Explores the role of jazz celebrities like Ella Fitzgerald, Cab Calloway, Duke Ellington, and Mary Lou Williams as representatives of African American religion in the twentieth century. Beginning in the 1920s, the Jazz Age propelled Black swing artists into national celebrity. Many took on the role of race representatives, and were able to leverage their popularity toward achieving social progress for other African Americans. In *Lift Every Voice and Sing*, Vaughn A. Booker argues that with the emergence of these popular jazz figures,

who came from a culture shaped by Black Protestantism, religious authority for African Americans found a place and spokespersons outside of traditional Afro-Protestant institutions and religious life. Popular Black jazz professionals—such as Ella Fitzgerald, Cab Calloway, Duke Ellington, and Mary Lou Williams—inherited religious authority though they were not official religious leaders. Some of these artists put forward a religious culture in the mid-twentieth century by releasing religious recordings and putting on religious

concerts, and their work came to be seen as integral to the Black religious ethos. Booker documents this transformative era in religious expression, in which jazz musicians embodied religious beliefs and practices that echoed and diverged from the predominant African American religious culture. He draws on the heretofore unexamined private religious writings of Duke Ellington and Mary Lou Williams, and showcases the careers of female jazz artists alongside those of men, expanding our understanding of African American

---

religious expression and decentering the Black church as the sole concept for understanding Black Protestant religiosity. Featuring gorgeous prose and insightful research, *Lift Every Voice and Sing* will change the way we understand the connections between jazz music and faith. *The Negro Motorist Green Book* Springer The New Black History anthology presents cutting-edge scholarship on key issues that define African American politics, life, and culture, especially during the Civil Rights and Black Power

eras. The volume includes articles by both established scholars and a rising generation of young scholars. *Black Trivia Greenwood Publishing Group* From Selma to the State Department, Sojourner Truth to Kofi Annan and a language called Xhosa—how well do you know black history? What singer was known as "the Empress of the Blues"? Why the Missouri Compromise? Challenge yourself, challenge your friends, challenge your parents. **BLACK HISTORY** celebrates 5,000

Obama's Favorite Books of 2021 This compelling #1 New York Times bestseller examines the legacy of slavery in America—and how both history and memory continue to shape our everyday lives. Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks—those that are honest about the past and those that are not—that offer an intergenerational story of how slavery has been central in shaping our nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate

where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate

soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women, and children has been deeply imprinted. Informed by scholarship and brought to life by the story of people

---

living today, Smith's debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be.

### What Color Is My World? Lushena Books

Black History Quiz is a word find puzzle book designed to pique interest in African-American, African and Caribbean history and culture.

Throughout the book, readers are presented with clues to the identity of influential people

and historic events. The answers to the quizzes are words and phrases which are hidden inside a word find puzzle. Over 250 facts are shared in this volume of word find puzzles that are sure to educate and inspire people of all ages and all

over the world.

After all, black history is world history. Sample questions addressed in this book include: # Who owned the largest black-owned comic book company in the USA? # Who was the first African American nominated to be a U.S. presidential candidate? # Who was the first black woman agent with the FBI? # Who was the African American who invented the guitar? # Who was the African American woman who invented lasik surgery? # Where in Africa was the world's first

---

university? # Who defeated British troops armed with ri?es, mountain guns, and an early type of rocket using only spears and shields? # What was the name of Moses' Ethiopian wife? # Who did President Bill Clinton nickname "the Bill Gates of Africa?" # Who was "the father of black pride?" # Who is the father of Soca Music? # A certain African American was the wealthiest black slave owner in Louisiana. Who was he? # Who was the white abolitionist who advocated for the violent overthrow of slavery in the

United States? # Which female entrepreneur had a sales force of 20,000 people working for her in 1919? # Who was the first Jamaican to win Olympic Gold? This puzzle book helps to fill a void left by mainstream education and is intended to be an entertaining way to increase black history knowledge. It is something all ages can enjoy and would make a great gift for students, a valuable resource for homeschoolers and adults looking to reconnect or discover the cultural richness of Africans

throughout the diaspora. It takes more than a month to learn our history. Black History and Black Identity Beacon Press Kareem Abdul-Jabbar, basketball legend and the NBA's alltime leading scorer, champions a lineup of little-known African-American inventors in this lively, kid-friendly book. Did you know that James West invented the microphone in your cell phone? That Fred Jones

---

invented the refrigerated truck that makes supermarkets possible? Or that Dr. Percy Julian synthesized cortisone from soy, easing untold people's pain? These are just some of the black inventors and innovators scoring big points in this dynamic look at several unsung heroes who shared a desire to improve people's lives. Offering profiles with fast facts on flaps and framed by a funny contemporary story featuring

two feisty twins, here is a nod to the minds behind the gamma electric cell and the ice-cream scoop, improvements to traffic lights, open-heart surgery, and more — inventors whose ingenuity and perseverance against great odds made our world safer, better, and brighter. Back matter includes an authors' note and sources. **African American History Reconsidered** Harpercollins Presents questions and answers

relating to important periods in African American history including the Revolution, Civil War, Reconstruction, Migration, and the Civil Rights Movement. **The GAO Review** University of Texas Press An intersectional history of the shared struggle for African American and Latinx civil rights Spanning more than two hundred years, *An African American and Latinx History of the United States* is a revolutionary, politically charged narrative history, arguing that the "Global South" was crucial to the development of America as we know it. Scholar

---

and activist Paul Ortiz challenges the notion of westward progress as exalted by widely taught formulations like “manifest destiny” and “Jacksonian democracy,” and shows how placing African American, Latinx, and Indigenous voices unapologetically front and center transforms US history into one of the working class organizing against imperialism. Drawing on rich narratives and primary source documents, Ortiz links racial segregation in the Southwest and the rise and violent fall of a powerful tradition of Mexican labor organizing in the twentieth century, to May 1,

2006, known as International Workers’ Day, when migrant laborers—Chicana/os, AfroCubanos, and immigrants from every continent on earth—united in resistance on the first “Day Without Immigrants.” As African American civil rights activists fought Jim Crow laws and Mexican labor organizers warred against the suffocating grip of capitalism, Black and Spanish-language newspapers, abolitionists, and Latin American revolutionaries coalesced around movements built between people from the United States and people from Central America and the

Caribbean. In stark contrast to the resurgence of “America First” rhetoric, Black and Latinx intellectuals and organizers today have historically urged the United States to build bridges of solidarity with the nations of the Americas. Incisive and timely, this bottom-up history, told from the interconnected vantage points of Latinx and African Americans, reveals the radically different ways that people of the diaspora have addressed issues still plaguing the United States today, and it offers a way forward in the continued struggle for universal civil rights. 2018 Winner

Discover the rich and complex history of the peoples of Africa, and the struggles and triumphs of Black cultures and communities around the world. With profiles of key people, movements, and events, *The Black History Book* brings together accounts of the most significant ideas and milestones in Black history and culture. This vital and thought-

provoking ebook presents a bold and accessible overview of the history of the African continent and its peoples - from the earliest human migrations to modern Black communities and the African diaspora. Powerful images and innovative infographics bring to life the stories of the early kingdoms of Ancient Egypt, Nubia, and Carthage; the powerful empires of the Medieval and Early Modern eras; and the struggle against European colonizers. Black history and culture

beyond the African continent is also explored in detail - including the Atlantic Slave Trade; the quilombos (slave resistance camps) of Brazil; the Harlem Renaissance and Jazz Age; the "Windrush" migration; Civil Rights and Black feminist movements; and Black Lives Matter. Using the "Big Ideas" series' trademark combination of authoritative, accessible text and bold graphics, *The Black History Book* examines the achievements and struggles of Black communities

---

across the world up to the modern day, as well as the influence of Black cultures on art, literature, and music the world over.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the

Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest

of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving employment to members of our race.

achievement gap between black male students and their peers. In this inspiring and thought-provoking book, veteran educator Baruti K. Kafele offers a blueprint for lifting black males up and ensuring their success in the classroom and beyond. *Motivating Black Males to Achieve in School and in Life* offers proven strategies for getting black male students in middle school and high school to value learning, improve their grades, and maintain high standards for themselves. The author shows how simple but powerful measures to instill self-worth in young black males can not only raise these students' achievement, but also profoundly alter their lives for the better. This book will help you to help students \* Reverse the destructive effects of negative influences, whether among peers or in the popular culture; \* Surmount adverse conditions at home or in their communities; \* Participate in mentorship programs with successful black male adults; and \* Take pride in their heritage by learning about great figures and achievements in black history. Whether your school is urban or rural, all-black or mixed, you'll find this book to be an insightful resource that addresses the root causes of low achievement among young black males and offers a clear path to overcoming them.
