Birch bark is a flexible type of tree bark that is known for curling off the tree in pieces resembling sheets of paper. This property makes the bark popular for crafting and decorating especially for rustic themed projects. The bark can be glued to objects or formed into crafts adding natural charm and a woodsy theme to your decor.

These elegant little birch branch letters can be formed easily from a collection of branches. To make the letters, simply pick the right branch pieces to form a letter. Then, glue the pieces together and wrap with embroidery thread or twine. Glue the finished letter onto a small slab of birch log. These can be used to spell out names, as place settings, or a fun greeting such as "gather".
