Three letters of recommendation, including one from a prospective thesis or project advisor, are required. Accelerated Option Requirements. At the beginning of the student's final undergraduate semester, students must submit a bachelor's/accelerated master's transition form (available from the Office of the University Registrar) to the College of Science's Office of Academic and Student Affairs.

Biology Exam – CLEP – The College Board

Biology Overview. The Biology examination covers material that is usually taught in a one-year college general biology course. The subject matter tested covers the broad field of the biological sciences, organized into three major areas: molecular and cellular biology, organismal biology, and population biology.
