billionaire Cassandra
Dee Romance

His professional
football career over
due to a tragic

accident, billionaire bargained for when Kade Harrison takes the woman he's on the task of seeking slips away solving a mystery for from him every time his brother-in-law he gets close to and friend, Max finding her. When Hamilton. Without his Kade does finally former career to fill corner her, things every minute of the start to get even day, Kade's looking more complicated. for something to Asha Paritala is challenge him--now nothing like he that he's lost the expected, and the career that had meant female he had tracked everything to him. down as a favor for But what starts out Max soon becomes a as a simple favor woman he wants for soon becomes a whole his very own, a woman lot more than he who makes protective

and highly predatory instincts he didn't know he had flare to life inside him. Kade soon discovers that he wants Asha's total surrender to the desire and passion that vibrates intensely between the two of them, but he also wants her trust, the one thing Asha's history makes it difficult for her to give. Can Kade convince her that some things are worth risking it all?

Caught between two worlds, Asha Paritala is homeless, broke and damaged from a life of abuse and neglect. Born of an American mother and an Indian immigrant father, Asha was raised as an Indian woman by a foster family after the death of her natural parents when she was little more than a baby. She's spent her entire life under the control of others until finally

breaking free two years earlier, and she's determined to keep her freedom, even if it means she has to struggle to survive. But when she meets Kade Harrison, her resolve is tested. After Kade helps her through a bad situation, she finds herself beginning to trust Kade as she's never trusted a man before. Kade is everything she always thought a man should be, but

can she lose herself in him completely when she knows she's damaged and confused.

Billionaire Unloved Gwyn McNamee

As this most tumultuous century draws to a close, the need for a concise and trustworthy history is clear. Recent decades have seen the publication of American histories that are either bloated with unnecessary detail or infused with a polemical purpose that undermines their authority.

In Twentieth-Century America, Thomas C. Reeves provides a fluidly written narrative history that combines the rare virtues of compression, inclusiveness, and balance. From Progressivism and

the New Deal right up to the present, Reeves covers all aspects of American history, providing solid coverage of each era without burying readers in needless detail or trivia. This approach allows readers to grasp the major developments and continuities of American history and to come away with a cohesive picture of the whole of the twentieth century. The volume stresses social and well as political history, emphasizing the roles played by all Americans--including immigrants, minorities, women, and working people--and pays special attention to such topics as religion, crime, public health, national prosperity, and the media. Reeves is careful throughout to

present both sides of controversial subjects and yet does not leave readers bewildered about which interpretations are most strongly supported or where to explore these issues more thoroughly. At the conclusion of each chapter, the author cites ten authoritative volumes for further study. The bibliographies, as well as the text, are refreshing in their lack of ideological bent. "Objectivity," Reeves suggests, "is an illusive but worthy goal for the historian." For anyone wishing to achieve a lucid historical overview of the past 100 years, Twentieth-Century America is the best place to start.

previously issued in the Billionaire's obsession series.
Punk 57 Lorana Hoopes Blyss is something the world has been trying to create since the beginning of time, the ultimate aphrodisiac, a drug used against women with one single purpose in mind....Julianna Oakley has just finished up her junior year at college and flies home to spend her last free summer with her father on their prestigious Georgia estate. Julianna isn't the stereotypical rich girl, a spoiled prima-donna. She's down to earth and has an independent streak a mile wide, insisting

she makes her own way in this world. Nick has been setting the stage for a long time, and sparks fly when their separate worlds collide. She is Nick's ultimate obsession, and he will stop at nothing to own her. When Travis, Nick's right hand man, lays his eyes on the prize, all hell breaks loose. He should know Nick is playing for keeps, and while Julianna is fighting for her freedom, a lifetime full of secrets and twisted perceptions slowly unravel as Julianna gets caught in the fray. The Blyss Trilogy: An Adult Dark Romantic Suspense. This contemporary erotic captive romance book is full of

suspense, action, and adventure. This is a dark, erotic thriller that will have you hanging on to the edges of your e-reader as you wonder which alpha male you want to fall in love with. Will you be team Travis or team Nick? Warning: **Mature Audiences Only** This book is intended for adults of mature audiences only (18+). [Second Honeymoon](#)

Billionaire Max Hamilton thought he was finally starting to find contentment, more than two years after losing his wife Mia in a tragic drowning accident. He'd been reunited with a sister he hadn't realized

existed. Finally he had family again, a reprieve from the pain and loneliness that had haunted him since his devastating loss. Yeah...he was as happy as a man could be, considering he had lost the other half of his soul and most of his heart when fate had torn his wife away from him. Or so he believed...until the day he rescued a mysterious woman in the park, a female who somehow had managed to reignite a part of him that he thought was long dead... Suddenly, Max's protective, dominant, possessive male instincts flare to life, leaving him at a loss as to how lightning could possibly strike

twice in one lifetime. Is he truly being given another chance at real happiness, or would it be dangled in front of him, only to be taken away once again? Find out by reading The Billionaire's Salvation, Book 3 in The New York Times Bestselling series, The Billionaire's Obsession. This is a complete contemporary erotic romance novel with no cliffhangers!
The Billionaire's Secrets
Oxford University Press
To Stephanie Sugarman, Charlie Preston is just the bad boy billionaire who rejected his own son. Six years ago, she and Charlie had an admittedly hot one-night stand, which left

her pregnant. When she tracked down his family, his mother offered her money to go away. Now, however, Stephanie's forced to spend time with Charlie as her boss's liaison while Charlie crunches the numbers for a potential acquisition. At first, she can't stand to be in the same room as the charming, brilliant businessman. But as time goes on, she realizes the man she believed him to be and the man she sees now are completely different. This Charlie is honorable, charming, and—most importantly—would never abandon his son. And he seems determined to prove to her that he's worthy of her

heart. Even though he and Stephanie only spent one incredible night together, Charlie has never been able to get her out of his mind. Now that he's working with her, he has the chance to make things right, to prove he's someone she and their son can trust. He'll approach fatherhood the same way he approaches everything in life—with a detailed, meticulous plan. What he doesn't anticipate is fiercely independent Stephanie, who gets a bit prickly when he tries to lay out a future for them. The problem is, planning is what Charlie does best, but he learns too late that all the planning in the world can't

make her stay with him. He'll have to ditch his plan and follow his heart...no matter where it leads.

Dr. Strange Beard

Houghton Mifflin

What makes a reading experience »powerful«?

This volume brings together literary scholars, linguists, and empirical researchers who tackle the question by investigating the effects and reader responses generated by selected extracts of literary prose. The twelve contributions

theorize this widely-used, but to date insufficiently studied notion, and provide insights into the therefore still mysterious-seeming power of literary fiction. The collection explores a variety of stylistic as well as readerly and psychological features responsible for short- and long-term effects - topics of great interest to those interested or specialized in literary studies and narratology, (cognitive) stylistics, empirical literary studies and reader

response theory.

Cara Miller Books
Down on her luck, nursing student and full-time waitress Kara Foster gets a massive blow to her already desperate financial situation that will surely find her living on

the streets. Needing nothing less than a miracle to save her, Kara gets rescue from an unknown, unlikely and overwhelming source. Billionaire Simon Hudson makes her an offer that is impossible to refuse, but terrifying to accept from a man that she's never met. Will the handsome, alpha billionaire really be a solution to her problems, or will he end up being a major complication and a danger to her emotional sanity? Reclusive

billionaire Simon Hudson would rather be behind a computer creating computer games than rubbing elbows with the elite and he knows exactly what he wants...until he meets Kara Foster. Something about Kara touches Simon in ways he's never experienced and definitely doesn't like. For over a year, Simon watches over Kara, but stubbornly refuses to admit his desire to possess her, not even to himself. But when she

ends up in a situation that could very well be her destruction, Simon steps up to help her, not realizing that in saving Kara, he might very well be salvaging his own soul. Powerful Prose Little, Brown

Plus size model Laura desperately wants to have a baby, but when billionaire Mason Lawson offers to be the father, Laura is surprised to find herself both questioning his motives and

considering his offer.

The Billionaire's Angel
transcript Verlag

Lara Bailey isn't in Rocky Springs for the hot springs, the resort activities or the fabulous skiing. She has come to Colorado for one reason and one reason only: to find and get close to Marcus Colter, the eldest Colter brother.

Unfortunately, trouble finds her in the form of Tate Colter rather than Marcus. The youngest Colter brother is arrogant, cocky, smart, and tenacious in his attempts to find out why she

wants to find Marcus even though she's never met him. Lara isn't willing to divulge that information, and Tate is determined to uncover her motives. It makes Tate one hot, wickedly sexy, adorably dimpled, alpha male pain in her backside. Lara is really confused when Tate helps her out of a difficult and potentially dangerous situation. It leaves Lara wondering if he really is the cocky, arrogant jerk that he pretends to be, or if there isn't much more to Tate Colter than she'd initially thought. Tate Colter wants

Lara Bailey in his bed...badly. When she completely blows him off and ignores him when they meet, he's even more determined to find out her secrets and get her to submit to the molten desire that radiates between the two of them. The fact that she's one tough female, a woman who can give back exactly what he dishes out, makes her even more intriguing to him. Sparks fly as Tate and Lara become involved in a battle of wits and wills that will ignite flames of passion and desire like neither one of them have

ever experienced. But when deception is discovered and a betrayal takes place, can these two adversaries who are so much alike work together without letting the white-hot passion burning between them incinerate them both?

BESTSELLING BOOK!

Mike Majlak was a seventeen-year-old from a loving, middle-class family in Milford, Connecticut, when he got caught up in the opioid epidemic that swept the nation. For close to a decade thereafter, his life was a wasteland of darkness and despair. While his peers were graduating from college, buying homes, getting married, having kids, and leading normal lives, Mike was snorting OxyContin, climbing out of cars at gunpoint, and burying his childhood friends. Unable to escape the noose of addiction, he eventually lost the trust and support of everyone who had ever loved him. Alone, with nothing but drugs to keep him company, darkness closed in, and the light inside him--the last flicker of hope--began to dim. His dreams, potential, and future were all being devoured by a relentless addiction too powerful to fight. Despair filled him as he realized he wasn't going to survive. Somehow, he did... HE NOT ONLY SURVIVED, HE THRIVED. Now he's a social media personality with millions of followers, and an entrepreneur, marketer, podcaster, YouTuber, and author who hopes to use his voice to shine a light for those whose own lights have grown dim. This is his story.

The Billionaire's Marriage Mission
Former rock star, Xander Sinclair, may be out of rehab but he's not out of the woods.

Still haunted by his parents' murders, he has secluded himself in his Amesport mansion and believes he's battling his demons alone. That is, until Samantha arrives to work as his live-in housekeeper. The two embark on a fiery relationship that could change them both forever.
