FBI agent Devin Kincaid is assigned the urgent task of tracking down the abducted grandson of the rich and powerful Ryan Fortune. A determined loner whose grit and tenacity make him the best man for the job, the last thing Devin needs is the help of the boy's aunt, Vanessa Fortune. First, she's too emotionally involved, and second, she's way too much of a temptation he doesn't need. A criminal psychologist, Vanessa can't sit on the sidelines while her family lives its worst nightmare. She's not running from the fierce attraction between them, but knows Devin is doing everything he can to convince himself that a Fortune heiress and a street-smart cop don't mix. But as tensions rise, passions flare and soon dangerous situations call for desperate measures—and a willingness to trust all they've got.

" [S]tirring . . . a bold, inspiring and ultimately hopeful book. " —Arianna Huffington, cofounder and editor-in-chief of The Huffington Post and author of the New York Times bestseller Thrive " A beautiful portrait of the power of hope and love in the healing of a person, a community, and a country. " —Gabrielle Giffords, former congresswoman and New York Times bestselling author Kaitlin Roig-DeBellis is the first-grade teacher at Sandy Hook Elementary School who saved her entire class of fifteen six- and-seven-year-olds from the tragic events that took place on December 14, 2012, by piling them into a single-occupancy bathroom within her classroom, mere feet from the brutal and indiscriminate massacre taking place outside the door. Since then, despite the unimaginably painful experiences she endured, she has chosen to share her experience with others, in the hope that they, too, can find light in dark moments. Choosing Hope is a lot of things. A written witness to a tragedy that will never be forgotten. A gripping firsthand testament to the power of good over the power of destruction. An inspirational memoir by a brave young woman whose story is one of courage, heroism, faith, and resilience. And a celebration of all the people who make the choice to pass along their hope and positivity to young ones—parents, mentors, and especially teachers. There is no moving on, but there is always moving forward. And how we move forward is a choice. *Books for a Better Life Award Finalist*

"Jacob (Yock) Bauman, a young member of an Amish community near Kitchener, Ontario, chafes at the strict (and, he believes, outmoded) beliefs of his elders, particularly those of his father, Christy. World War I is raging in Europe, and most of Canada's young men have gone off to fight with the British forces, but the Amish, because of their pacifist convictions, have refused to join the war effort. By deciding to enlist, Yock alienates himself not only from family and community, but also from the lovely Katie Brubacher, with whom he has fallen in love. When Yock returns from the war Katie has wed someone else and, ironically, the very acts of bravery which have made him a hero to the rest of Canada have made Yock a bloody-handed villain to his own people. Although the compassionate Katie offers to leave her husband and go off with him, Yock accepts his status as an outcast and departs alone, but not before admitting that, while standing over the body of a slain German soldier, the meaning of pacifism was, at last, powerfully revealed to him. In the end, Yock's stern father (now a bishop) is vindicated--but at the loss of the one he sought to save, his beloved and only son!"--Playdatabase.com
