**Orange Is the New Black** Da Capo Press  
DJ Ritz Harper used every trick in the book to become a media darling in *Drama Is Her Middle Name*, shock-jock Wendy Williams's exposé of a life she knows better than anyone. Playing a clever trick of her own, Williams left her heroine on the brink of death at the end of the novel. Now the second installment of the chronicles reveals what Williams's readers are dying to know: *Is the Bitch Dead, or What?* The drive-by shooting that brought her down forces Ritz to look back on her climb to the top and the people she loved, lost, used, and abused along the way. There's the brief dalliance with Tracee, her best friend, and the romance with a man with some secrets of his own; the loss of her beloved Aunt M; and the recent appearance of the father who abandoned her and is now demanding a financial payoff and fifteen minutes of fame. At the heart of it all is Ritz's need to figure out where the real-life Ritz ends and the radio bitch begins. For the huge audience hooked on *The Wendy Williams Experience* and readers itching to

find out what happens to the over-the-top star of *Drama Is Her Middle Name*, *Is the Bitch Dead, or What?* is packed with all the irresistible shocks and insider dish that make Williams the hottest voice in America today.

### **The Bitch Is Back** Anchor

Illustrates how black musical styles are incorporated into the earliest games African American girls learn--how, in effect, these games contain the DNA of black music.

Drawing on interviews, recordings of handclapping games and cheers, and her own observation and memories of gameplaying, Gaunt argues that black girls' games are connected to long traditions of African and African American musicmaking, and that they teach vital musical and social lessons that are carried into adulthood. - from publisher information.

HBIC Harper Collins

"Forget the aesthetics of mainstream minimalism and discover a life of authenticity and intention with this practical guide to living with less...your way"--

**There Are More Beautiful Things Than Beyonce** Image Comics  
Empowers teens to love and stand up for themselves and those around them by outlining situations in which a reader can—and should—be a "difficult bitch"

The Bitch Switch Tin House Books

Finalist for the Los Angeles Press Club Book Award, muse to a Givenchy fashion collection, and recommended by the *The New York Times*, *The Skimm*, *US Weekly*, *The Washington Post*, *The Boston Globe*, *Refinery 29*, *Book Riot*, *Bitch Media*, and more. "Yarrow's biting autopsy of the decade scrutinizes the way society reduced—or "bitchified"—women at work, women at home, women in court, even women on ice skates... Direct quotes from politicians, journalists and comedians about the women provide the most jarring, oh-my-god-that-really-happened portions of Yarrow's decade excavation." —

*Pittsburg Post-Gazette* The nostalgic, smart, and shocking account of how the 90s set back feminism, undermined girls and women, and shaped the millennial generation from award-winning journalist, Allison Yarrow. To understand how we got here, we have to rewind the VHS tape. 90s Bitch tells the real story of women and girls in the 1990s, exploring how they were maligned by the media, vilified by popular culture, and objectified in the marketplace. Trailblazing women like Hillary Clinton, Anita Hill, Madeleine Albright, Janet Reno, and Marcia Clark, and were undermined. Newsmakers like Britney Spears, Monica Lewinsky, Tonya Harding and Lorena Bobbitt were shamed and misunderstood. The advent of the 24-hour news cycle reinforced society's deeply entrenched misogyny. Meanwhile, marketers hijacked feminism, sold "Girl Power," and poisoned a generation. Today echoes of 90s "bitchification" still exist everywhere we look. To understand why, we must revisit and interrogate the 1990s—a decade in which empowerment was twisted into objectification, exploitation, and subjugation. Yarrow's thoughtful, juicy, and timely examination is a must-read for anyone trying to understand 21st century sexism and end it for the next generation.

**Bitch** Tricia O'Malley

Matte finish, soft cover Perfect composition book for taking notes, making lists, journaling, or a diary.

*Prison Bitch* NYU Press

A fierce, funny, and revolutionary look at the queens of the animal kingdom Studying zoology made Lucy Cooke feel like a sad freak. Not because she loved spiders or would root around in animal feces: all her friends shared the same curious kinks. The problem

was her sex. Being female meant she was, by nature, a loser. Since Charles Darwin, evolutionary biologists have been convinced that the males of the animal kingdom are the interesting ones--dominating and promiscuous, while females are dull, passive, and devoted. In *Bitch*, Cooke tells a new story. Whether investigating same-sex female albatross couples that raise chicks, murderous mother meerkats, or the titanic battle of the sexes waged by ducks, Cooke shows us a new evolutionary biology, one where females can be as dynamic as any male. This isn't your grandfather's evolutionary biology. It's more inclusive, truer to life, and, simply, more fun.

*Skinny Bastard* HarperCollins

A sharp and candid memoir from a star in the restaurant world, and an up-and-coming literary voice. Toronto restaurateur Jen Agg, the woman behind the popular *The Black Hoof*, *Cocktail Bar*, *Rhum Corner*, and *Agrikol* restaurants, is known for her frank, crystal-sharp and often hilarious observations and ideas on the restaurant industry and the world around her. I Hear She's a Real Bitch, her first book, is caustic yet intimate, and wryly observant; an unforgettable glimpse into the life of one of the most interesting, smart, trail-blazing voices of this moment.

*Bitch Is the New Black* Independently Published

Offers advice for women on how to strengthen themselves, from everyday life to the work environment.

*America, You Sexy Bitch* Simon and Schuster

*90s Bitch* HarperCollins

An edgy yet accessible "bad bitch" guide to life, love, and success from Amber Rose, renowned model, entrepreneur, and pop culture personality. *Bad Bitch* (n.): A self-respecting, strong female who has everything together. This consists of body, mind, finances, and attitude; a woman who gets her way by any means necessary. Amber Rose didn't let her early years in the tough neighborhood of South Philly keep her from achieving her star-studded goals. From the sets of music videos, to high fashion runways and magazines, to life at home with her beautiful son, Amber doesn't hesitate to command her personal stage with confidence, edge, attitude, and her own form of grace. For the first time, this renowned model, actress, socialite, pop culture maven, and self-proclaimed "bad bitch" is sharing her secrets on how to lead a powerful life in this edgy yet accessible guide to life, love, and success. With unparalleled candor, "Muva" pulls back the curtain on her rollercoaster of a journey from a young trailblazer to a worldwide phenomenon—and it's this evolution that has influenced her intoxicating, authoritative outlook on life and love. Filled with expert advice and personal anecdotes, *How to Be a Bad Bitch* covers finances, career, love, beauty, and fashion while emphasizing

confidence, positive self-acceptance, and authenticity. Above all, Amber delivers a message to all women in this fiercely fearless guide: work hard, love yourself, embrace your femininity and sexuality, and most importantly, chase the best vision of you possible.

*Gangsta Bitch* HarperCollins

"People always say I'm going to look back on these days and laugh — why put it off?" When Angela Nissel found herself struggling financially while in college, instead of sulking, she decided to entertain herself by creating an online journal that chronicled her day-to-day trials and tribulations. Written with humor and intelligence, her "Broke Diary" quickly found an audience as people wrote to Angela to empathize with, console, and laugh with her about her experiences and even share their own. *The Broke Diaries* is the first complete compilation of her experiences, written in a voice that is funny, unique, and dead-on. On buying ramen noodles: I am soooooo embarrassed. I only have 33 cents. I (please don't laugh) put the money on the counter and quickly attempt to dash out with my Chicken Flavored Salt Noodles. The guy calls me back! I look up instinctively, I should have run . . . Why didn't I run????!! He tells me the noodles are 35 cents. I try to apologize sincerely. I thought the sign said 33 cents yesterday, so that's all I brought with me. Could he wait while I ran home and get the 2 cents? I show him my student I.D. to let him know I am not a thief. He shakes his head and motions either for me to get the hell out of his store and never come back again or get the money as do come back. I don't know. He said something like "Nyh" and swiped his hand in my direction. I can't translate hand motions well. The noodles: tasty!!!

*The Baddest Bitch in the Room* Simon and Schuster

...THAT BIT ME Calvin Court is a massage therapist with a few secrets. He battles depression. He medicates with too much booze...and he's got the hots for one of his clients. Good thing is, the feeling is mutual. Bad thing is, in order to get the girl, Calvin will have to submerge himself into an underground industry of such depravity his already dark mind won't even know where to begin. Maybe he's just better off at the bar. From Jeff Menapace, author of the acclaimed *Bad Games* trilogy, comes *Hair of the Bitch*, a dark and disturbing new thriller with tongue firmly planted in cheek...until it's ripped out.

*How to Be a Bad Bitch* Harper

You'll laugh, you'll cry, and you'll cheer for Tess on her way to living her best life. Grab this summer's hottest beach read — it pairs well with a margarita and flip-flops! Finding happiness is the best revenge. From the outside, it seems thirty-six-year-old Tess Campbell has it all. A happy marriage, a successful career as a

novelist, and an exciting cross-country move ahead. Tess has always played by the rules and it seems like life is good. When Tess discovers the truth about her marriage, she throws caution to the wind and dives into the life she's secretly always wanted to live — which means Tess isn't going to let anybody tell her what to do anymore. Even when others call her a bitch for doing so. Breaking free of expectations, Tess waves goodbye from the comfort of her first-class airplane seat. Her first stop? A scuba-diving trip to Mexico. The sharks she can handle, but the handsome Scottish diving instructor with the flirtatious smile and broad shoulders has Tess tied in knots. Is Tess willing to take a chance on love again? Inspired by the true story of *New York Times* and *USA Today* Bestselling author, Tricia O'Malley. Funny, heart-wrenching, and brutally honest, *Ms. Bitch* explores one woman's journey of accepting herself and breaking free of the toxic bonds that hold us back from the life we are truly meant to live.

*Bitch Is the New Black* St. Martin's Griffin

The youngest sister of three, homegirl has something to prove. Street smart and book smart, Elle will stop at nothing to get rich quick. Determined, she sets out to be Head Bitch In Charge. But HBIC is a position to be earned and the stakes are high. Ain't no easy road to riches when treading down a path of unrighteousness. Prosperity spawns adversity and enemies. Only one can fill the shoes of HBIC. Delve into these pages to see just how much those shoes cost. Caroline McGill is back with a BANG! Prepare to be sucked into a world where money and power rules, and will ultimately destroy relationships... and even lives. Readers will love the new drama-filled HBIC series as much they love the *A Dollar Outta Fifteen Cent* series.

*Playlist for the Apocalypse: Poems* Interpet

An empowering and celebratory portrait of Black women—from Josephine Baker to Aunt Viv to Cardi B. "Powerful... Calling for Black women (in and out of the public eye) to be treated with empathy, Blay's pivotal work will engage all readers, especially fans of Mikki Kendall's *Hood Feminism*." —Kirkus (Starred) In 2013, film and culture critic Zeba Blay was one of the first people to coin the viral term #carefreeblackgirls on Twitter. As she says, it was "a way to carve out a space of celebration and freedom for Black women online." In this collection of essays, *Carefree Black Girls*, Blay expands on this initial idea by delving into the work and lasting achievements of influential Black women in American culture--writers, artists, actresses, dancers, hip-hop stars--whose contributions often come in the face of bigotry, misogyny, and stereotypes. Blay celebrates the strength and fortitude of these Black women, while also examining the many stereotypes and rigid identities that have clung to them. In writing that is both luminous and sharp, expansive and intimate, Blay seeks a path forward to a culture and society in which Black women and their art are appreciated and celebrated.

Bitch Planet #3 Phoenix Books, Inc.

From the mouths, minds, and memories of Black womxn, "bitch" exists as an insight into our everyday dealings of what it means to exist in the world the way we do. It comes through in our exhale-filled laughter, our relationships with one another, our maturity from adolescence into adulthood, our conceptions of self, and much more. From the words of a Black womxn who sat on my futon, "Nobody else is going to get it. But that's our gem... It's our history. It's our protection... You can't see how a word is used as protection when you have never needed protection in your lifetime, due to your privilege. And that's what's so astounding. And that's why it's so funny when you see a group of Black women using the word. It's kept in the circle. No one else is understanding what is going on. But them." Through engaging with 22 Black womxn in what I call, "The Bitch Conversations," I sought to illuminate the compelling space that bitch holds for us in how we deal, love, heal, and hurt. This book, a dedication to the Black womxn I spoke with and the Black womxn who read it, simply begins to uncover what it means when We say Bitch.

I Hear She's a Real Bitch Running Press Adult

New York Times bestselling author Nicole Lapin is back with a sassy and actionable guide empowering women to be the boss of their own lives and careers. You don't need dozens or hundreds of employees to be a boss, says financial expert and serial entrepreneur Nicole Lapin. Hell, you don't even need one. You just need to be confident, savvy, and ready to get out there and make your success happen. You need to find your inner Boss Bitch — your most confident, savvy, ambitious self—and own it. A Boss Bitch is the she-ro of her own story. She is someone who takes charge of herself and her future and embraces being a "boss" in all senses of the word: whether as the boss of her own life, a boss at work, or the literal boss of her own company (or all three). Whichever she chooses, being a Boss Bitch isn't something to apologize for—it's something to be proud of! We all have what it takes to be a boss bitch, says Lapin. The problem is: we don't learn how to do it in school. Even if we study business, we're not getting enough real-deal business education. Until now. Here, Lapin draws on raw and often hilariously real stories from her own career and experiences starting businesses—the good, the bad, and the ugly—to show what it means to be a "boss" in twelve easy steps. In her refreshingly honest and relatable style, she first shows how to embrace the boss-of-you mentality by seizing the power that comes from believing in yourself and expanding your personal skillset. Then she offers candid no-nonsense advice on how to kill it as the boss at work whether you have a high-up role or not. And finally, for those who want to take the plunge as an

entrepreneur, she lays out the nuts and bolts of how to be the boss of your own business—from raising money and getting it off the ground to hiring a kickass staff and dealing office drama to turning a profit. Being a rock star in your career is something that should be worn as a badge of honor. Here Lapin shows how to crush it in our careers like like a Boss Bitch!

The Broke Diaries National Geographic Books

After five years of grieving her childhood sweetheart, Frankie Five-Fingers finds a new man, and along with his crew, wreck havoc on the streets of New York, robbing businesses and hustlers, until Frankie meets the newest member of the crew and faces a life-changing decision.

Is the Bitch Dead, Or What? Independently Published

For every Skinny Bitch, there's a kick-ass man just as eager to take control of his weight and health. The New York Times bestselling authors now share their tips for turning Dad bods into Skinny Bastards. What's good for the bitch is good for the bastard. Hundreds of thousands of women have been inspired to "use their head" and get real about the food they eat after reading the best-selling manifesto Skinny Bitch. But it turns out some men have been reading over their girlfriends' shoulders. Professional athletes such as Milwaukee Brewers' Prince Fielder and the Dallas Mavericks' Jerry Stackhouse have adopted a whole new eating plan because of the book. Now authors Rory Freedman and Kim Barnouin think it's time for the guys to have a book of their own. In Skinny Bastard, they'll explain why the macho "meat and potatoes" diet is total crap, why having a gut is un-cool (and a turn-off), and how to get buff on the right foods. Eating well shouldn't be a "girlie" thing—and the Bitches will whip any man into shape with their straight-talk, sound guidance, and locker room language.
