Mark Sloan and 2 other people liked Charity's review of Birth Day: A Pediatrician Explores the Science, the History, and the Wonder of Childbirth: "I found this book fascinating. Before James was born I must have read almost fifty books on pregnancy, babies, and the like. I found them informative and some, alarming.

Pediatrician, husband, and father, the author
has attended nearly 3,000 births since that long-
ago summer, encountering everything from
routine deliveries to tense labor-room dramas.
In Birth Day Sloan draws on his personal and
professional experience to weave the strands of
memoir, history, science, and culture into a
fascinating - and often funny - tapestry of this
fundamental human passage.
