Since capturing Stucky, she has been walking a tightwire, battling nightmares and guilt over the victims she couldn't save. Now that Stucky is loose again, she's been pulled out of the field. But as Stucky's trail of victims leads closer and closer to Maggie, she is put back on the case under the supervision of

Special Agent R. J. Tully. Together they race against the clock to hunt the killer, and Maggie finds herself pushed to the very edge. Has her desire to stop Albert Stucky become a matter of personal vengeance? Has she crossed the line? And has that been Stucky's goal all along—to make her into a monster? Creole plantation in Louisiana. Beginning with her great-great-great-great grandmother, a slave owned by a Creole family, Lalita Tademey chronicles four generations of strong, determined black women as they battle injustice to unite their family and forge success on their own terms. They are women whose lives begin in slavery, who weather the Civil War, and who grapple with contradictions of emancipation, Jim Crow, and the pre-Civil Rights South. As she peels back layers of racial and cultural attitudes, Tademey paints a remarkable picture of rural Louisiana and the resilient spirit of one unforgettable family. There is Elisabeth, who bears both a proud legacy and the yoke of bondage... her youngest daughter, Suzette, who is the first to discover the promise- and heartbreak-of freedom... Suzette's strong-willed daughter Philomene, who uses a determination born of tragedy to reunite her family and gain unheard-of economic independence... and Emily, Philomene's spirited daughter, who fights to secure her children's just due and preserve their dignity and future. Meticulously researched and beautifully written, Cane River presents a slice of American history never before seen in such piercing and personal detail.

The brutal murders of three young boys paralyze the

citizens of Platte City, Nebraska. What's worse is the grim realization that the man recently executed for the crimes was a copycat. When Sheriff Nick Morrelli is called to the scene of another grisly murder, it becomes clear that the real predator is still at large, waiting to kill again. Morrelli understands the urgency of the case terrorizing his community, but it's the experienced eye of FBI criminal profiler Maggie O'Dell that pinpoints the true nature of the evil behind the killings—a revelation made all the more horrific when Morrelli's own nephew goes missing. Maggie understands something else: the killer is enjoying himself, relishing his ability to stay one step ahead of her, making this case more personal by the hour.

GABALDON, #1 New York Times bestselling author of *Outlander* A hauntingly beautiful tale of love that transcends time: an American writer travels to Scotland to craft a novel about the Jacobite Rebellion, only to discover her own ancestral memories of that torrid moment in Scottish history... In the spring of 1708, an invading Jacobite fleet of French and Scottish soldiers nearly succeeded in landing the exiled James Stewart in Scotland to reclaim his crown. When young Sophia Paterson travels to Slains Castle by the sea, she finds herself in the midst of the dangerous intrigue. Now, Carrie McClelland hopes to turn that story into her next bestselling novel. Settling herself in the shadow of that historic Scottish castle, she starts to write. But when she discovers her novel is more fact than fiction, Carrie wonders if she might be the only living person who knows the truth—the ultimate betrayal—that happened all those years ago. When Julia Ridley Smith's parents died, they left behind a virtual museum of furniture, books, art, and artifacts. Between the contents of their home, the stock from their North Carolina antiques shop, and the ephemera of two lives lived, Smith faced a monumental task. What would she do with her parents' possessions? Smith's wise and moving memoir in essays, *The Sum of Trifles*, peels back the layers of meaning surrounding specific objects her parents owned, from an eighteenth-century miniature to her father's prosthetics. A vintage hi-fi provides a view of her often tense relationship with her father, whose love of jazz kindled her own artistic impulse. A Japanese screen embodies her mother's

manners, while an antebellum quilt prompts Smith to grapple with her family's slaveholding legacy. Along the way, she turns to literature that illuminates how her inheritance shaped her notions of identity and purpose. *The Sum of Trifles* offers up dark humor and raw feeling, mixed with an erudite streak. It's a curious, thoughtful look at how we live in and with our material culture and how we face our losses as we decide what to keep and what to let go.

## WITHERSPOON BOOK

**CLUB PICK** At the height of the Cold War, Irina, a young Russian-American secretary, is plucked from the CIA typing pool and given the assignment of a lifetime. Her mission: to help smuggle Doctor Zhivago into the USSR, where it is banned, and enable Boris Pasternak's magnum opus to make its way into print around the world. Mentoring Irina is the glamorous Sally Forrester: a seasoned spy who has honed her gift for deceit, using her magnetism and charm to pry secrets out of powerful men. Under Sally's tutelage, Irina learns how to invisibly ferry classified documents—and discovers deeply buried truths about herself. The *Secrets We Kept* combines a legendary literary love story—the decades-long affair between Pasternak and his mistress and muse, Olga Ivinskaya, who inspired *Zhivago*'s heroine, Lara—with a narrative about

two women empowered to lead lives of extraordinary intrigue and risk. Told with soaring emotional intensity and captivating historical detail, this is an unforgettable debut: a celebration of the powerful belief that a work of art can change the world.

"Sizzles from its first sentence." - The Wall Street Journal A Reese's Book Club Pick In 1925, Miss Nan O' Dea infiltrated the wealthy, rarefied world of author Agatha Christie and her husband, Archie. In every way, she became a part of their life — — first, both Christies. Then, just Archie. Soon, Nan became Archie's mistress, luring him away from his devoted wife, desperate to marry him. Nan's plot didn't begin the day she met Archie and Agatha. It began decades before, in Ireland, when Nan was a young girl. She and the man she loved were a star-crossed couple who were destined to be together — — until the Great War, a pandemic, and shameful secrets tore them apart. Then acts of unspeakable cruelty kept them separated. What drives someone to murder? What will someone do in the name of love? What kind of crime can someone never forgive? Nina de Gramont's brilliant, unforgettable novel explores these questions and more.
