[Bumblebee field guide app released - BirdGuides](#)

The Field Guide to the Birds of Australia Authored by Graham Pizzey and Frank Knight and first published in 1980, this is an enduring and very popular field guide

for Australian birders. Frank Knight's evocative colour images really do capture the essence of our birds and assist greatly in identification.

Synopsis Following on from its hugely successful launch in 1999, Collins Bird Guide -- the ultimate reference book for bird enthusiasts -- now enters its second edition. With expanded text and additional colour illustrations, the second edition of the hugely successful Collins Bird Guide is a must for every birdwatcher.
