A setup so perfect... it might just be fate. Radu Nicolae has spent centuries in a guilt-induced hibernation beneath the ruins of his family castle. The only time he awakens is to feast on the occasional vampire hunter. When Lillian Holmes invades his lair, trying to kill him for a crime he did not commit, he decides it is time to rejoin the world. As he feeds on the inept, but delectable hunter and sees her memories, he realizes that he is being used as a weapon to murder her.

Radu does not like being used. Agent Lillian Holmes, of the Abnormal Investigation Unit, is sent on a mission to kill the vampire who murdered her father. But when she tries to stake Radu, he awakens. When his fangs sink into her throat, she thinks she's a goner. To her surprise, she wakes up a prisoner. Furthermore, Radu did not kill her father. The AIU killed Joe Holmes and sent Lillian to Radu to die. Together, they strike a bargain: Lillian will help Radu travel to the United

States to reunite with his long lost twin brother. In return, he will help her take down the men who killed her father. As their relationship deepens on their journey, so does the danger. Not only must they keep government agents from finding out that Lillian is alive, but she also has a secret that will rock the foundations of the vampire world.

Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the

tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. _____

___ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress

around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack.
