Ragtime Random House

An assortment of short fiction ranges across America, from Alaska to the District of Columbia, as it explores the complexities of modern life in such stories as "Jolene: a Life," "A House on the Plains," "Baby Wilson," and "Walter John Harmon." Drinks Before Dinner Random House

Continuing his epic trilogy of the Haitian slave uprising, Madison Smartt Bell ’ s Master of the Crossroads delivers a stunning portrayal of Toussaint Louverture, former slave, military genius and liberator of Haiti, and his struggle against the great European powers to free his people in the only successful slave revolution in history. At the outset, Toussaint is a second-tier general in the Spanish army, which is supporting the rebel slaves ’ fight against the French. But w hen Toussaint is betrayed by his former allies and the commanders of the Spanish army, he reunites his army with the French, wresting vital territories and manpower from Spanish control. With his army one among several factions, Toussaint eventually rises as the ultimate victor as he wards off his enemies to take control of the French colony and establish a new constitution. Bell ’ s grand, multifaceted novel shows a nation, splintered by actions and in the throes of chaos, carried to liberation and justice through the undaunted tenacity of one incredible visionary.

Billy Bathgate Twayne Publishers

Winner of the National Book Award • “Marvelous . . . You get lost in World’s Fair as if it were an exotic adventure. You devour it with the avidity usually provoked by a suspense thriller.”—The New York Times Hailed by critics from coast to coast and by readers of all ages, this resonant novel is one of E.L. Doctorow’s greatest works of fiction. It is 1939, and even as the rumble of progress is being felt worldwide, New York City clings to remnants of the past, with horse-drawn wagons, street peddlers, and hurdy-gurdy men still toiling in its streets. For nine-year-old Edgar Altschuler, life is stoopball and radio serials, idolizing Joe DiMaggio, and enduring the conflicts between his realist mother and his dreamer of a father. The forthcoming Word’s Fair beckons, an amazing vision of American automation, inventiveness, and prosperity—and Edgar Altschuler responds. A marvelous work from a master storyteller, World’s Fair is a book about a boy who must surrender his innocence to come of age, and a generation that must survive great hardship to reach its future. Praise for World’s Fair “Something close to magic.”—Los Angeles Times “World’s Fair is better than a time capsule; it’s an actual slice of a long-ago world, and we emerge from it as dazed as those visitors standing on the corner of the future.”—Anne Tyler “Doctorow has managed to regain the awed perspective of a child in this novel of rare warmth and intimacy. . . . Stony indeed in the heart that cannot be moved by this book.”—People “Fascinating . . . exquisitely rendered details of a lost way of life.”—Newsweek “Wonderful reading.”—USA Today

The March Kensington Publishing Corp.

"Text accompanies photographs of posters for the missing put up around New York City following 9/11. It is a personal reflection on the people of the city and the special bond that gives them strength."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Conversations with E.L. Doctorow Random House Trade Paperbacks

Forty-eight reviews and nine essays trace the critical reputation of E.L. Doctorow's literary works.

Reporting the Universe Simon and Schuster

The central figure of this novel is a young man whose parents were executed for conspiring to steal atomic secrets for Russia. His name is Daniel Isaacson, and as the story opens, his parents have been dead for many years. He has had a long time to adjust to their deaths. He has not adjusted. Out of the shambles of his childhood, he has constructed a new life—marriage to an adoring girl who gives him a son of his own, and a career in scholarship. It is a life that enrages him. In the silence of the library at Columbia University, where he is supposedly writing a Ph.D. dissertation, Daniel composes something quite different. It is a confession of his most intimate relationships—with his wife, his foster parents, and his kid sister Susan, whose own radicalism so reproaches him. It is a book of memories: riding a bus with his parents to the ill-fated Paul Robeson concert in Peekskill; watching the FBI take his father away; appearing with Susan at rallies protesting their parents’ innocence; visiting his mother and father in the Death House. It is a book of investigation: transcribing Daniel’s interviews with people who knew his parents, or who knew about them; and logging his strange researches and discoveries in the library stacks. It is a book of judgments of everyone involved in the case—lawyers, police, informers, friends, and the Isaacson family itself. It is a book rich in characters, from elderly grand- mothers of immigrant culture, to covert radicals of the McCarthy era, to hippie marchers on the Pen-tagon. It is a book that spans the quarter-century of American life since World War II. It is a book about the nature of Left politics in this country—its sacrificial rites, its peculiar cruelties, its humility, its bitterness. It is a book about some of the beautiful and terrible feelings of childhood. It is about the nature of guilt and innocence, and about the relations of people to nations. It is The Book of Daniel.

The Book of Daniel Vintage

The Searing Portrayal Of War That Has Stunned And Galvanized Generations Of Readers An immediate bestseller

upon its original publication in 1939, Dalton Trumbo’s stark, profoundly troubling masterpiece about the horrors of World War I brilliantly crystallized the uncompromising brutality of war and became the most influential protest novel of the Vietnam era. Johnny Got His Gun is an undisputed classic of antiwar literature that’s as timely as ever. ?A terrifying book, of an extraordinary emotional intensity.?--The Washington Post "Powerful. . . an eye-opener." --Michael Moore "Mr. Trumbo sets this story down almost without pause or punctuation and with a fury amounting to eloquence."--The New York Times "A book that can never be forgotten by anyone who reads it."--Saturday Review

Loon Lake Random House

From a master of modern American letters comes an enthralling collection of brilliant short fiction about people who, as E. L. Doctorow notes in his Preface, are somehow “distinct from their surroundings—people in some sort of contest with the prevailing world.” Containing six unforgettable stories that have never appeared in book form, and a selection of previous classics, All the Time in the World is resonant with the mystery, tension, and moral investigation that distinguish the fiction of E. L. Doctorow.

Sweet Land Stories Random House

In the wise and beautiful second collection from the acclaimed, Pulitzer Prize-winning #1 New York Times bestselling author of All the Light We Cannot See, and Cloud Cuckoo Land, "Doerr writes about the big questions, the imponderables, the major metaphysical dreads, and he does it fearlessly" (The New York Times Book Review). Set on four continents, Anthony Doerr's new stories are about memory, the source of meaning and coherence in our lives, the fragile thread that connects us to ourselves and to others. Every hour, says Doerr, all over the globe, an infinite number of memories disappear. Yet at the same time children, surveying territory that is entirely new to them, push back the darkness, form fresh memories, and remake the world. In the luminous and beautiful title story, a young boy in South Africa comes to possess an old woman's secret, a piece of the past with the power to redeem a life. In "The River Nemunas," a teenage orphan moves from Kansas to Lithuania to live with her grandfather, and discovers a world in which myth becomes real. "Village 113," winner of an O'Henry Prize, is about the building of the Three Gorges Dam and the seed keeper who guards the history of a village soon to be submerged. And in "Afterworld," the radiant, cathartic final story, a woman who escaped the Holocaust is haunted by visions of her childhood friends in Germany, yet finds solace in the tender ministrations of her grandson. Every story in Memory Wall is a reminder of the grandeur of life--of the mysterious beauty of seeds, of fossils, of sturgeon, of clouds, of radios, of leaves, of the breathtaking fortune of living in this universe. Doerr's language, his witness, his imagination, and his humanity are unparalleled in fiction today.

Lives of the Poets Vintage

An electric thriller where spies go to battle, and the free world is at stake In the final installment in William DeAndrea’s Clifford Driscoll series, master spy Driscoll is “going tame”—that is, recovering from a near-death accident and enjoying domestic peace. Driscoll, now known as Allan Trotter, hasn’t killed anyone in more than a year. He still works for the Agency—a super-secret intelligence unit of the US government known only to the president and its founding congressman—but he’s too full of pins and plates to be a field agent anymore. To top it off, he’s so smitten with beautiful media mogul Regina Hudson that he’s contemplating settling down. But Trotter’s new life is rudely interrupted when he learns that Soviet spies are bent on taking charge of the upcoming US presidential election. Their instrument is an influential senator, Hank Van Horn, a womanizing bad seed who— despite an upstanding reputation—once murdered one of his own staffers. And as if the election plot wasn’t perilous enough, Van Horn’s relentless son, Mark, soon gets involved in a very bloody way.

Plainsong Random House

To open this book is to enter the perilous, thrilling world of Billy Bathgate, the brazen boy who is accepted into the inner circle of the notorious Dutch Schultz gang. Like an urban Tom Sawyer, Billy takes us along on his fateful adventures as he becomes good-luck charm, apprentice, and finally protégé to one of the great murdering gangsters of the Depression-era underworld in New York City. The luminous transformation of fact into fiction that is E. L. Doctorow’s trademark comes to triumphant fruition in Billy Bathgate, a peerless coming-of-age tale and one of Doctorow’s boldest and most beloved bestsellers.

Problematic Narratives Random House

«Billy Bathgate es una gran novela, digna de figurar entre las obras maestras de la literatura norteamericana del siglo XX.» Javier Tomeo Billi Bathgate recibió el Premio PEN / Faulkner y el Premio Nacional de la Crítica, y fue finalista del Premio... Because They Wanted To Simon and Schuster

One of America’s premier writers, the bestselling author of Ragtime, Billy Bathgate, The Book of Daniel, and World’s Fair turns his astonishing narrative powers to the short story in five dazzling explorations of who we are as a people and how we live. Ranging over the American continent from Alaska to Washington, D.C., these superb short works are crafted with all the weight and resonance of the novels for which E. L. Doctorow is famous. You will find yourself set down in a mysterious redbrick townhouse in rural Illinois (“A House on the Plains”), working things out with a baby-kidnapping couple in California (“Baby Wilson”), living on a religious-cult commune in Kansas (“Walter John Harmon”), and sharing the heartrending cross-country journey of a young woman navigating her way through three bad marriages to a kind of bruised but resolute independence (“Jolene: A Life”). And in the stunning “Child, Dead, in the Rose Garden,” you will witness a special agent of the FBI finding himself at a personal crossroads while investigating a grave breach of White House security. Two of these stories have already won awards as the best fiction of the year published in American periodicals, and two have been chosen for annual best-story anthologies. Composed in a variety of moods and voices, these remarkable portrayals of the American spiritual landscape show a modern master at the height of his powers.

Doctorow: Collected Stories Roca editorial

NEW YORK TIMES BESTSELLER With brilliant and audacious strokes, E. L. Doctorow creates a breathtaking collage of memories, events, visions, and provocative thought, all centered on an idea of the modern reality of God. At the heart of this stylistically daring tour de force is a detective story about a cross that vanishes from a rundown Episcopal church in lower Manhattan only to reappear on the roof of an Upper West Side synagogue. Intrigued by the mystery—and by the maverick rector and the young rabbi investigating the strange act of desecration—is a well-known novelist, whose capacious brain is a virtual repository for the ideas and disasters of the age. Daringly poised at the junction of the sacred and the profane, filled with the sights and sounds of New York, and encompassing a large cast of vividly drawn characters including theologians, scientists, Holocaust survivors, and war veterans, City of God is a monumental work of spiritual reflection, philosophy, and history by America’s preeminent novelist and chronicler of our time. Praise for City of God “A grander perspective on the universe . . . a novel that sets its sights on God.”—The Wall Street Journal “Dazzling . . . The true miracle of City of God is the way its disparate parts fuse into a consistently enthralling and suspenseful whole.”—Time “Blooms with humor, and a humanity that carries triumphant as intelligent a novel as one might hope to find these days.”—Los Angeles Times “Radiates [with] panoramic ambition and spiritual incandescence.”—Chicago Tribune “One of the greatest American novels of the past fifty years . . . Reading City of God restores one’s faith in literature.”—The Houston Chronicle

El Doctorow Ruder Finn Press

WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD WINNER OF THE PEN/FAULKNER AWARD NEW YORK TIMES BESTSELLER In 1864, Union general William Tecumseh Sherman marched his sixty thousand troops through Georgia to the sea, and then up into the Carolinas. The army fought off Confederate forces, demolished cities, and accumulated a borne-along population of freed blacks and white refugees until all that remained was the dangerous transient life of the dispossessed and the triumphant. In E. L. Doctorow’s hands the great march becomes a floating world, a nomadic consciousness, and an unforgettable reading experience with awesome relevance to our own times.

World’s Fair Random House Incorporated

E. L. Doctorow is acclaimed internationally for such novels as Ragtime, Billy Bathgate, and The March. Now here are Doctorow’s rich, revelatory essays on the nature of imaginative thought. In Creationists, Doctorow considers creativity in its many forms: from the literary (Melville and Mark Twain) to the comic (Harpo Marx) to the cosmic (Genesis and Einstein). As he wrestles with the subjects that have teased and fired his own imagination, Doctorow affirms the idea that “we know by what we create.” Just what is Melville doing in Moby-Dick? And how did The Adventures of Tom Sawyer impel Mark Twain to radically rewrite what we know as Huckleberry Finn? Can we ever trust what novelists say about their own work? How could Franz Kafka have written a book called Amerika without ever leaving Europe? In posing such questions, Doctorow grapples with literary creation not as a critic or as a scholar-but as one working writer frankly contemplating the work of another. It’s a perspective that affords him both protean grace and profound insight. Among the essays collected here are Doctorow’s musings on the very different Spanish Civil War novels of Ernest Hemingway and André Malraux; a candid assessment of Edgar Allan Poe as our “greatest bad writer”; a bracing analysis of the story of Genesis in which God figures as the most complex and riveting character. Whether he is considering how Harpo Marx opened our eyes to surrealism, the haunting photos with which the late German writer W. G. Sebald illustrated his texts, or the innovations of such literary icons as Heinrich von Kleist, Harriet Beecher Stowe, and Sinclair Lewis, Doctorow is unfailingly generous, shrewd, attentive, surprising, and

precise. In examining the creative works of different times and disciplines, Doctorow also reveals the source and nature of his own artistry. Rich in aphorism and anecdote, steeped in history and psychology, informed by a lifetime of reading and writing, Creationists opens a magnificent window into one of the great creative minds of our time.

Master of the Crossroads Billy Bathgate

Here is E. L. Doctorow’s debut novel, a searing allegory of frontier life that sets the stage for his subsequent classics. Hard Times is the name of a town in the barren hills of the Dakota Territory. To this town there comes one day one of the reckless sociopaths who wander the West to kill and rape and pillage. By the time he is through and has ridden off, Hard Times is a smoking ruin. The de facto mayor, Blue, takes in two survivors of the carnage—a boy, Jimmy, and a prostitute, Molly, who has suffered unspeakably—and makes them his provisional family. Blue begins to rebuild Hard Times, welcoming new settlers, while Molly waits with vengeance in her heart for the return of the outlaw. Praise for Welcome to Hard Times “A forceful, credible story of cowardice and evil.”—The Washington Post “We are caught up with these people as real human beings.”—Chicago Sun-Times “Dramatic and exciting.”—The New York Times “Terse and powerful.”—Newsweek “A taut, bloodthirsty read.”—The Times Literary Supplement “A superb piece of fiction.”—The New Republic

Billy Bathgate Random House Trade Paperbacks

“An elegant page-turner of nineteenth-century detective fiction.” -The Washington Post Book World One rainy morning in 1871 in lower Manhattan, Martin Pemberton a freelance writer, sees in a passing stagecoach several elderly men, one of whom he recognizes as his supposedly dead and buried father. While trying to unravel the mystery, Pemberton disappears, sending McIlvaine, his employer, the editor of an evening paper, in pursuit of the truth behind his freelancer’s fate. Layer by layer, McIlvaine reveals a modern metropolis surging with primordial urges and sins, where the Tweed Ring operates the city for its own profit and a conspicuously self-satisfied nouveau-riche ignores the poverty and squalor that surrounds them. In E. L. Doctorow’s skilled hands, The Waterworks becomes, in the words of The New York Times, “a dark moral tale . . . an eloquently troubling evocation of our past.” “Startling and spellbinding . . . The waters that lave the narrative all run to the great confluence, where the deepest issues of life and death are borne along on the swift, sure vessel of [Doctorow’s] poetic imagination.” -The New York Times Book Review “Hypnotic . . . a dazzling romp, an extraordinary read, given strength and grace by the telling, by the poetic voice and controlled cynical lyricism of its streetwise and world-weary narrator.” -The Philadelphia Inquirer “A gem of a novel, intimate as chamber music . . . a thriller guaranteed to leave readers with residual chills and shudders.” -Boston Sunday Herald “Enthralling . . . a story of debauchery and redemption that is spellbinding from first page to last.” -Chicago Sun-Times “An immense, extraordinary achievement.” -San Francisco Chronicle

Atropos Random House Trade Paperbacks

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ST. LOUIS POST-DISPATCH, SLATE, AND THE TELEGRAPH This brilliant novel by the author of Ragtime, The Book of Daniel, Billy Bathgate, and The March takes us on a radical trip into the mind of a man who, more than once, has been the inadvertent agent of disaster. Speaking from an unknown place and to an unknown interlocutor, Andrew is thinking, Andrew is talking, Andrew is telling the story of his life, his loves, and the tragedies that have led him to this place and point in time. As he peels back the layers of his strange story, we are led to question what we know about truth and memory, brain and mind, personality and fate, about one another and ourselves. Probing, mischievous, and profound, Andrew’s Brain is a singular achievement in the canon of an American master. Look for special features inside. Join the Random House Reader’s Circle for author chats and more. “Too compelling to put down . . . fascinating, sometimes funny, often profound . . . Andrew is a provocatively interesting and even sympathetic character. . . . The novel seamlessly combines Doctorow’s remarkable prowess as a literary stylist with deep psychological storytelling pitting truth against delusion, memory and perception, consciousness and craziness. . . . [Doctorow] takes huge creative risks—the best kind.”—USA Today “Andrew’s Brain is cunning. . . . [A] sly book . . . This babbling Andrew is a casualty of his times, binding his wounds with thick wrappings of words, ideas, bits of story, whatever his spinning mind can unspool for him. . . . One of the things that makes [Andrew] such a terrific comic creation is that he’s both maddeningly self-delusive and scarily self-aware: He’s a fool, but he’s no innocent. . . . Andrew may not be able to enjoy his brain, but Doctorow, freely choosing to inhabit this character’s whirligig consciousness, can.”—The New York Times Book Review “A tantalising tour de force . . . a journey worth taking . . . With exhilarating brio, the book plays off . . . two contrasting takes on mind and brain. . . . [Andrew’s Brain encompasses] an astonishing range of modes: vaudeville humour, tragic romance, philosophical speculation. . . . It fizzes with intellectual energy, verbal pyrotechnics and satiric flair.”—The Sunday Times (London) “Dramatic . . . cunning and beautiful . . . strange and oddly fascinating, this book: a musing, a conjecture, a frivolity, a deep interrogatory, a hymn.”—San Francisco Chronicle “Provocative . . . a story aswirl in a whirlpool of neuroscience, human relations, loss, guilt and recent American history . . . Doctorow reveals his mastery in the sheen of a text that is both window and mirror. Reading his work is akin to soaring in a glider. Buoyed by invisible breath, readers encounter stunning vistas stretching to horizons they’ve never imagined.”—The Plain Dealer “Andrew’s ruminations can be funny, and his descriptions gorgeous.”—Associated Press “[An] evocative, suspenseful novel about the deceptive nature of human consciousness.”—More “A quick and acutely intelligent read.”—Entertainment Weekly
