Biology Principles And Explorations Directed Reading ...

To assess students' understanding of concepts at the end of instruction, Biology: Principles & Explorations provides a test for each chapter and includes a generic Portfolio Assessment suggestion—to have students construct a concept map from each chapter (p. 49T). These options in chapters 4, 5, and 16, the chapters that treat the key ideas of matter and energy transformations most extensively, were examined for the first two criteria.

chapter 3 biology principles explorations Flashcards and ...

alleles (los alelos) the

different versions of a gene, each individual receives one allele from each parent and that allele can then be passed on when that individual reproduces. dominant (dominante) the expressed form of the trait. recessive (recesivo) the trait that is not expressed. homozygous.

Textbook Reading Guides - The Biology Corner

These worksheets are tailored to the current textbook: Biology by Miller and Levine (commonly called the Dragonfly book) Most are specifically targeted to chapter sections

– as in, students read the section of the chapter and answer very straightforward questions as they read. I originally designed the reading guides to encourage freshman students to read the chapters.
