Our digital library saves in multipart countries, allowing you to acquire the most less latency time to download any of our books taking into consideration this one. Merely said, the Birdy William Wharton is universally compatible similar to any devices to read.

Birdy Penguin

Inspired by her grandparents' WWII courtship letters, New York Times bestselling author Kristina McMorris delivers a moving tale of friendship, family, and the twists of fate that change us forever . . . It's 1944, and although foreign battles are escalating, the war seems distant in every way to sensible college student Liz Stephens. That is, until her chance encounter with charming infantryman Morgan McClain at a USO dance in Chicago. Their deep connection feels mutual to Liz, but to her dismay, her bombshell roommate, Betty, is the one who promises to write the deploying soldier. Singer Betty Cordell delights in the prospect of a dashing serviceman filling her life with adventure, marital bliss, and societal circles outranking her modest roots. It only makes sense for her to beg Liz for help penning an eloquent letter to Morgan, now bound for a dangerous front. After all, she's certain the beauty of Liz's ghostwritten prose would ensure a courtship as enviable as their roommate Julia's relationship with her beloved sailor—and Betty is right, though not how she foresees. Likewise, Julia Renard's betrothal is more complicated than it appears. When tempting opportunities arise, the future she always envisioned as a devoted wife and mother risks derailment. And yet, as the Allies edge toward victory, every person—through heart-wrenching choices and life-altering letters—will discover within themselves profound courage, bittersweet hope, and the true meaning of home . . . "A gripping and memorable story, *Letters from Home* is a timeless lesson in love and loss and the moments that shape our lives." —Pam Jenoff, New York Times bestselling author of *The Lost Girls of Paris*

The Art of Arranging Flowers Knopf

Hailed upon its publication as "a classic for readers not yet born" (Philadelphia Inquirer), *Birdy* is an inventive, hypnotic novel about friendship and family, dreaming and surviving, love and war, madness and beauty, and, above all, "birdness." It tells the story of Al, a bold, hot-tempered boy whose goals in life are to life weights and pick up girls, and his strange friend Birdy, the skinny, tongue-tied perhaps genius who only wants to raise canaries and to fly. While fighting in World War II, they find their dreams become all too real—and their lives are changed forever. In *Birdy*, William Wharton crafts an unforgettable tale that suggests another notion of sanity in a world that is manifestly insane.

The 13th Valley Broadway Play Pub

Know Scumbler in his poignant, hilarious life. Get mad at him and even cry with him. Here's Don Quixote, Santa Claus, and Faust rolled into one "thick shadow" of a man. A joyous sixty-year-old American street painter lives on the Left Bank in Paris, making a living by creating rentable apartments out of the most unlikely spaces. Mostly, however, he paints with utter delight in the creative act and discovers remarkable characters along his path: crafts-men, students, prostitutes, motorcyclists. He scumbles and fails. He digs twisting tunnels under Paris streets and builds nests: nature nests, rats' nests, birds' nests. He collects clocks and designs his own life from the "inside." Wanting to be true beyond honesty, visible past seeing to being, Scumbler scrambles, tumbles, rumbles, rambles through the ecstatic pleasure of creation and the pangs of ordinary existence.

The Ghost Writer Simon and Schuster

I Wish This War Were Over, runner-up for the Pulitzer Prize, is a coming-of-age story of love and pain set against the tumultuous background of World War II... "something rare and precious: a novel of genuine distinction..." Jonathan Yardley, *The Washington Post*

Wrongful Deaths HarperCollins UK

A moving and eloquent novel about love, grief, renewal—and the powerful language of flowers. Ruby Jewell knows flowers. In her twenty years as a florist she has stood behind the counter at the Flower Shoppe with her faithful dog, Clementine, resting at her feet. A customer can walk in, and with just a glance or a few words, Ruby can throw together the perfect arrangement for any occasion. Whether intended to rekindle a romance, mark a celebration, offer sympathy, or heal a broken heart, her expressive floral designs mark the moments and milestones in the lives of her neighbors. It's as though she knows just what they want to say, just what they need. Yet Ruby's own heart's desires have gone ignored since the death of her beloved sister. It will take an invitation from a man who's flown to the moon, the arrival of a unique little boy, and concern from a charming veterinarian to reawaken her wounded spirit. Any life can be derailed, but the healing power of community can put it right again. READERS GUIDE INSIDE

The Waters of Kronos Harper Collins

Monkey Beach meets *Green Grass*, *Running Water* meets *The Beachcombers* in this wise and funny novel by a debut Cree author Birdie is a darkly comic and moving first novel about the universal experience of recovering from wounds of the past, informed by the lore and knowledge of Cree traditions. Bernice Meetoos, a Cree woman, leaves her home in Northern Alberta

following tragedy and travels to Gibsons, BC. She is on something of a vision quest, seeking to understand the messages from *The Frugal Gourmet* (one of the only television shows available on CBC North) that come to her in her dreams. She is also driven by the leftover teenaged desire to meet Pat Johns, who played Jesse on *The Beachcombers*, because he is, as she says, a working, healthy Indian man. Bernice heads for Molly's Reach to find answers but they are not the ones she expected. With the arrival in Gibsons of her Auntie Val and her cousin Skinny Freda, Bernice finds the strength to face the past and draw the lessons from her dreams that she was never fully taught in life. Part road trip, dream quest and travelogue, the novel touches on the universality of women's experience, regardless of culture or race.

One Flea Spare Kensington Publishing Corp.

A welcome reissue of this wartime classic from the author of *Birdy*.

How to Live Safely in a Science Fictional Universe (Enhanced Edition) Macmillan

"Susanna Moore's novel astonished me--one of those brilliant objects that come along only rarely, all light on clear water, and then one realizes the faster currents underneath, the terrible swiftness of sex and time." --Joan Didion In this mesmerizing novel, Susanna Moore displays a naturalist's eye for the landscape of her native Hawaii and an uncanny sensitivity to the despairing love between mothers and daughters. Lily Shields grows up amid the fragrance of night-jasmine and burning sugar cane, and the heady atmosphere of her mother's madness. For if Anna Shields is an island unto herself--fragile, glamorous, and fearfully needy--Lily is the bridge that connects her to reality. But now Lily is a young woman and a mother herself, self-exiled from Hawaii but still attached to Anna's tragedy. And as she tries to untangle those threads of love and loyalty, Moore gives us a novel of shimmering beauty and sadness. My Old Sweetheart is a small classic, perfectly formed and mysteriously wise. "Susanna Moore is a gifted and compelling novelist . . . in possession of her own unique voice." --The New York Times Book Review "I can't recall another novel like this about mothers and daughters. . . . Lily's mysterious, half-told tale delighted and touched me." --Susan Lydon, *Village Voice*

Shrapnel HarperCollins UK

Best friends Chuck and Willy head out for a carefree excursion and realize that danger lurks ahead when a man from the pound crosses their path.

Things of Dry Hours Vintage

Fiction. Set in Brooklyn Heights, *THE EIGHTH DAY OF THE WEEK* is a novel of obsessive guilt and regret gnawing at the heart of a prominent doctor. The book is part mystery, part drama, a tale which unfolds to reveal such an immense depth of passion and fear within the doctor that one turns the pages with tremendous anticipation and tension, with a sense of trepidation, in fact. This is a book which makes you think about the nature of reality and relationships, the possible and the impossible, the bizarre manifestations of what we call love-- William Wharton.

Look Out, Whitey! Macmillan

In Depression-era Alabama, black Sunday school teacher and Communist Party member Tice Hogan lives on the edge of trouble. When a white factory worker on the run demands sanctuary, Tice and his daughter may be pushed over that edge. *THINGS OF DRY HOURS* is a beautiful, brave and devastating play, a profound imaginative delving into radical resistance and hope rising at an impossible moment, in crushingly inhospitable circumstances. No one writes about politics, history and all that's hidden underneath better than Naomi Wallace. Ferocious, tender, whimsical, tough, brutally direct, poetically elusive, her voice is utterly unique and essential. I'm grateful, as always, for her unsparing, painful, sexy stirring up of our human selves." -Tony Kushner "Naomi Wallace's gorgeously written and philosophically rich celebration of a black Communist agitator in the Depression-era South . . . Wallace weaves together these proud, lonely souls with language rich in metaphor and, at times, as hard and piercing as a handful of nails." -Time Out New York "Naomi Wallace's fierce new play tackles the plight of black communists in America . . . Naomi Wallace is a dangerous woman . . . not only in her writing . . . but also in her personal stand against what she sees as injustice and the peeling away of democratic rights." -The Guardian (U K)
