Black Feminist Thought: Knowledge, Consciousness, and the ...
Black Feminist Thought is the first history and analysis of "Black women's ideas" told in a voice that is "both individual and collective, personal and political, one reflecting the intersection of my unique biography with the larger meaning of my historical times." In it we discover new meanings for selected and neglected traditional female themes like gossip, hair, TV, movies, food, and clothing; get a fresh look at where and how knowledge is produced; learn about self-definition and about ...

Walker, and Audre Lorde.

Black Feminist Thought: Knowledge, Consciousness, and the ...

Black feminist thought is a field of knowledge that is focused on the perspectives and experiences of Black women. There are several arguments in support of this definition. First, Berger and Luckmann (1966); and Mannheim (1936) similarly argue that the definition implies that the overall content of the thought and the historical and factual circumstances of Black women are inseparable.
