Billy the Kid: The Endless Ride by Michael Wallis

Michael Wallis offers a book - "Billy the Kid" - to prove not much is known about Billy the Kid. The Kid (name not certain, Wallis says) was dead before he was 22. There usually is little enough to say even about the greatest in our histories from the years of childhood and adolescence. There is not much factual to say about The Kid.

Award-winning historian Michael Wallis has spent several years re-creating the rich, anecdotal saga of Billy the Kid (1859-1881), a deeply mythologized young man who became a legend in his own time and yet remains an enigma to this day. With the Gilded Age in full swing and the Industrial Revolution reshaping the American landscape, "the Kid," who was gunned down by Sheriff Pat Garrett in the New Mexico Territory at the age of twenty-one, became a new breed of celebrity outlaw.

February 18, 1878, Tunstall was killed by Murphy-Dolan gunmen William Morton, Frank Baker, Jesse Evans and Tom Hill while he and his ranch-

hands, Dick Brewer, Billy the Kid, John Middleton, Henry Newton Brown, Bob Widenmann, and Fred Waite, were driving nine horses from his ranch on the Rio Feliz to Lincoln. The next day, Bonney and Brewer swear out affidavits and warrants are issued by Justice of the Peace John Wilson for the sub-posse.

Gardner Paperback \$16.99.

The attraction of Billy the Kid: The Endless Ride (Norton) by Michael Wallis is that the legend is fully appreciated. Wallis mentions but does not detail the many media representations the legend has presented after the Kid's death, but does show much of what the papers had to say about him during his life, and also what people who knew him said years after his death, and how unreliable it all is.
