Start a house cleaning business with this step-by-step guide and be up and running in one week. Back in the olden days before the internet was really popular and you could Google search anything, there was trial and error. If you wanted to start a house cleaning business from scratch you could, but it was rarely an overnight success for anybody. Big success was tossed to the cleaning service franchisees who could afford the fancy training, and well-built brands, while the mom and pop cleaning services were left to figure it out on

their own. Good news - times have changed. As an independent house cleaner, you no longer have to wade through endless Pinterest boards for tips and ideas on how to start a house cleaning business. Angela Brown built from scratch one of the most successful independently owned and operated house cleaning companies in the Southeastern United States. If you are serious about success in the cleaning service industry, you should sign up for her free tips, tricks and time saving hacks by joining the Savvy Cleaner email list at: [savvycleaner.com/tips](http://savvycleaner.com/tips) and you follow her blog at: [AskaHouseCleaner.com](http://AskaHouseCleaner.com) She has trained a multitude of independent house cleaners how to take their business from day one through expansion and enormous growth. How to bid jobs, what to charge, What kind of car you need, Confidence builders & how to build instant credentials, Bonding, insurance The magic of the Mulligan, How to get an endless stream of referrals, how much you should pay for referral fees, How to never have any billing and collections, and how to always get paid and on time. (There is a reason they call Angela Brown "The House Cleaning Guru.") If you're here because you have an interest in house cleaning or in upgrading your life and you want to start a house cleaning business, welcome. House cleaning business is a 49 billion dollar a year industry that is nearly recession proof - when times get hard, people work more hours to pay the bills, they have less time at home to clean, so they outsource their cleaning - which means more business for you and me. Another awesome reason to start a house cleaning business is this: unlike a regular 9 to 5 job if you get fired, you're not out of work. You simply add another customer into your new available time slot and keep going. And you will learn here how to do such an amazing job, that you will never get fired, and your clients will never want you to leave. Franchise or Start a house cleaning business? "[S]tirring . . . a bold, inspiring and ultimately hopeful book." —Arianna Huffington, cofounder and editor-in-chief of The Huffington Post and author of the New York Times bestseller *Thrive* "A beautiful portrait of the power of hope and love in the healing of a person, a community, and a country." —Gabrielle Giffords, former congresswoman and New York Times bestselling author Kaitlin Roig-DeBellis is the first-grade teacher at Sandy Hook Elementary School who saved her entire class of fifteen six- and seven-year-olds from the tragic events that took place on December 14, 2012, by piling them into a single-occupancy bathroom within her classroom, mere feet from the brutal and indiscriminate massacre taking place outside the door. Since then, despite the unimaginably painful experiences she endured, she has chosen to share her experience with others, in the hope that they, too, can find light in dark moments. *Choosing Hope* is a lot of things. A written witness to a tragedy that will never be forgotten. A gripping firsthand testament to the power of good over the power of destruction. An inspirational memoir by a brave young woman whose story is one of courage, heroism, faith, and resilience. And a celebration of all the people who make the choice to pass along their hope and positivity to young ones—parents, mentors, and especially teachers. There is no moving on, but there is always moving forward. And how we move forward is a choice. \*Books for a Better Life Award Finalist\*
