If any country was born to holiday, it's Australia.Sun, space, beaches - the desire to hit the road and "get out of town" remains a strong and enduring part of our cultural identity. Many of us remember the summer ritual of packing up the car with half the stuff we owned and heading for our chosen "spot" in often incident-packed road trips.Central to those memorable journeys was the motel. "We'll stay a night in Gundagai," Dad would say, to break up the trip. Discovering the configuration of a new motel was all part of the holiday adventure - did it have a colour TV? The little packs of cereal? A couple of complimentary Arrowroots to go with the free tea and coffee? Bricks on the inside as well as the out?In his new book Motel, Tim Ross captures the heyday of Australia's motels via a deep trawl through the National Archives, presenting a fascinating slideshow of Australians on holidays between 1950 and 1989.A pictorial love letter to a somewhat bygone era, it captures the accessible glamour and car-friendly convenience of the road-side motel, from Gold Coast 'palaces' to out-of-the-way comfort stops (some with attached restaurant! Dinner: 6.30-8pm).Motel is an affectionate tribute to one of this country's greatest democratic institutions. From Prime Ministers to punters, at some stage we've all had to lay our head down at a welcoming motel as the sun sets on the highway.

Aiden From the second I saw her, I knew she'd be my ruin. Sitting all alone at the bar, she looked like an angel. Eurydice in human form; her beauty eclipsed by demons. Now, I'm one of them. The ghost she's tried for years to escape. Thinking I wouldn't be able to find her. But I never stopped trying, and now that I have, her past sins should be the least of her worries. Riley From the moment he saw me, I knew I'd ruin his life. Alone at the bar, I dared the monster to come and play. Orpheus in the flesh, with his sad songs and strange obsessions. I became one of them. The siren who calls to the darkest parts of him. Only, I disappeared before he could act on it. But now he's here, and he wants me to repent for my sins. ***

Taryn Clark thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.

The charming real-life fairy tale of an American secretary who discovers she has been chosen king of an impoverished fishing village on the west coast of Africa. King Peggy chronicles the astonishing journey of American secretary, Peggielene Bartels, who suddenly finds herself king to a town of 7,000 people on Ghana's central coast, half a world away. Upon arriving for her crowning ceremony in beautiful Otuam, she discovers the dire reality: there's no running water, no doctor, no high school, and many of the village elders are stealing the town's funds. To make matters worse, her uncle (the late king) sits in a morgue awaiting a proper funeral in the royal palace, which is in ruins. Peggy's first two years as king of Otuam unfold in a way that is stranger than fiction. In the end, a deeply traditional African town is uplifted by the ambitions of its decidedly modern female king, and Peggy is herself transformed, from an ordinary secretary to the heart and hope of her community.
