A Memoir Taylor & Francis

INSTANT NEW YORK TIMES BESTSELLER From the #1 New York Times bestselling author of *In a Dark, Dark Wood*, *The Woman in Cabin 10*, *The Lying Game*, and *The Death of Mrs. Westaway* comes Ruth Ware's highly anticipated fifth novel. When she stumbles across the ad,

she's looking for something else completely. But it seems like too good an opportunity to miss—a live-in nannyng post, with a staggeringly generous salary. And when Rowan Caine arrives at Heatherbrae House, she is smitten—by the luxurious “smart” home fitted out with all modern conveniences, by the beautiful Scottish Highlands, and by this picture-perfect family. What she doesn't know is that she's stepping into a nightmare—one that will end with a child dead and herself in prison awaiting trial for murder. Writing to her lawyer from prison, she struggles to explain the unravelling events that led to her incarceration. It wasn't just the constant surveillance from the cameras installed around the house, or the malfunctioning technology that woke the household with booming music, or turned the lights off at the worst possible time. It wasn't just the girls, who turned out to be a far cry from the immaculately behaved model children she met at her interview. It wasn't even the way she was left alone for weeks at a time, with no adults around apart from the enigmatic handyman, Jack Grant. It was everything. She knows she's made mistakes. She admits that she lied to obtain the post, and that her behavior toward the children wasn't always ideal. She's not innocent, by any means. But, she maintains, she's not guilty—at least not of murder. Which means someone else is. Full of spellbinding menace and told in Ruth Ware's signature suspenseful style, *The Turn of the Key* is an unputdownable thriller from the Agatha Christie of our time. The *Psychology of Screenwriting* is more than an interesting book on the theory and practice of screenwriting. It is also a philosophical analysis of predetermination and freewill in the context of writing and human life in our mediated world of technology. Drawing on humanism, existentialism, Buddhism, postmodernism and transhumanism, and diverse thinkers from Meister Eckhart to Friedrich Nietzsche, Theodor Adorno, Jacques Derrida, Jean Baudrillard and Gilles Deleuze, *The Psychology of Screenwriting* will be of use to screenwriters, film students, philosophers and all those interested in contemporary theory. This book combines in-depth critical and cultural analysis with an elaboration on practice in an innovative fashion. It explores

how people, such as those in the Dogme 95 movement, have tried to overcome traditional screenwriting, looking in detail at the psychology of writing and the practicalities of how to write well for the screen. This is the first book to include high-theory with screenwriting practice whilst incorporating the Enneagram for character development. Numerous filmmakers and writers, including David Lynch, Jim Jarmusch, David Cronenberg, Pedro Almodóvar, Darren Aronofsky, Sally Potter and Charlie Kaufman are explored. The Psychology of Screenwriting is invaluable for those who want to delve deeper into writing for the screen.

From Inception to The Lake House, moviegoers are increasingly flocking to narratologically complex puzzle films. These puzzle movies borrow techniques—like fragmented spatio-temporal reality, time loops, unstable characters with split identities or unreliable narrators—more commonly attributed to art cinema and independent films. The essays in Hollywood Puzzle Films examine the appropriation of puzzle film techniques by contemporary Hollywood dramas and blockbusters through questions of narrative, time, and altered realities. On February 14, 1986, Valentine ' s Day, Salman Rushdie was telephoned by a BBC journalist and told that he had been “ sentenced to death ” by the Ayatollah Khomeini, a voice reaching across the world from Iran to kill him in his own country. For the first time he heard the word fatwa. His crime? To have written a novel called *The Satanic Verses*, which was accused of being “ against Islam, the Prophet, and the Quran. ” So begins the extraordinary, often harrowing story—filled too with surreal and funny moments—of how a writer was forced underground, moved from house to house, an armed police protection team living with him at all times for more than nine years. He was asked to choose an alias that the police could call him by. He thought of writers he loved and combinations of their names; then it came to him: Conrad and Chekhov—Joseph Anton. He became “ Joe. ” How do a writer and his young family live day by day with the threat of murder for so long? How do you go on working? How do you keep love and joy alive? How does despair shape your thoughts and actions, how and why do you stumble, how

do you learn to fight for survival? In this remarkable memoir, Rushdie tells that story for the first time. He talks about the sometimes grim, sometimes comic realities of living with armed policemen, and of the close bonds he formed with his protectors; of his struggle for support and understanding from governments, intelligence chiefs, publishers, journalists, and fellow writers; of friendships (literary and otherwise) and love; and of how he regained his freedom. This is a book of exceptional frankness and honesty, compelling, moving, provocative, not only captivating as a revelatory memoir but of vital importance in its political insight and wisdom. Because it is also a story of today ' s battle for intellectual liberty; of why literature matters; and of a man ' s refusal to be silenced in the face of state-sponsored terrorism. And because we now know that what happened to Salman Rushdie was the first act of a drama that would rock the whole world on September 11th and is still unfolding somewhere every day.

It's a laugh-out-loud mashup of romantic comedy, crime fiction, and satire: Dorothy Parker meets Dorothy L. Sayers. Perennially down-and-out socialite Camilla Randall--a.k.a. "The Manners Doctor"--is a magnet for murder, mayhem and Mr. Wrong, but she always solves the mystery in her quirky, but oh-so-polite way. Usually with more than a little help from her gay best friend, Plantagenet Smith. This comic novel—which takes its title from the most famous Shakespearean quote that Shakespeare never wrote—explores how easy it is to perpetrate a character assassination whether by a great playwright or a gang of online trolls. In this hilarious episode Camilla makes the mistake of responding to an online review of one of her etiquette guides and sets off a chain of events that leads to arson, attempted rape and murder. Plantagenet, vacationing in England, is accused of the murder and nobody but Camilla's shady former boyfriend—fresh from prison—can save him. Camilla and Plantagenet are caught between rival factions of historical reenactors who are fiercely pro- and anti-Richard III. And there's a mysterious cat. Who knows more than he's letting on... Although this is #5 in the series, it can be read as a stand-alone "Laughs and social commentary abound in this global adventure. Camilla Randall, a down-on-her luck-socialite-turned-etiquette-expert, takes on review cyberbullies while her friend Plantagenet hunts down the ghost of Richard III. "Anne R. Allen has given us a hilarious satire that pokes fun at some dark topics." "Anne Allen is masterful at keeping the plot twisting and turning; and making sure all those details make sense by the end." "On the surface, it's a frothy romance-cum-

suspense story...but underneath, it provides a perceptive insight into the mad world of modern publishing and the subculture of Internet lunatics."

"Josephine Tey's *Daughter of Time* for the 21st Century." "Laughs and social commentary abound in this global adventure. Camilla Randall, a down-on-her luck-socialite-turned-etiquette-expert, takes on review cyberbullies while her friend Plantagenet hunts down the ghost of Richard III."
