Geometric Shapes Art Scrapbook Paper Page Street Publishing

Throughout Oregon and Washington there are several hundred thousand family forest owners, in addition to millions of forest acres under the care of community forests, municipalities, and Indigenous tribes, all of whom manage trees for sustainable wood harvest as well as recreation, inspiration, and a range of cultural connections. Yet there hasn't been a complete resource for Pacific Northwest forest stewards until now. In this comprehensive how-to, authors Kirk Hanson and Seth Zuckerman explore all aspects of forest management—everything from how to evaluate a piece of land before you buy it through implementing long-term plans that may include establishing new stands of trees, harvesting mushrooms as well as wood, and protecting your forests far into the future through wildfire risk reduction, climate change adaptation, and conservation easements. Loaded with helpful tables and illustrations that address the pros and cons of various species and how to best care for wildlife and the land, A Forest of Your Own is a clear guide to the many rewards of ecological forestry.

Just Add Watercolour is an innovative and accessible guide to this most dynamic of artforms, packed with bite-sized creative painting tips and advice, offering aspiring artists the freedom to dip in and out for practical information or flick through for fresh inspiration and ideas. Showcasing nearly 100 works by contemporary artists across a range of different styles and approaches, Just Add Watercolour highlights and examines the different techniques, qualities and effects relating to each piece. Organized into chapters according to medium and materials (e.g. traditional watercolour, gouache, digital, mixed media) artwork is featured large and luscious, accompanied by extended captions, insightful tips and practical advice. A visual index at the front of the book enables the reader to easily identify a specific painting, style, colour or subject matter. Throughout the book, useful information and practical tips are provided on a wide range of topics such as tone, perspective, colour and much more besides. Readers are encouraged to discover the various ways in which similar subjects and styles are executed by different artists, while also being inspired to use the tips in the book as a way of building on their existing skills. Offering a bold, refreshing change from other run-of-the-mill art books, Just Add Watercolour adopts the unique approach of accessing practical information via the images, focusing on the way subjects can be treated using a range of different watercolour techniques, rather than looking at how to master one single style.
